---

We are gratified to learn that the work of the General Board is in a healthy and prosperous condition. We are informed that during the twenty-nine years of its history this Board has given aid to 8062 church buildings, almost half of the total number (16,477) owned by the Church; or more than 5½ churches for every week. The total amount of aid thus given was \$3,043,065.11, an average of \$378.00 to each church aided. Of the 333 church buildings in the bounds of our Conference, 200 have Church Extension money in them.

During the current year out of the number of applications to the General Board approved by the Executive Committee, aid was granted to churches in this Conference as follows; viz:

Alachua, donation \$300; loan \$300.

Burbank, donation \$75.

Sparks' Chapel, donation \$1875; loan \$1875.

West Tampa, donation \$1125; loan \$1125.

Tarpon Springs, donation \$375.

Total, donations \$3750; loans \$3300.

It is well understood our own Conference has established a Memorial Fund named after a deceased member of the Conference, Rev. J. C. Ley. The capital of this fund now amounts to \$1803.03; out of which aid has been granted to two churches prior to this Conference to the extent of \$1096.85.

The General Loan Fund capital has increased during the past year \$40,496.95; making the present capital in these funds \$380,111.60. We are asked to do what we can to bring this fund up to the half million mark; and to this end to put the General Office in communication with persons we judge likely to be willing to contribute to these loan funds. Attention is called to the fact that the General Board is in a position to pay annuities "as large as in keeping with sound business policy" to persons who will give the use of their means to the Board during their life time, to become the property of the Board at their death.

The sum collected for Church Extension in this Conference for the present year is \$4,032.66 on the general assessment; \$408.62 on the J. C. Ley Loan Fund; and \$99.34 for the Colored M. E. Church. Your Board has also received \$308.55, being money returned from grants previously made.

The following aid has been given to the churches and parsonages in response to applications presented to the Board at this session:

UNIVERSITY PLACE:—Our church in Gainesville has planned a forward movement in the interest, largely, of the young men attending our State University; who number, this year, almost 300; and whose number increases with each year. Two well located lots, facing the campus, have been procured on which it is proposed to erect a church and parsonage buildings as soon as possible. In view of the fact that the young men who are expected to be the chief beneficiaries of this movement come from all parts of the State, and from other States; it is not reasonable to expect that the burden of this enterprise should fall entirely upon the city of Gainesville. Your Board desires, therefore, to commend this enterprise to the liberality of our people, and to the public generally, throughout the state; and we recommend that the pastors who may serve Gainesville while this movement is being developed be given the consent of this Conference to appeal for contributions for this enterprise to the people of the State at large, as may be found necessary and expedient.

To facilitate collections your Board has united the assessments for the Church Extension and for the J. C. Ley Loan Fund; the amount

received from these assessments to be divided proportionately to the assessment by this Board. The assessments upon the several districts will be announced later. The assessment upon this Conference from the General Board for this year is \$5,486. The J. C. Ley Loan Fund assessment is \$100.00 upon each Presiding Elder's District.

In conclusion, we desire to express our appreciation of the splendid advance in contributions to the cause of Church Extension during the past year. This has made it possible for your Board to grant aid to an unusually large number of worthy enterprises. We hope that this interest will continue to receive your prayerful sympathy and co-operation through the year to come.

Rev. J. A. Hendry has been elected Treasurer of this Board.

J. B. MITCHELL, Chairman.

J. EDGAR HILSON, Secretary.

## SUNDAY SCHOOL BOARD

We note the gratifying increase in interest in the Sunday School Movement throughout the church.

There has been an increase of 243 schools, 4853 officers and teachers, and 66,113 scholars during the year, making a total of 1573 schools, 127,761 officers and teachers, and 1,337,108 scholars.

Our Sunday School periodicals have a circulation of 1,821,200, a net gain of 101,023.

The sales for the year ending March 1, 1911, were \$314,782.26, an increase of \$560.25.

The department of Teacher Training under Dr. H. M. Hamill, is rendering a most important service in increasing the efficiency of our teaching force, and should have the hearty co-operation of all our pastors.

We recognize the value of the Wesley Adult Bible Class, under the leadership of Rev. C. D. Bulla, and would urge the formation of these classes in all charges.

We call especial attention to the work done in our Conference the past year. The report of our Field Secretary, Rev. C. W. White, reveals that great progress has been made. It shows 41 Sunday Schools organized, 14 reorganized, a total new schools 55, 17 graded, 12 Teacher Training Classes, 62 Wesley Adult Bible Classes, 63 Institutes conducted, 43 conversions, 36 additions to the church.

We have received since the last Conference \$2192.47, and have expended \$2097.30, a balance on hand of \$95.17.

We are due the Field Secretary \$139.00. This will be met by receipts from the Conference Treasurer, whose final report has not been received.

We submit the following recommendations:

1st. The appointment of Rev. C. W. White as Sunday School

Field Agent and Colporter for the ensuing year, at a salary of \$1400, and \$500 for traveling expenses.

2nd. That an assessment of \$1800 be levied on all the Sunday Schools of the Conference to maintain this work.

Respectfully submitted,

G. S. ROBERTS, Chairman.

F. E. STEINMYER, Treas.

There has been a very healthy growth in all our Sunday Schools this year. I feel safe in saying that there is at least an increase in old established schools of 15 per cent or more. The school that has not grown this year is an exception. This is largely due to the awakening of the church on Sunday School work. We are planning greater and better things for our Sunday School next year. Let us all work together for the good of the Sunday School—the greatest agency today for the salvation of the world.

## BOARD OF EDUCATION

It is with profound gratitude to Almighty God that we are enabled to report many evidences of continued growth and prosperity for our Christian educational institutions in and out of the state. It is not too much to affirm that those into whose hands the institutions are committed are deeply impressed with their responsibilities, jealous of those fundamental truths for which our church stands and faithful in the discharge of the delicate and responsible duties attached to their sacred offices. It is with particular pleasure that we note the revival spirit dominant, especially in our southern colleges, and that the spiritual feature is stressed as well as the study of the work of God demanded and emphasized.

Reports read before the Board from the presidents of Emory and Wesleyan Colleges indicate that they are maintaining their enviable educational standard. We most heartily commend them to the patronage of such of our people who prefer or insist upon sending their children out of the state to be educated.

In reference to our own college located at Sutherland, we are especially pleased to learn from its president, Dr. J. P. Hilburn, that its great measure of prosperity has not only been maintained but increased. Its enrollment, we are gratified to learn, has reached 283 students, which is the largest in its history. Diplomas and certificates were issued to 26 students who had met the requirements of the advanced curriculum. The percentage of students in the college department proper is constantly increasing. This in the face of an advanced curriculum.

While considerable additions have been made to our property valuation during the past year, desiring to be ultra conservative, we fix its value again at \$190,000. Its endowment has increased \$2000 and we are employing a corps of 22 professors in the Faculty. We recommend:

1st. The appointment of Dr. J. P. Hilburn as the president of Southern College, and J. B. Mitchell as Conference Secretary of Education.

2nd. That we fix the assessment for education on the Conference at \$5834. The assessment of the General Board is \$1900, making a total for both of \$7734.

The following are the assessments for 1912 in the several districts:

	Conference.	General.
Bartow . . . . .	\$1026.78	\$ 334.40
Jacksonville . . . . .	1067.64	347.70

Tampa . . . . .	1102.62	359.10
	<hr/>	<hr/>
	\$5834.00	\$1900.00

Pastors are requested to collect and report these assessments separately.

We recommend the appointment of Rev. L. W. Higgs as a student to Southern College.

J. B. LEY, Secretary.

BOARD OF TRUSTEES OF SOUTHERN COLLEGE

We are profoundly grateful to the Almighty for the good providence which has been with us during the last Conference year, and for the blessings which attend our labor at this time.

CLASSIFICATION.

You are doubtless aware of the fact that the Classification Committee, authorized by our General Conference, has classified Southern College in the B Grade. Only for lack of endowment we would be privileged to enter the A Grade. When you recall the fact that scores of institutions that have been known as colleges, some of these more than a half century, are without classification, you will see that we have made very remarkable advancement. We know of but one college in our church as young as Southern College that is classified by the committee.

Our splendid gymnasium has been completed and is well furnished. This is a great addition to our college plant, and not only the young men but the girls, as well, show their appreciation of this, the best college gymnasium in the state. We have found it necessary during the year to add four new recitation rooms and purchase some new furnishings at a total cost of about \$1500.

We have added to our property holdings a number of lots joining the campus and the Sellers property. These additions have cost us approximately \$2,000. Deeds to this property have been duly recorded.

A much needed store room where supplies for the kitchen are kept has been built at a cost of less than \$200.

Having added this year ten acres to our grape fruit grove, we have

now a splendid grove property of about twenty acres, some of the older trees coming into bearing. We regard this as a very valuable feature of our investment which will add materially to our income in the years before us.

It will be remembered that we were authorized at the last session of Conference to enter a campaign for funds with which to erect a new boys' dormitory. With the assistance of Bishops Morrison and Kilgo and Dr. Dickey, together with the hearty co-operation of the presiding elders and pastors, we were enabled to secure subscriptions for this purpose amounting to more than \$21,000. Plans have been adopted and work is progressing on the new dormitory as rapidly as the help and money for the purpose will permit. We are working toward the completion as soon as possible of one wing of this building, and are now putting up the fourth story. This part of the building will be ready for the roof in a short time. It is our plan to push it to completion before the close of the Spring term. The urgency of this work may be seen when it is considered that we have already been compelled to turn away some students for lack of dormitory accommodation.

#### ATTENDANCE.

You will rejoice to know that Southern College continues to prosper in the matter of attendance and that we report the largest number of matriculates for any Fall term in the history of the school. We not only have a large enrollment but a choice body of students.

#### ORDER AND DISCIPLINE.

Those not familiar with school work can scarcely appreciate the difficult task of maintaining perfect order and doing the thorough work we are endeavoring to secure where the college, academy and preparatory classes are in the same dormitories and administration buildings. Many rules that apply to those in the college classes are not at all adapted to those in the lower classes. The seriousness of this condition is also increased by the fact that Southern College is a co-educational institution. Notwithstanding these conditions, however, we are pleased to report that good order generally prevails in the dormitories and class rooms and we have had only a few cases of discipline during the year. The college spirit has continued to develop among our students and we are pleased to note their increasing loyalty to the management of the school.

#### THE FACULTY

The Faculty consists of twenty-two men and women who have been chosen with painstaking care and who have had special training

and equipment for the positions to which they are called. While this is eminently true, it will not be invidious to affirm that the genius of our present faculty work as well as the commanding spirit of the administration of our college interests rests with Dr. J. P. Hilburn, the honored president of the institution, whose labors are unremitting.

With such evidences of God's blessings upon our efforts we can but move forward with one purpose with increased zeal and with large liberality until we shall see Southern College, the child of Providence and Methodism, stand as a monument of prayer, faith and effort, the very pride of every Methodist in Florida.

---

### CONCLUSION

We recommend, 1st, That the Presiding Elders of the Districts, President of the Board of Trustees, Chairman of the Board of Education and President of the College constitute a committee to arrange for a vigorous campaign in the early part of the year with the view of securing the necessary funds for continuing the work upon the new dormitory.

2nd, That the Board of Trustees be hereby authorized and empowered to issue bonds payable in twenty years for the best rate of interest attainable in the sum of \$20,000 or as much thereof as may be necessary to meet the present emergency if in their judgment it be deemed wise and expedient to take this action.

## REPORT ON THE BOARD OF MISSIONS

It is the purpose of the Church to give the Gospel to every human being in the world and bring the world to Christ. The membership of our church is coming to a consciousness of this truth. God is hearing and answering our prayers and our people are beginning to study and appreciate the great missionary activities of our church as never before. We appreciate the work of our General Board of Missions at Nashville and pledge them our hearty co-operation in all their efforts to further the Kingdom.

The Conference Board has under its jurisdiction the Missionary Work in the territory embraced in the Conference—that is from the Apalachicola River to Miami and Key West.

In this Conference there are many sparsely settled country districts, small, but growing towns that must have the Gospel preached to them, but cannot have it without assistance from the Board. In addition to this there is the city problem and the foreigners in our midst. Your Conference Board is endeavoring to supply the need with their limited means as best they can. The Board could use to profit much more than we have, but cannot grant all the urgent requests of our Presiding Elders because of the lack of funds.

We regret that our Domestic and Foreign missionary assessment was not raised in full the past year, but trust that this year every dollar of it will be raised. The progress of the Lord's Kingdom demands that we raise every dollar of it.

We note with pride that our missionary collections for 1911 are nearly \$2,000.00 more than for 1910. In 1910 we collected for Foreign Missions \$4,627.81. In 1911 we collected \$5,496.01, a gain of \$868.20. In 1910 we collected for Domestic Missions \$7,952.49. In 1911 we collected \$8,493.92. An increase of \$1,859.12 for missions in our Conference during the past year.

We would urge upon the pastors the importance and imperative need of early collections for Domestic Missions as the Board is dependent upon the year's collections to pay the missionaries their salaries. Delayed collections mean suffering and want to our faithful men and their families who are serving these mission charges.

Let us see to it that our people are supplied with missionary liter-

ature in abundance. That we make an honest effort to place the "Missionary Voice" in every Methodist family.

Your Board desires to call attention to the plans and materials of the Educational Department of the Board of Missions and to remind the pastors that only as we advance the missionary intelligence of the church can we increase the offerings for the spread of the Kingdom.

We therefore recommend "The Financial Method for Methodists," a joint policy of the Board of Missions, the Board of Education and the Church Extension Board.

We also recommend "The Every Member Canvass" in line with the plan set forth in the "Financial Method for Methodists," and would set as a goal for Florida Methodists an offering equal to seventy-five cents per capita.

We recommend the appointment of W. C. Norton by the Bishop as Conference Missionary Evangelist, his salary to be \$1400.00 and his traveling expenses. That the Chairman of the Board of Missions in consultation with the Conference Evangelist shall direct where he shall labor.

W. J. CARPENTER, Chairman.

M. H. NORTON, Secretary.

## EPWORTH LEAGUE BOARD

In reporting on Epworth Leagues, we beg to submit a brief record of facts as to membership and work of Leagues for the current year. For 1910-11 we have a total membership of 4,660 and 138 League Chapters.

The state of the League work is bright and encouraging. The Annual League Conference, held in June at Orlando, was one of the best ever held. The attendance exceeded that of many years, the personnel of the body was noted for the large company of young men present and a fine type of intelligent young people. The work that Brother Marvin Culbreth rendered at the five District League Conferences was very helpful and highly commendable.

The work of the State League President, Rev. C. Fred. Blackburn, together with the other state League officers, is very efficient and has done much to make the League work in our state a success.

The Epworth Era is well adapted to the needs of our League work. Its circulation should be increased as far as possible. Its proper use in our Leagues is almost indispensable.

The Boys' League work is arousing increasing interest, and its vital importance well deserves it. Wherever possible, we recommend pastors to organize a Boys' League, embracing some of the best features of the Boy Scout Movement of America. It will mean much for the boys and the future of the state and the church.

We recommend that every Presiding Elder's District be organized into a District Epworth League Conference. Where a separate Conference is not thought advisable, a place may be given on the District Conference Calendar for the consideration of Epworth League work.

The missionary work of the Epworth Leagues has accomplished much, and the effort of the Leagues of Southern Methodism to raise a special fund for work in Cuba is a most worthy and commendable

undertaking. We recommend that the Florida Leagues fall in line with this movement as far as practicable.

The success of the League work in the Conference during the past year has been in no small measure due to the hearty co-operation of Presiding Elders and pastors. Their continued interest is most earnestly solicited.

Respectfully submitted,  
T. W. TOMPKIES, Chairman.  
J. E. WOODWARD, Secretary.

## REPORT NO. 1

Report of the Publishing Committee, Fla., Christian Advocate.  
We, your committee, beg to submit the following report:

We find that the present circulation of the Advocate is 3780; less short term subscribers, exchanges and copies sent to prove advertisements the regular subscription list is approximately 2700. This year the cost of producing the Advocate was \$6022.50. The income from subscriptions \$2802.66; the income from advertising was \$1106.87; making a total of \$3909.53. There is still \$220.00 to be collected on advertising leaving a deficit of \$2112.00. The paper has as reliable resources \$1340 pledged by thirty four members of the Conference at our last session. The claims againsts the paper are with the following parties; Barnett National Bank, Jacksonville, \$1300; Bank of Bradentown, Bradentown \$500; due Kennedy-Brown-Hall Co. \$722 50. The notes at the banks are signed.

THE FLORIDA CHRISTIAN ADVOCATE  
EDWARD F. LEY.

Your committee feel forced to state that the obligations represented in these notes were made without the authority or knowledge of the Publishing Committee. In providing for these notes we respectfully suggest that the members of the Conference whose names are not in the guarantee list share with the Guarantee Association in meeting these obligations, and that a subscription be now taken to cover the amounts.

J. EDGAR WILSON, Chairman.  
N. H. WILLIAMS, Secretary.

## BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE

---

We are glad to report a year of prosperity for this institution of our church. We have made considerable improvements on the building and premises. The interior has been put in first-class condition; three large store rooms have been remodeled into a nice chapel and primary class Sunday School room. The lighting plant has been greatly improved and enlarged. A boys' bath room and toilet have been fitted up. A waterworks system and sewer connections with the lake, and fire protection have been installed.

The furnishings have been made more adequate.

The building is in good repair, and well taken care of.

An acre of cultivated land adjoining our lot was purchased. You have live stock and poultry valued at about \$300

There was a balance from last year of one thousand dollars, and the receipts have been, up to date, four thousand three hundred and sixty-seven dollars and ten cents (\$4,367.10) in cash, and in additions to this donations of sundry supplies estimated to be worth six hundred dollars. The farm products of milk and butter, vegetables, fowls and eggs, and fruit amount to nearly fourteen hundred dollars. These receipts have gone into the current expenses, improvements and repairs on the property, superintendent's salary, printing and administration expenses, and there is left a balance of \$1,277.50.

In this connection we call attention to the fact that this support is not by all the Conference, as many charges contribute but very little. In order to have an adequate support from the present system of collections there must be none to neglect the fifth Sunday offerings by the Sunday Schools, and our Work Day must be magnified, and the donations increased.

There were 23 children in the Home on January 1st, 1911. 21 have been received during the year; one has died and 15 have been taken by relatives or placed in homes, leaving number at present 28; 25 of these are cared for gratis, three partly supported by relatives; 24 attend school. There have been thirteen conversions among the children and ten are members of the church.

There has been very little sickness among the children; the one death was due to organic disease.

Our superintendent and wife, Bro. and Sister H. H. Hoffman, efficiently assisted by their daughter, have worked most faithfully and well throughout the year. We were indeed fortunate in securing such experienced and efficient workers.

Bro. Hoffman and daughter, with the orphans and the Board, sustained a grievous loss in the death of Sister Hoffman some three or

four months ago. Since her death Miss Gussie Hoffman has done very effective service, taking as far as possible her mother's place.

The tabulated report shows what has been done.

## REPORTS OF CONFERENCE BOARDS

## JOINT BOARD OF FINANCE

The report of Rev. J. R. Stewart, Secretary of the Superannuated Preachers Endowment Fund shows that this fund is growing in a way that is both gratifying and encouraging. The total cash assets, the first of April last amounted to \$183,293 67. The total assets \$286,532.24, an increase of nearly \$13,000 over the preceding year. The amount to be disbursed the current year among the conferences is over \$6,500 an increase of some \$1,000 over the past year. Last conference our Board received \$144 from this fund. This year we receive \$168. We have carried out the plan suggested by the trustees of this fund and followed by the Joint Board at last conference of making an assessment on the conference for this fund and placing it at \$1,000.

In regard to the assessment for this fund, also for conference claimants and printing minutes, we wish to say that they are com-

bined under one head, thus reducing the number of assessments, while the total remains the same.

In view of the fact that the Board's plan is to make quarterly payments to our worthy conference claimants, we would urge the brethren to make early collections for this fund and remit to the treasurer.

As there seems to be an impression among some that the Joint Board has funds in hand to help in Conference Entertainment we wish to inform all concerned that we have no funds on hand for such purpose and no provision made to obtain such a fund. Therefore be it Resolved: That this conference declare itself in favor of having its sessions entertained through the hospitality of communities inviting the conference and that this resolution be adopted in order that said communities may not be misled by relying upon the expectation of having their entertainment fund supplemented by contributions from this Board.

## BOARD OF CHURCH EXTENSION

The admirable Hand Book issued by the General Board of Church Extension, which is in the hands of all the members of this Conference, gives so full a report of that branch of the work, that it is not necessary to here refer to that.

Your Conference Board has had before it twelve applications for aid to church enterprises, asking for \$2,700.00 in donations and \$450.00 as loans, and seven applications for aid in parsonage building, asking for \$1,650 in donations and loans. Inasmuch as the sum collected for church extension in this Conference during the present year amounted to but \$3,962.72, on the general assessment and \$435.90 on the J. C. Ley fund (so far as reported to us) it is manifest that we were unable to meet all the demands upon us, however, meritorious. We have found it possible to grant aid to the following churches and parsonages:

Churches.	Donations.	Loans.
Jacksonville District.		
Kings Road .....	\$100.00	\$150.00
Elkton .....	100.00*	.....
Hastings .....	150.00*	.....

Chattahoochee .....	.....	150.00
<hr/>		
Total .....	\$625.00	\$150.00

(Those donations marked with a star are subject to certain conditions.)

The assessment from the General Board for the coming year is the same as last year—to-wit: \$5,486.00. The assessment for the J. C. Ley loan fund remains at the established figure of \$100.00 on each district. These two assessments are united in the apportionment to the several districts and receipts will be divided prorata. The assessment for 1913 is apportioned as follows:

Bartow District .....	\$ 916.00
Jacksonville District .....	825.00
Live Oak District .....	855.00
Miami District .....	856.00
Ocala District .....	884.00
Tallahassee District .....	855.00
Tampa District .....	995.00
<hr/>	
Total .....	\$6,186.00

Our Conference paid in 1911 but 77 per cent of its assessment, standing twenty-second in the roll of the Conferences in this respect. The returns for the present year, so far as received, indicate that we have paid but 72 per cent of our assessment, or about \$70.00 less than last year. It is hoped that this shortage will be wiped out by some belated returns.

In view of the rapid growth in many parts of this State, and the constant and increasing demand for aid in building churches and parsonages, we respectfully urge our pastors to make every possible

effort to secure the Church Extension assessment in full and special donations wherever possible, especially to the loan funds. Our Conference loan fund has now a capital of \$1,993.99, plus the amount collected this year, \$435.90, so far as reported to us.

We recommend that Solon G. Wilson, E. M. Anthony and W. P. Buhrman be elected to membership in this board to fill existing vacancies.

We desire also to recommend that in all of our Sunday Schools, the Birthday jars provided by our General Board be used, the proceeds to be sent to the General Board for the Sunday School Loan Fund. Birthday jars for use in this connection will be furnished without charge to any Sunday School applying for them, upon request of the General Secretary. Twenty-six of these jars are now in use, and during the last fiscal year our schools contributed \$49.88 in this way.

The attention of the brethren is called to the necessity of having all applications for aid, in perfect form, in the hands of our Secretary not later than December 1st. A rule has been adopted by the Board that no application received later than that date will be considered.

Applications for aid to the General Board should be in the hands of the Secretary of our Conference Board, not later than March 1st. Blanks for making such applications can be had at any time, without cost, upon application to the Secretary.

In harmony with the policy of our General Board and the recommendation of the meeting of Conference representatives we urge, as far as possible, churches needing aid apply for loans instead of donations. By adhering to this policy we will be able to gradually build up a large loan fund, sufficient to meet all the probable demands of the future.

Respectfully submitted,

J. B. MITCHELL, President.

J. EDGAR WILSON, Secretary.

## BOARD OF EDUCATION

December 17-22, 1912.

*To the Florida Annual Conference:*

All indications point to an exceptionally fine year in the educational work of our Church Schools. We have had before us detailed reports from Vanderbilt University, the Correspondence School, Ministerial Supply, Emory and Wesleyan Colleges, and our own Conference College, Southern at Sutherland. These reports all indicate

a measure of healthful prosperity, commending the several institutions to the confidence and support of all our people.

Southern College is maintaining its high standard of educational efficiency under the administration of Dr. W. L. Clifton, its recently elected president, which was so thoroughly established under Dr. J. P. Hilburn. Dr. Clifton is bringing to his task ripe scholarship, a disciplined mind, years of special training and the unlimited confidence of those among whom his educational work has heretofore been done. He is deserving and should command general support from a discriminating and intelligent constituency. Dr. Hilburn, whose term of five years as president closed last May, carries with him the confidence and affection of the church. In this connection we quote part of a resolution adopted at the May meeting of the Board of Trustees, as follows:

*“Resolved, That Dr. Hilburn has shown most commendable zeal in the prosecution of his arduous duties, that his administration of the financial affairs of the institution has elicited our unceasing admiration, and that his constant effort to hold up a high standard of scholarship deserves our heartiest gratitude.”*

During the year the board, through its Executive Committee, has extended aid to fifteen young men who are preparing for the ministry in a sum totaling \$800. Our Treasurer reports \$165 received on loan obligations.

We recommend:

First. That pastors observe the second Sunday in February as Educational Rally Day, and that a sermon on Christian Education be prepared for the occasion. Also that our educational assessment be taken early in the year.

Second. That we urge our people to a more earnest and liberal patronage of our Conference School, Southern College.

Third. That we commend the work of our church for and among the negroes as directed through Paine College. We also heartily commend the management, Dr. J. D. Hammond, president, and his excellent report made to this body.

Fourth. We recommend that the assessment for Conference educational work be fixed at \$6,000.00. The General Board apportioned for this Conference \$1,900.00.

Fifth. We recommend the appointment by Bishop Morrison of the Rev. G. A. Davis as student to Vanderbilt University, Rev. S. A. Wilson, student to Southern College; Rev. W. H. Funk, professor of Southern College; Rev. S. W. Lawler, college agent, and Rev. G. F. Scott, Conference Secretary of Education.

The following are the district apportionments for 1912:

Live Oak District .....	\$1,081.00
Tampa District .....	1,284.00
Miami District .....	1,284.00
Jacksonville District .....	1,041.00
Ocala District .....	1,149.00
Bartow District .....	1,176.00
Tallahassee District .....	1,086.00

Total .....	\$7,900.00

## BOARD OF TRUSTEES OF SOUTHERN COLLEGE

*To the Florida Annual Conference—Dear Fathers and Brethren:*

As is known to this body, Dr. J. P. Hilburn five years ago succeeded Dr. Walker as president of Southern College. Dr. Walker had labored arduously in the initial effort to assemble faculty, students and physical materials to start a college and solved many difficult problems in organization. Notwithstanding this fact, Dr. Hilburn found much to be done, and for five years, without reserve, threw all the energy of his being into the solution of the problems arising and into the task that was new and pressing every day. He strove hard to meet the lack of material means by the expenditure of vital force. Under his administration the income was increased, many repairs and permanent improvements, further acquisition of real estate were made, the gymnasium was built and one big wing of the new dormitory for boys almost completed.

As is further known, Dr. W. L. Clifton last May succeeded Dr. Hilburn to the presidency. He came to us highly recommended as a school man of experience, of effective executive ability and of splendid Christian character; a man well fitted to do the work now needed at Southern College. His work at the college so far fully justifies the endorsements given him by his acquaintances in other States and by those who were closely associated with him in his administration of the affairs of other institutions, and also meets the expectations of the Board of Trustees of Southern College. We ask for him the complete confidence and hearty co-operation of the pastors and people of the Conference.

### ATTENDANCE

The enrollment for the scholastic year—that is, at the close of

school May 24, 1912, was 265. The enrollment for this term to date is between 175 and 180. Such a falling off in enrollment almost always accompanies a change in the officers and teachers of a school. The decrease at this year's change, however, is said to be not so great as was the case five years ago, which in our opinion argues that the institution, as such, is more firmly entrenched in the hearts of our people. There is good prospect of considerable increase in enrollment after the Christmas holidays.

### *DISCIPLINE*

As has formerly been stressed before this conference, discipline is a difficult problem, where there are assembled College, Academy and Grammar grades under one administration, where there are not preparations for physical separation of these groups of different ages and maturity. We are glad to report, however, that progress has been made, and we wish to give our endorsement to the plan devised and which is being worked out. The students have been induced to organize for partial self-government. They are entering upon this effort not independently, but rather in association with, and as supplementary to the work of the Administrative Committee of the faculty. The efficiency of this dual system of government has already been somewhat tested, and there are striking indications that the system will prove a success.

### *FACULTY*

In the Academy, the teachers are individually working for the best interests of the school. In the College, the teachers are nearly all well known to you and remain faithful to the trust imposed and active in the work assigned them.\* The changes that have been made in the teaching force of the College have in nowise weakened the standard that has been maintained at Southern College from the beginning of the work. We believe the School of Fine Arts has been considerably strengthened. The Director of Music is young, fresh from work abroad; his methods are modern and his teaching is careful and effective. The Voice Department has enrolled more pupils than studied voice last year, and quite a large sight-singing class has been formed. This last should be of special interest to our pastors and the churches, as the work of this class is to the end of developing leaders in choir and congregational singing.

### *RECENT IMPROVEMENTS*

The fact that one wing of the Boys' Dormitory is completed has been mentioned above. The dormitory has been handsomely furnished; it is equipped with lavatories in every room with flowing water furnished from a deep well. Contract has been let for a steam-heating plant, which will be installed early in January. A large fifteen-

thousand-gallon cypress tank has been erected on a steel tower fifty feet in height. This gives ample capacity to supply all our needs for water and furnishes excellent pressure, which affords increased facility for fire-fighting. We now have all our dormitories well equipped and very comfortable, and consequently have the right to expect the patronage of our best Methodist homes.

A new boiler of increased horse power has been furnished for the laundry, which does also the pumping of the water for the whole college.

### FINANCE

In making the above improvements our indebtedness has steadily increased, as follows:

Note with Exchange National Bank .....	\$12,000.00
Outstanding bills .....	4,337.66
Note to Board of Education .....	2,500.00
Due current income college account .....	2,319.73
Steam heating plant .....	2,300.00
Balance on purchase of Seller's place .....	500.00

---

Total .....\$23,957.39

As an offset to the foregoing indebtedness, we have in addition to our plant with its various improvements, notes and subscriptions of various dates from which the board feels that it may realize approximately \$5,000.00. However, the terms of these notes and subscriptions is such that the board cannot depend upon them to meet the present pressing indebtedness for the institution.

Upon leaving the presidency of the college, Dr. Hilburn was employed as field agent to sell the twenty thousand dollar bond issue authorized by the last conference to make collections, secure students and generally represent the college. So far the bonds, nor any part of them, have been sold.

In view of the pressing needs of the college, the Board of Trustees have guaranteed the salary and expenses of a financial agent by pledges of individual members of the board, so that all the money raised by the agent will go directly to the college.

By resolution the board asks that Bishop Morrison appoint Rev. S. W. Lawler financial agent for Southern College.

Respectfully submitted,

T. J. NIXON, Chairman.

S. W. LAWLER, Secretary.

## REPORT ON THE BOARD OF MISSIONS

The mission of the church is to evangelize the world. To meet this obligation Methodism should do her share. For the work done

and the progress made we are profoundly grateful to the Lord of the harvest. We regret to report that the Florida Conference paid less for missions in 1912 than in 1911.

In view of the enlarging needs both at home and abroad, we ought to have done more. Possibly never in the history of our own State have there been so many opportunities and urgent demands for men and money to give the gospel to the rapidly developing communities and towns within the bounds of our Conference. Every dollar and more of our assessment both for the home and foreign work is needed. The General Board of Missions is in great need of more money to maintain the work already undertaken and to enlarge their work.

We most earnestly urge our pastors and members to begin early in the year and to work diligently to raise the assessments in full, at the minimum. We are still playing at missions.

We desire to express our appreciation of the faithful work of our Conference Evangelist, Rev. W. C. Norton.

W. J. Carpenter, Chairman.

W. M. POAGE, Secretary.

### REPORT OF JOINT BOARD OF FINANCE

Fathers and Brethren:

It is very gratifying to note that the report of the Secretary of the Superannuated Preachers' Endowment Fund shows a considerable constant growth. The total assets last April being \$319,313.02, giving a gain of \$32,780.78 over last year. Our joint board this year received \$198.75 from this source, while we received \$168 last year. There is also a gain in our receipts from the Publishing Board. All of this is encouraging.

Nevertheless owing to failures in crops and other misfortunes

in portions of our State the assessment made for this fund one year ago is short, and your board has been forced to scale the amounts allowed to some of our claimants heretofore. This ought not to be. The superannuated preacher should never become the "forgotten man."

It is pathetic indeed to be compelled to sit in the silent, but to be forced to feel that one is forgotten, after his years of toil in honest effort to lift up his fellowman, is deplorable. It is therefore very important that year by year a better provision be made for the worn-out preacher. Some of the great nations of the earth to-day are striving to provide for the aged ones. Teachers in many of our educational institutions are retired after reaching a superannuated condition of life with a competency. Were it not for the State pension paid to many of our claimants for their services during the Civil War, they would be sufferers to-day. Our great Chaplain has taught that "the laborer is worthy of his hire." We must make better provision for our chaplain's soldiers. Some have fallen from the ranks since last we met, and their wants have ceased, but still our ranks are growing in numbers and the list lengthens as the years come and go. Also the cost of living increases. Therefore your board urges that you see that the amount assessed by the board is collected in full and sent to the Conference Treasurer early in the year. This is urgent and imperative. Your board also suggests that as pastors you use every means possible to secure homes as bequests to the church to be used by your claimants. Such homes scattered over the Conference would prove blessings in every section where located.

W. C. NORTON, President.

## EPWORTH LEAGUE BOARD

We, the Epworth League Board, beg to submit the following report: We are pleased to note that the League work of the Conference is in a prosperous condition. We now have 97 Senior Leagues, with 2,953 members, and 49 Juniors, with 1,811 members, making a total of 146 Leagues, with 4,764 members—a net gain of 8 chapters and 104 members the past year. These Leagues have raised the past year for missions \$749.66, and for other purposes \$3,974.01—a total of \$4,723.67.

We also desire to make special mention of the successful Annual Conference at Tallahassee, when between \$800 and \$900 was pledged for the Cuban Mission, and especially commend the League work of the Tampa District.

Our Conference League officers deserve great credit for their faithful service, and we commend the successful work of the General Board. Our aim for the future is a greater League and to this end we recommend that the matter of Central Office support be especially looked after by the pastors and League workers, and when the ten cent assessment cannot be collected, let a special offering be taken on League Day for this cause.

Second. We endorse the one-by-one campaign for recruiting members, and urge the pastors to put this plan into operation.

THOMAS W. TOMKINS, Chairman.

M. O. WILLIAMS, Secretary.

## REPORT ON TEMPERANCE

Between the forces of righteousness represented by the Church of God, and the powers of darkness, using as a mighty agency the liquor traffic, there is an essential and uncompromising warfare. One stands for the uplift of fallen humanity; the other for its further degradation and destruction. This Conference desires to reiterate its established position on this question; and combining with all legitimate agencies for the destruction of the licensed traffic, the abatement of the drink-habit and the salvation of the drunkard: therefore be it

Resolved, First, we urge our own people to carry out the Pauline and Methodistic rule of total abstinence from the use of intoxicating liquors as a beverage and the firm administration of our church regulations against drunkenness and drinking spirituous liquors.

Resolved, Second, that we work and vote for the election of men to public office who are opposed to the licensing of the traffic. And that we urge the holding of elections to prohibit the licensing of liquor selling in all counties where it is not now prohibited, and at a date as early as practicable during the coming year.

Resolved, Third, that we respectfully petition the next Florida State Legislature to enact such legislation as will tend to secure a better enforcement of the laws against illicit liquor selling, and that will help banish the saloon from all our territory.

Resolved, Fourth, that we petition our National Congress to prohibit the granting of United States revenue license in territory where liquor selling has been prohibited, or the importation of liquor into such territory, and to submit to the vote of the State an amendment to the National Constitution prohibiting the traffic.

Resolved, Fifth, that we urge all national political parties to incorporate a prohibition plank in their platform.

Resolved, Sixth, that we commend the work of the W. C. T. U. and the Anti-Saloon League in their splendid efforts for prohibition and stand with these and all good men and women in their fight against this monstrous iniquity. For the final and total overthrow of the liquor traffic and abatement of the drink habit, we will work, pray, speak and vote until victory comes to our banner.

Respectfully submitted,

W. A. BETTS, Chairman.

Number children at present in Home .....	40
None have died. The general health is fine. The discipline is good. We have a class of children who will be a credit to the church some day.	

LIVESTOCK.—We have three cows and one heifer, three pigs, about twenty hens and eighty young chickens.

GARDEN.—We will soon have an abundance of vegetables in the way of beans, radishes, onions, turnips, lettuce, beets, carrots, etc., etc. The sweet and Irish potatoe crops were a failure. There are oranges in abundance.

There is a large, suitable yard, with large trees, having three swings and playground for little folks, and a large front porch with porch swings.

### OUR NEEDS

1. A new building. The roof leaks badly, and the building is unsuited for the work; the ceilings are too high, and echo multiplying the noise. The front is built of glass, no windows, only doors. Children cannot live in glass houses.

2. Better facilities are needed in the laundry.

### REPORT OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE

*To the Florida Annual Conference of the M. E. Church, South:*

Dear Brethren:—We, the Trustees of the Florida Methodist Orphanage, submit the following report of the work of this institution during the past twelve months:

This has been a year of testing to the efficiency of the organization, and the record shows that the work we are doing is on a solid

basis, and is so effectively meeting a real need, that all questions as to its permanency and value are conclusively settled.

A serious handicap was met, and overcome, in the feeling of unsettledness caused by the agitation of the question of change of location. Another source of demoralization to the operation of the work has been the change of superintendents and matrons. We have had three different managements, requiring time for readjustments. Circumstances beyond the power of the Board to foresee or control necessitated the two changes.

We have carefully adjusted the work, and to-day the Home is in the best condition in every way since its beginning.

A few features of the reports of the Treasurer and of the Superintendent are worthy of your particular notice:

1. First, the Treasurer's report shows that the support of the Home has been barely sufficient to meet the current expenses, and allows no enlargement of the plant, nor increase of the working force, to meet the enlarged and constantly enlarging demands upon us. The total receipts for the year up to date are \$2,991.76, to which we brought forward from last year \$1,373.32, making a total of \$4,365.08, with which to operate the Home, keep up the premises and buildings, and pay salaries.

2. It will be seen from the Superintendent's report that during the year we have had in the home 58 children. Of this number there are now 40 in the home, and we have applications to admit eight or ten immediately. The amount we have received, by very economical management, has barely sufficed for the conduct of the work. Unless we are to turn away orphans seeking admission there must be an increase of the support sufficient to meet the increasing demands.

3. The Treasurer's report further shows that 31 charges have, up to December 1st, contributed nothing for the cause. It shows that the strongest charges in the Conference have done the least for the Orphanage in a comparison of relative ability. Some of the weaker charges have actually contributed more than the leading charges—in some instances, twice as much.

We desire to express our confidence in our Superintendent, Miss Louise Stork, and our matron, Mrs. J. J. Street, and to say that the administration of the affairs of the home, and the management of all the details of the operation of the same, the discipline and training of the children, the upkeep of the premises and buildings are most satisfactory, and such as to reflect credit upon our Conference.

We embody as a part of our report the following reports of the Treasurer and Superintendent, together with the exhibit of the contributions by charges and by districts.

3. I would suggest to the Board of Trustees that they have their

own teachers; far better results will be obtained. Have manual training for boys and cooking, housekeeping and sewing for girls, given in a sympathetic way.

LOUISE STORK, Superintendent.

These reports afford a glimpse of the work and needs. Let every member of the Conference give them thoughtful attention and consideration.

Respectfully submitted,

BOARD TRUSTEES FLA. METHODIST ORPHANAGE.

L. W. MOORE, President.

J. LAWTON MOON, Secretary.

## REPORT No. 2—RECOMMENDATIONS AND RESOLUTIONS

First. We recommend the election of the present Board of Trustees, with the following changes: In place of Rev. E. J. Gates, Rev. W. J. Carpenter, and in places of T. J. Watkins, P. H. Baker and S. J. Hilburn we nominate C. E. Howard, Orlando; Capt. W. J. Hilman, Live Oak, and J. E. Foxworthy, Fort Myers.

Second. We offer the following resolutions:

1. That the Conference set apart the fifth Sundays as Orphanage Days, on which the Sunday Schools and the congregations, as well, be asked to make an offering for the support of the Orphanage;

That the Saturday before the last Sunday in October be designated as Work Day, and the following Sunday be Harvest Day for the ingathering of the offerings for the Orphanage;

And that it shall be the duty of the pastors to present the Orphanage cause to their congregations on the designated days, and instruct the Sunday School Superintendents to do the same in the Sunday Schools.

2. That the Trustees be authorized to erect such buildings, and to so enlarge the plant as to take care of the work, as soon as they secure funds for the same.

3. In order to make the former resolutions effective and operative that the Board of Trustees be authorized to select an agent for the Orphanage, subject to appointment by the Bishop.

L. W. MOORE, President.

J. LAWTON MOON, Secretary.

This report was adopted as amended, as appears herewith, Dec. 20, 1912.

## RESOLUTION OF THANKS

*Resolved*, That the thanks of this Conference are due, and are hereby tendered to the citizens of Tampa, who have tendered to its members such generous hospitality; to our Sister Churches and their Pastors for the beautiful Christian courtesies extended, and to the local and State papers for the splendid reports given to our work.

Obedient to your instructions, I have examined the Conference Treasurer's cash book for the year 1912, and have made therefrom a trial balance.

He has credited himself with disbursements of..... 12,160.93

### MEMOIRS

#### JULIUS D. ROGERS

REV. JULIUS D. ROGERS was born in Iredell County, North Carolina, January 12, 1829, and departed this life June 30, 1912, being 83 years, 5 months and 18 days old. He was married twice, the second time to Miss Angelina Bellsorah Turner. Of this marriage were born twelve children, four of whom were taken in infancy to the mansion above, leaving eight, who survive with their mother, in sorrow over their great loss. Their names are Mrs. Mary O. Mattingly, Joseph D. Rogers, Mrs. Ida I. Kisby, J. DeWitt Rogers, Mrs. Flossie E. Padgett, H. Moody Rogers, and S. Cecil Rogers.

Brother Rogers was converted and joined the Methodist Church when about twenty-eight years old, as the immediate result of reading Bunyan's "Pilgrim's Progress," when alone with God in prayer. After having served his church as a local preacher four years he was admitted on trial into the Florida Conference at Fernandina, Florida, January, 1873, Bishop Enoch M. Marvin presiding. For eighteen years he was an itinerant preacher, when his health failed and his name was placed on the honor roll of his Conference, among the faithful men who had worn themselves out under hard conditions in traveling and preaching the Gospel.

For twenty-eight years he had been deprived of all the joys of an active ministry and in the last years in growing afflictions he had patiently waited the time of his translation. He served the following charges while an itinerant: Concord, Gadsden County, one year; Hernando Circuit, three years; Orange Creek Circuit, three years; Fort McCoy Circuit, three years; Welborn Circuit, one year; Way Circuit, one year; Pinelevel Circuit, two years; Fort Ogden Circuit, two years; Columbia Circuit, one year; Fruitand Circuit, one year.

He was devoted to his family, to his church. Was a kind and loving father and husband. He had been unable to attend church for the past year, which grieved him very much. He felt the need of the means of grace, which the church of God alone supplies. In his

prolonged retirement he spent much time in reading the Holy Scriptures and good books. His soul feasted on the Word of God, which he often quoted, and he sang the praises of God as long as he was conscious. I am sure that, though burdened with the weakness and infirmities of the flesh, his heart beat true. Jesus Christ was his Lord and Saviour.

A large congregation of his old friends and neighbors committed his sacred dust to the grave, covered with the freshest and sweetest flowers, in hope of the resurrection of the just.

"The memory of the just smells sweet and blossoms in the dust."

B. K. THROWER.

### KENNETH F. JONZ

KENNETH F. JONZ was born in Hillsboro, Texas, in 1888 and died in Jacksonville, Florida, August 29, 1912. As a boy he was loved by his associates for his happy disposition and kind-heartedness. He was converted just as he was budding into manhood. He was fortunate enough to secure a very good education, spending some time as a student in Southwestern University, Texas.

When called to preach he was not disobedient to the call, but began at once to make preparations to enter the ministry. After some brief correspondence with one of the presiding elders in Florida, he came to this State and began work for his Master at Taft, where he remained until Conference, at which time he was sent to White Springs Circuit, where he wrought well. From this charge he was sent to Marvin and Kings Road charge, Jacksonville. On Sunday morning, the 25th of August, while preparing to go to church, he had an attack of appendicitis. After a short while the pain became less severe, and he went to the church and preached both morning and evening with unusual freedom. After an operation on Thursday following the end came at 12:25 Friday. Verily he fell at the post of duty, with his face heavenward, doing his last service in the church he loved and for which he was giving his life.

His service in the city was short, but his ministry effective and his work abides. His short stay in the charge was long enough to endear him in the hearts of his people.

He was always cheerful and carried a smile when often the heart was heavy. His sympathy for the unfortunate was keen. He extended a hand of help to the needy and lifted Christ to all. Strange to us a life so young and full of promise should come so suddenly to an end, but "God moves in mysterious ways." The hand that closed the gate of opportunity here opened to him a larger field of service there. His faith in God was strong and the last request he made was that his brethen and friends pray with him. Only a little while later and the shadows closed about him, but with the falling of the shadows

came the dawn of a new day, the approving smile of the Saviour, and welcome by the heavenly host, for death was only the servant that opened the day to the toilet room, where the child dressed for the dawn of glory.

### REPORT ON AMERICAN BIBLE SOCIETY

In the absence of any representative of the above society at this Conference, with no literature sent us and with very little data upon which to base convincing statements, your committee will make a brief report.

We are fully aware that the American Bible Society, in its distribution of the Word of God, is perhaps, the most unselfish of all charities—is a wonderful—nay, indispensable, adjunct to the missionary propaganda amongst all races and all tongues. In other words; the Gospel would largely, if not entirely, fail of evangelical fruitage were it not for the many translations, reaching into the hundreds, and the abundant distribution of the sacred volume in the many dark fields of the unsaved world.

We feel it our duty to fully endorse the work of the society, yet we very much regret that we preachers and our people have so very little fresh information upon this cause. We find that in the year 1911 our Conference contributed to the American Bible Society the sum of \$211.55, and for the present year the amount is \$234.80.

For the Committee: F. M. EADS, Secretary.

Your committee urgently requests the Conference to extend to Rev. J. D. Lewis the courtesy of addressing this body in the interest of the very important labors of the American Bible Society Colporter, Rev. D. Carrera.

Your committee once more calls the attention of our pastors to the fact that the Discipline requires that a collection in every congregation be taken each year for this important cause.

### SUNDRY RESOLUTIONS

*Resolved*, that we count ourselves fortunate in having Bishop Morrison reside in the bounds of our Conference; that, as a citizen of this commonwealth, he honors our State; that, as one of our chief pastors, he is in our midst as one that serves, and has done much for the spiritual and material development of the Church; that his unflinching patience and numerous courtesies in the chair and elsewhere elicit our highest commendation, and we request the College of Bishops to return him to preside over our Conference a year hence.

## SUNDAY SCHOOL BOARD

### REPORT No. 1.

*Dear Fathers and Brethren:*

With gratitude to God for his signal blessings upon the work of this department of the church, we are enabled to present to you this

report. The marvelous growth of the past few years has continued in 1912. There has been no abatement or let-up along the line.

The report of the General Board reveals that we have the largest enrollment in the Sunday Schools, and the greatest circulation of our periodicals in the history of our church. The organization of the Wesley Adult Bible Class Department has exceeded our greatest hope, as it is winning and holding mature men and women to the Sunday School, thereby solving many problems for us. The Teacher Training Department continues to grow, but regret to say not commensurate with its worth and importance.

The Chair of Religious Pedagogy and Sunday Schools in Vanderbilt University has not been established for lack of funds.

The work in our Conference goes steadily forward. In proof of this we submit to you a brief summary of the work done by our Field Secretary, Rev. C. W. White. (See White's Report.)

Children's Day was more universally observed this year than ever before.

We recommend:

1. That C. W. White be reappointed as Field Secretary of Sunday Schools and Colporteur.

2. That the assessment of \$1,800 be continued.

(Signed)

G. S. ROBERTS, President.

F. E. STEINMEYER, Treas.

#### REPORT No. 2.

The report and recommendations of the Trustees of the Anastasia Assembly submitted to us by your body has been considered, and we most heartily endorse the movement which contemplates the establishment of an assembly ground. We recommend:

1. That the Sunday Schools of our Conference raise \$5,000.00 through the sale of lots at the Anastasia Assembly grounds through an agent to be selected by the Board of Trustees of said grounds.

2. We consent to a bond issue of \$10,000.00 on the Anastasia Methodist Assembly Property, should it become necessary in the judgment of the Board of Trustees of said institution.

3. That the door of the Conference be opened to the Assembly agent if he be appointed.

(Signed)

G. S. ROBERTS, Chairman.

F. E. STEINMEYER, Treas.

#### SABBATH OBSERVANCE

Your committee reports as follows:

In view of the facts of the founding of our government on the religious idea, and of our plainly revealed opportunity in the religious

advancement of the world, it will be the worst national disgrace in history and the saddest disappointment to all Christian men, if we fall short of being a truly Christian people. And, without any hesitation, our conviction is that one of our greatest dangers lies in the attitude we are taking toward the Lord's Day. We have never come to a time when the words of Isaiah (58:13) were more to the point: "If thou turn away thy foot from the Sabbath, from doing thy pleasure on my holy day, and call the Sabbath a delight, the holy of the Lord, honorable, and shalt honor Him not, doing thy own ways, nor finding thine own pleasure, nor speaking thine own words: Then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth."

The Sabbath being made for man, is one of man's rights, and if he be robbed of this, he is poor indeed. The present generation should protect itself in this right, and above all should recognize its fearful responsibility of seeing that the coming generation is not robbed of its spiritual opportunity, which the Sabbath day alone affords.

As to the youth of our present time, any honest man may see that he has only the smallest chance for spirituality, reverence and the fear of God, if in the worldly tendency of this age, he shall have no Sabbaths.

The faithful of our great Church will be justified in laying this matter heavily on their hearts; for here is the point of departure from the joy of salvation into narrowness and emptiness of modern-day worldliness, and into disloyalty and sin, for thousands of our Church members.

We are encouraged, however, at the efforts now being put forth in various places in our State that the people may enjoy the advantages of the already existing laws for Sabbath observance, and also at those efforts in various States to secure the necessary statutes in this matter. We deplore the frequent declaration from the unthinking and the irreligious that our young people and our laboring classes need amusement, when the restlessness shown will not be remedied by more amusement, but by more religion. Even the best moving picture show is hurtful to the spiritual life of our people, when it is given on the Sabbath Day. Let all of these things be taken out of the way, that the day may be holy unto us, in its spiritual opportunities.

We rejoice in the recent gains in the city of Tampa and heartily commend the present efforts for reform, looking to a more religious observance of the day in this city. And we pray that God will touch the hearts of all the people concerning this matter.

As members of this Conference we pledge ourselves to put forth our best efforts to persuade our people not to do their pleasure on

God's holy day, and, further pledge, by precept and example and in any way, to do our utmost to save to our nation its Sabbath Day.

(Signed)

W. P. BUHRMAN.

### REPORT OF THE PUBLISHING COMMITTEE OF THE FLORIDA CHRISTIAN ADVOCATE

The Advocate Publishing Committee completes a year of arduous labor with gratitude to God and to the brethren of the Conference who have labored with us to make the Advocate a success.

During the year the circulation of the paper has grown to about forty-six hundred copies, of which about three hundred are short-

term subscribers. There is apparently good reason to believe that we may soon reach a weekly circulation of five thousand copies.

We are glad to be able to report that the indebtedness with which the paper began this year has been completely paid, except a small amount which is in sight, thanks to the liberality of the brethren contributing. Also that the current expenses for the year are fully provided for by the income of the paper. This result would not have been possible without the aid of the assessment levied upon the Conference. In this assessment we appear to have found the secret of the paper's permanent success. For the coming year we recommend an assessment of twenty-five hundred dollars (\$2,500.00) upon the Conference, which may be paid as last year, with new subscriptions. The apportionment of this assessment is as follows:

Bartow District .....	\$372.00
Jacksonville District .....	329.00
Live Oak District .....	342.00
Miami District .....	343.00
Ocala District .....	363.00
Tallahassee District .....	344.00
Tampa District .....	407.00

We recommend the appointment to Rev. D. B. Sweat as editor of The Advocate, to whose faithful and efficient labors the success of the paper during the past year is very largely due.

We also recommend that Revs. J. Edgar Wilson, L. W. Moore, I. C. Jenkins and T. J. Nixon be appointed contributing editors.

It has again been demonstrated that the Florida Conference can successfully publish its Conference organ, if the pastors will unitedly co-operate with the Publishing Committee in doing so. In view of the great usefulness of such an organ, we hope that this co-operation will be generally and heartily given during the coming year.

J. EDGAR WILSON, Chairman.

G. I. DAVIS, Treasurer.

#### REPORT OF COMMITTEE ON LAYMENS' MISSIONARY MOVEMENT

*To the Bishop and Members of the Florida Annual Conference:*

We are yet hopeful of accomplishing the work for which the Laymens' movement was inaugurated, that of assisting in the spread of the gospel to all mankind.

We regret that our work is moving slow, and hope to accomplish more in the future. It seems difficult at present to arouse that enthusiasm so necessary for early success. We believe, however, that

with a continued prayerful effort, that we can accomplish much.

While some good has been done, much more remains to be done. Our purpose is to press the work, and if possible organize every charge in the conference and thereby impress every layman with the charge in the conference and thereby impress every layman with the responsibilities that rest upon them.

We hereby urge our District Lay Leaders to press the work of organization with all diligence. We hereby nominate A. W. McLeran, of Wellborn, as Conference Lay Leader, and C. W. Smith, Jasper, as Vice Lay Leader for the ensuing year. We hereby nominate the following persons as delegates to the Laymen's Missionary Conference, to be held at the Assembly Ground, Waynesville, North Carolina, in June, 1913.

### REPORT OF THE BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE

Dear Brethren:—We are grateful for a year of prosperity and progress in the work you have entrusted to us. We have cared for more children this year than ever before and there has been a larger average number in the home for the year. The income from the churches has been barely sufficient to meet these increasing needs. While we have met all of our obligations, for current expenses, maintenance, and repairs, we have had no fund for any of the needed improvements; for increasing our working force in order to undertake manual training, technical training and equipment for the same.

A glance at the statistical report will show the income from charges by districts; and the Treasurer's report contains an itemized statement of disbursements. It will be seen that many of the stronger charges have done very little for the Orphanage through the year.

**LOCATION**—Acting on instructions of this Conference, the Board appointed a committee to seek invitations from several desirable and suitable locations. So far, we have had no definite offer for a site, nor a definite invitation to locate. The committee on location, is continued and we trust to be able to take some steps toward a better location soon. As to the present location; the health of the children has been good. There has been no sickness of a serious nature and no death. We have good sanitary conditions and the healthfulness of the locality is good.

**INCOME**—We must have an increased income or we shall be compelled to turn away applicants for our benevolence. In other words, we are succeeding so well in our purpose, to gather poor and

dependent orphan children, that we must increase our facilities and our capacities to meet the necessary demand from us.

**SUPERINTENDENT**—We again express our confidence in our Superintendent and Matron, both as to their splendid Christian characters and their ability in the administration of the affairs of the home. The management of all the details of operation, the discipline and training of the children, and the upkeep of the premises and buildings are most satisfactory.

We call especial attention to the two appended reports of the Treasurer and the Superintendent, respectively.

We offer, for adoption, the following resolutions:

First. That the Conference set apart the fifth Sundays as Orphanage Day, on which the Sunday schools and the congregations, as well, be asked to make an offering for the support of the Orphanage.

Second. That the Saturday before the last Sunday in October be designated as Work Day and the following Sunday as Harvest Day for the ingathering of offerings for the Orphanage.

Third. That it shall be the duty of the pastors to present the Orphanage cause to their congregations and Sunday schools on the designated days.

Fourth. That the Superintendent of the Orphanage be invited by the pastors, at such times as shall be convenient, to visit their several charges, to present the cause of the Orphanage.

Fifth. That an assessment of seven thousand dollars (\$7,000.00; be levied on the Conference to be raised by above methods or otherwise; said assessment to be apportioned on the several districts according to accompanying schedule, made on same basis as other apportionments.

Respectfully submitted,

THE BOARD OF TRUSTEES.

Number placed in Woman's Home and Hospital for special care....	1

The general health of the Home is good. No serious illness of any kind during the year. The children are doing exceptionally good work at school, due to the excellent teachers in our public schools. Forty-

one attend school. Eighteen girls have been organized into sewing classes, taking the regular course. These girls are also doing all the mending for the Home, under the direction of their teacher. The boys have split all the wood during the year. We have about organized the boys into a troop of boy scouts. The organization will be complete in a few days. We have had a splendid garden both last Spring and this Fall, cared for by the boys. The girls are interested in the flower garden, the soil for which is prepared by the boys and the seed contributed by the state representative. During the summer the boys painted the entire large front veranda. Two of our girls took lessons on the piano during the summer, paid for by an individual and by a class. One of these girls now plays the accompaniment at family worship. The children of the Home do the entire work of the institution, except the directing, cooking and washing. The general character of the children is good. They are hearty, healthy and full of life. Some of them have a future; all deserve your care and help.

**SUPPLIES**—We have had sufficient supply of clothing during the year. We have received boxes, barrels and packages from nearly every part of the State. Fruits and vegetables of all kinds in the season have been contributed. Friends of the Home have donated a carload of wood and promised another; had a boardwalk laid from the front gates to the veranda; presented the Home with four dozen silver dessert spoons, engraved with the initials of the Home, and a supply of new clothing for all the children. Various gifts of interest have been made, but the list would be too long, should I enumerate them all. God has wonderfully supplied our needs, and we are all very grateful for the same.

LOUISE STORK, Supt.

#### REPORT OF BOARD OF EDUCATION No. 1

Whereas the action of the College of Bishops, acting as a Board of visitors, vetoing the acceptance of the so-called million-dollar gift to the Medical Department of the Vanderbilt University by Mr. Andrew Carnegie, has been criticised in certain quarters; and whereas four members (being a minority) of the Board of Trust, at the annual meeting held June, 1913, entered their protest against the acceptance of

said proposed gift; and whereas it has been claimed by certain parties that neither the veto of the Bishops nor the protest of the minority members of the Board of Trust represents the sentiments and judgment of the Church generally; therefore, be it

Resolved, first, that while we regret that the terms of said gift as set forth in Mr. Carnegie's letter, were such that it could not be accepted with honor, we do hereby heartily indorse both the Bishops' veto and the protest of the minority of the Board of Trust;

Second, That we hereby express hearty agreement with the sentiments and positions of the Bishops, as expressed in their "Veto" and "Message to the Church at Large," and of the minority of the Board of Trust, as expressed in their protest;

Third, That we hereby pledge our hearty sympathy and support to the Bishops and to the minority of the Board of Trust as faithful servants of the Church, in the discharge of their important duties in this whole Vanderbilt matter.

### REPORT OF BOARD OF EDUCATION No. 2

Reports in the hands of this Board from various educational institutions, indicate a high degree of efficiency and a large measure of success. These cover detailed statement from Vanderbilt University, our Correspondence School, Ministerial Supply, Emory, Wesleyan and Southern.

Southern College, our own Conference school, while enjoying not quite so large a patronage, is doing thorough college work and making a good record for herself. We have for some years, been compelled to incur obligations for needed improvements, and these have proved a serious handicap to us, in the extension of our work, but the Board learns, with genuine pleasure, that the Board of Trustees have inaugurated a scheme which not only promises to raise the debt, but to render very material, financial aid to the college.

We have helped during the past year, five young men who are studying for the ministry, from our Conference Loan Fund in an aggregate amount to \$350.00 for the year.

We recommend:

First. That all of our pastors observe the second Sunday in February as Educational Rally Day, and that a sermon on Christian education be prepared for the occasion. Also that assessments for education be taken early in the year.

Second. That we urge our people to a more hearty interest in and liberal patronage of, our Conference School.

Third. We heartily commend the work of our church for, and among, the negroes, as directed through Paine College.

Fourth. We recommend that the assessment for Conference Educational Work be fixed the same as for last year, namely: \$6,000. The General Board apportions for this Conference, \$1,972.00.

Fifth. We recommend appointment, by Bishop Morrison, of the Reverend K. Hollister as a student of Vanderbilt University and Rev. G. E. Scott to be Conference Secretary of Education. That Rev. J. F. Bell be confirmed as a trustee of Wesleyan College.

We note, with pleasure, the action of the Courts in so amending the Charters of Emory College and of Wesleyan, as to provide that all trustees of said colleges, however elected, shall first be confirmed by the annual Conferences of the Methodist Episcopal Church, South, in the territory, within the limits of which, said trustee shall reside.

#### REPORT OF THE COMMITTEE ON BOOKS AND PERIODICALS

Bishop and Members of the Florida Annual Conference:—

Your Committee on Books and Periodicals desire to emphasize the fact that a live and progressive church is a reading church. We call special attention of Methodists of the Southern Church that the shelves of our Publishing House are filled with good and instructive religious books, and that our presses are constantly turning out more of them. May our people read them. All Methodists ought to be versed in the literature of their church, especially since the reading members are the intelligent, the active, and the most successful working members. We urge upon all Methodists the wisdom of patronizing our own Book Houses, of buying freely, of reading extensively and thoughtfully our own books in preference to other publications and to commend and encourage the reading of the same by their own children.

### **Our Conference Colporteur**

Your Committee in connection with the subject of books, commend most heartily the splendid services to our Conference of Rev. C. W. White, who has been the instrument of circulating and encouraging the reading of many of our best church publications. Brother White's zealous and faithful work deserves the highest commendation of all Methodists of the State, and we believe that our Master will reward his faithful work in his dual capacity.

### **The Florida Christian Advocate**

We are rejoiced to call attention to the success of our own Conference organ and to report that it has been kept up to the standard and has greatly increased its circulation during the past year under the faithful management of Brother D. B. Sweat. The paper has met all financial claims upon it during the past year, and its subscription has increased about 1,000—from 4,600 at the last Conference to 5600 during the year, the largest subscription list in the history of the paper.

We are informed that much better facilities for publishing the paper are provided for another year. Your Committee feel that Bro. Sweat deserves the thanks and commendation of all Methodists within the bounds of our Conference.

### **The Christian Advocate**

Our general organ, The Christian Advocate, keeps well up to its established standard and we desire all Methodists, who are able to take two church papers and who desire to keep posted in the general work of the church, to take and read our general organ.

### **Our Quarterly Review**

We believe that our Quarterly Review ranks well with all similar church publications, and we especially commend it to preachers and laymen and heartily wish that its subscription list might be multiplied many times, and that many thousands more Southern Methodists could be induced to take and carefully read it.

### **Our Sunday School Literature**

Your Committee may be partial in its judgment, but we confidently believe that no better Sunday School Literature is issued from any press. The several magazines and the various publications for graded work are admirably suited for the purposes for which each is desired. The entire church, in our judgment, has cause to congratulate itself on the whole of the Sunday School out put. We are glad that Dr. E. B. Chappell came and delivered his able and comprehensive address to our Conference. We believe that God is using

him for most excellent services to the church in a field of labor for which he is eminently fitted. We trust that our Conference will be annually visited by him.

### **Educational Literature**

The various tracts, lectures, booklets and books published and circulated under the supervision of Dr. Stonewall Anderson on the subject of church education makes as a whole most comprehensive and instructive information on that department of the work of the church. Your Committee recommend that Methodists, clerical and lay, secure and read this most valuable literature and get the inspiration that may be obtained by reading the various publications circulated by our General Secretary of Education. This literature gives a comprehensive view of the work and aims of the church along educational lines and informs the honest inquirer where he may best educate his sons and daughters. A letter addressed to Dr. Anderson at Nashville will secure a catalogue of this literature. We trust that our people will inform themselves and patronize, as far as they may be able, the Educational Institutions of our own church.

### **Our Missionary Literature**

We call especial attention to the Missionary publications of the church—The Voice and all circulating literature issued by the Board, and commend the same to our membership at large.

### **New Publications**

From information filed with your Committee, there is necessity for a revised publication of our discipline in Spanish, and also in Italian, for the use of those engaged in Italian Missions. Therefore, we recommend to the proper authorities that the discipline be published in both of those languages after the next General Conference.

Respectfully submitted by your Committee,

J. F. BELL, Chairman.

W. N. SHEATS, Sec, for Com.

#### REPORT OF JOINT BOARD OF FINANCE

Dear Fathers and Brethren:—We are very glad to report that the amount of money at our disposal for the old and worn out preachers, their widows and children is larger than last year.

The amount coming to us from the Superannuated Preachers' Endowment Fund increases every year. In 1911 it was \$168. In 1912

it was \$198.75 and this year it is \$222.60. This helps considerably toward making a better provision for our veterans.

The amount paid to us by the Publishing House at this Conference is \$252. The collections over the Conference are better this year than last, so that we have been enabled, in not a few instances to increase the amount given to our aged and esteemed brethren.

Through an insurance policy of Dr. Josephus Anderson, \$500 comes to the Board for the use of the worn out preachers. It was decided to lend this money out this year, and use only the interest for the purpose aforesaid.

But let us remember that while all this is very gratifying and encouraging, the amount given to our claimants is altogether too small. Many really need and should have more than the Board is able to give them out of the funds at our disposal. The claim of the aged and worn out servant is a sacred one, and is being recognized more and more throughout our country. The Government pensions the old and disabled soldiers. Railroads and other corporations provide for those aged ones who have served them long and well. The churches generally are studying to solve the problem of a better provision for the old and worn out preacher. Our church must not be behind, we must recognize the obligation and rise to meet it and at least pay every dollar of the assessment in full.

It is very gratifying to note and commend Rev. B. K. Thrower for his success in securing six new and comfortable homes throughout the bounds of our Conference for our superannuated preachers.

Respectfully submitted,

W. C. NORTON, Chairman.

## REPORT OF THE COMMITTEE ON AMERICAN BIBLE SOCIETY

This organization had its origin in America about one hundred years ago.

Its object as most of the brethren know was to disseminate the Gospel through the printed word of God at actual cost of publication to those who are able to pay for it, and to those who are unable to pay to make the Bible a free gift. This policy has been adhered to unto this good day, and has resulted in many millions of volumes as to numbers and in the language of more than one hundred and fifty different peoples. When we look at the work of this Society as the same is connected with perhaps the greatest department of church activity today, namely the cause of missions, both near at hand and afar off, we find it simply and truly an indispensable adjunct to this worldwide enterprise.

Right here let us say that Rev. M. B. Porter, D.D., American Bible Society District Agent in the South Atlantic States, Richmond, Va., says that the work of Rev. D. Carrera amongst the thousands of Cubans, Spaniards and Italians of Tampa and Key West, is the most

important in his entire agency. Bro. Carrera is our Cuban pastor in Ybor City. We thus see that this Society is carrying on in our midst a work whereunto the Holy Ghost has separated it.

The cost of furnishing the Bible in the language of the nations is far too great for any one church to undertake, even in the fields peculiar to that church but the society as a fully able and benevolent Good Samaritan comes almost literally running to the assistance of the Missionary and at little cost in money and at no sacrifice of brotherly love, furnishes him that which contains the visible bread of life for those who most need it.

We cannot, for any reason, afford to treat with indifference an indispensable friend and co-laborer. The funds necessary to operate such a great enterprise are raised through legacies bequeathed to the Society and by public collections in churches throughout our country.

Doubtless, the main reason why we do not do more for this great and most unselfish benevolence is because we learn so little about it. We are not informed and refreshed as to it from time to time as we might be and doubtless as we wish to be. We desire to offer two resolutions: First. That as a Conference, we assume an assessment for the Bible cause to be placed on all the pastoral charges equal to one per cent of each pastor's salary. Second. That Rev. F. M. C. Eads be requested to write occasional articles for the Florida Christian Advocate concerning the American Bible Society and its work.

### REPORT OF THE BOARD OF MISSIONS

The reports from home and abroad indicate a widespread and growing Missionary spirit in our church. While the work in Mexico and Korea has been hindered by untoward conditions, the missionaries have held on their way and a substantial gain in membership has been reported. There has been also encouraging progress toward self support. The progress and enlarging opportunities of the work call loudly for an increase in the force of missionaries, and the urgent need for better equipment continues and grows more serious.

The mission of the church is to Christianize the world. We as Methodists should do our part in this great work. We are grateful to Almighty God for the work done and for the progress made.

Never in the history of our own Conference has there been so many opportunities and urgent demands for men and means to give the Gospel to the rapidly developing communities and towns within our own State. The call has been made on your Conference Board for the coming Conference year for nearly four thousand dollars more than the Missionary assessment on the Conference for nineteen hundred and thirteen.

Every dollar that the Conference assesses for home and foreign

missions is needed. The General Board of Missions is in great need of money to maintain their present work and to enlarge their plans, while your Conference Board is embarrassed for want of means to carry forward our Missionary work within the bounds of our own Conference.

We therefore recommend that all our pastors and members begin early in the year and work diligently to raise the Missionary assessments in full. We also ask that the presiding elders urge that these assessments be paid in the first part of the year.

We further recommend the Missionary Voice to all our pastors and people, and urge that they subscribe for and read this valuable Missionary periodical. We recommend that Rev. W. J. Carpenter be appointed as our Conference Missionary Secretary.

The Missionary assessments on our Conference for the coming Conference year are as follows:

For Foreign Missions .....	\$5,700.00
For Home and Conference Missions .....	\$13,800.00

#### By Districts

	Foreign	Home
Jacksonville .....	\$700.00	\$1700.00

#### REPORT OF SUNDAY SCHOOL BOARD

Dear Fathers and Brethren:—With thanksgiving to God for His abundant blessing upon the great department of church work we represent, we present our report.

We rejoice over the continued growth in the Sunday school of our church, realizing that growth here means corresponding increase in members and in trained workers for other departments of the church.

Our Sunday School literature is abundant in variety, suited to our needs, and is rapidly increasing in circulation. This is particularly true of the literature used by our organized classes.

We are pleased to note the large increase in the enrollment of Wesley Classes. This movement means much to the efficiency of our work.

In our Conference the Sunday School work has made gratifying

progress. More than fifty new schools have been organized during the year through the efforts of our Field Secretary and the pastors throughout our bounds. All departments of the schools have been fostered and progress made in each.

Children's Day has been more generally observed than heretofore, with corresponding increase in the revenue from this source.

We held two very successful institutes during July in the interest of our work, resulting in a large impetus to operations in the territory reached by them.

It is the purpose of the Board to hold others the coming year.

We note the gratifying increase in our Sunday School fund for Church Extension and recommend the use of the Birthday Jars furnished by the Church Extension Board.

We recommend the re-appointment of Rev. C. W. White as Field Secretary for this Board.

We ask for an assessment of \$2400.00 to be apportioned to the several districts, to be raised in the Sunday schools and known as the Sunday School Extension Fund.

We ask for the election of S. D. Harris, J. H. Bunch, C. H. Mitchell, J. W. Pennington in place of H. J. Davis, D. G. Barnett, F. Fee and Rev. C. W. White, resigned.

In compliance with resolution passed by the Conference this morning, we recommend W. F. Allen as Colporteur. We recommend S. Grady as member of the Board. Respectfully submitted,

A. W. McLAREN, For the S. S. B.

### REPORT ON EPWORTH LEAGUE

We, Epworth League Board, beg to submit the following report:

We are pleased to note much improvement in this great organization of the church. We now have 151 Leagues with 5,270 members, an increase of more than 500 members over last year. Quite a sum has been raised by the Leagues for Missions and other purposes. The State Conference at St. Augustine gave a new impetus to this work.

We would earnestly beg each pastor to give special attention to the League work in his charge.

T. W. TOMKIES, Chairman.

M. T. BELL, Secretary.

### SABBATH OBSERVANCE

In our complex civilization it is difficult to present rules for the due observance of the Holy Sabbath day. There is a sense of strictness which must be recognized and respected. There is a sense of license which must be repressed. We feel that the law governing the proper observance of this day must be honored and obeyed if our civ-

lization is to endure. God, Himself, has fixed this day in right relation to the best interests of man.

We regret to observe that a portion of our population sees fit to observe with Sabbath honors the seventh day of the week, thus lessening respect for the sanctity of the Holy Sabbath Day.

We, therefore, earnestly and affectionately advise our people to keep Holy the Sabbath day. We advise against making this day a time of social visiting and we urge them to discourage the Sunday excursion—neither going thereon themselves nor approving the custom in others.

We are sure that a sane and orderly observance of the Holy Day ministers to the best interests of men and promotes the glory of God.

Respectfully,

W. J. NEASE, Chairman.

R. L. HONIKER, Secretary.

### REPORT OF THE COMMITTEE ON TEMPERANCE

The liquor traffic in the United States of America is doomed. The cause of temperance and sobriety is already won in the public thought. Organized forces of righteousness are marching in double-quick time to a victory certain, overwhelming and enduring. A nation without the shame of the open saloon, is not a vision of achievement in the vague future, but is a reality, inviting and challenging the Church of God, today. One more great battle, one other great issue joined and after that, the death of the liquor traffic shall be written in the Constitution of the country and shall become one of the basal principles of government upon which the nation will build a new civilization, free from the curse of intoxicating liquors.

Amid the marvels of a wonderful age, none is more astounding than the progress of the prohibition cause. The sale of intoxicating liquors has been abolished in one section after another, until a large majority of the people of the country has been delivered from the curse. Whenever the question has been put to the arbitrament of the ballot, with an open field and a fair count, the cause of prohibition has unfailingly won. State Legislatures have been characterized by the laws they have enacted, to either abolish the liquor traffic or to restrain and diminish its work of destruction. The Congress of the United States has registered the popular will in the Webb-Kenyon bill; and the people have elevated to the office of Chief Executive of the Nation, a man who is an ardent foe of the legalized liquor traffic and he, in turn, has surrounded himself with a Cabinet composed of men who fear God and work righteousness. So the great cause of temperance, like a sea of light, has pushed its way over the continent, beating against one grim headland after another, rising higher and higher until it covers the nation, valleys and mountains too, like the sunshine on a summer's day. We give the praise to God, while we take the paeans of victory upon our lips.

The Church of God is in the van. But the victory has not been won by the Church alone. The great industries of the Nation demanding efficient service from employees, have thrown the organized might of factory and shop, and mill and mart against the open saloon. Science searching out causes and effects, and seeking to free humanity from burdens that oppress and practices that retard, has said that the liquor traffic entails too much cost to be borne. The medical profession, seeking to conserve health, has said that the diseased superinduced by intoxicating liquors, is consuming the vitality of the race, and that the saloon must be destroyed. The statesman, seeking to uplift his people, has recognized that the saloon is the enemy to all government, and that it is the organized center of anarchy in which all lawlessness is spawn and that everywhere, refusing to be regulated, it must be destroyed. So, following the leadership of the church, bus-

iness, science, medicine, politics have fallen in and made an invincible and irresistible army in this warfare against the saloon.

The object of all government is to preserve the public health and the public morals. We stand, in amazement, before the fact that the Nation has tolerated for so long a time, a traffic that destroys both. But the night is far spent; the day is at hand; and with the early dawn, the nation will be divorced forever, from a partnership with a traffic that lives upon the spoils of health and morals it makes among the people.

Therefore be it resolved, by the Florida Annual Conference:

First. That we respectfully petition the Congress of the United States to pass a Resolution submitting to all the people a constitutional amendment, prohibiting the manufacture, sale, transportation and importation of intoxicating liquors as a beverage, in this country; and that we further request the Representatives from the State of Florida, in both houses of Congress, to give their earnest support to such resolutions.

Second. That the State of Florida should be absolutely freed from the legalized liquor traffic, and that we do hereby pledge ourselves to promote the cause of Prohibition in the State by all laudable means soever.

Third. That we heartily endorse the Anti-Saloon League and the Women's Christian Temperance Union and register our purpose to cooperate with them in all their activities for the destruction of the liquor traffic.

WM. E. THOMPSON, Chairman.

### EPISCOPAL DECISIONS

When a minister, charged with a violation of Paragraph 143 of the Discipline, alleges in defense that the one Scriptural cause existed, can he be heard to establish his contention by any evidence other than the Court record?

He can.

1. Does Paragraph 143 of the Discipline forbid the re-marriage of a divorced minister during the life of his divorced wife in a case where the divorce was not granted for the one Scriptural cause?

2. Is such re-marriage contrary to any law of our church?

1. It does.

2. It is.

J. R. CASON.

O. A. THROWER.

### ADVOCATE PUBLISHING COMMITTEE

We note with pleasure an increase of about 1,000 in the circulation of our Advocate over last year. We are closing the year with a

circulation of 5,600, probably 400 of which are on the short term plan and 200 as exchanges, charity subscriptions, advertisers, etc., leaving us a safe circulation of 5,000 copies. If these were all renewed to 1914 we would begin the new year with a neat balance in the treasury.

We regret that, owing to the impaired health of our present editor, D. B. Sweat, he will not be able to serve longer in that capacity, and we nominate as editor to be elected by this Conference J. Edgar Wilson.

We nominate for contributing editors: L. W. Moore, I. C. Jenkins, T. J. Nixon, D. B. Sweat, W. M. Poage and W. J. Carpenter.

We urge upon our pastors the necessity for a united support in order to make a continued success of our Advocate. Less than this will not accomplish the result desired.

We recommend that the assessment of \$2,500 be continued, all money collected for new subscriptions to be credited thereon.

D. B. Sweat has been elected chairman of our committee; J. Edgar Wilson, Secretary and G. I. Davis, Treasurer.

J. EDGAR WILSON, Chairman.

D. B. SWEAT, Secretary.

### **Amendment to Advocate Report**

That the pastoral charges shall also have credit, on their Advocate fund assessment, for subscription renewals, to the extent of ten per cent. of the value of said renewals.

W. P. BUHRMAN.

### **COURT RECORDS SHOWING GROUNDS OF DIVORCE**

Whereas the preservation of the home is fundamental to the interests of the church and society; and

Whereas, the perpetuity of the home rests upon the integrity of the marriage relation;

Therefore Be it Resolved.

1. That we deplore the looseness in public opinion and in legislation which makes easy the securing of divorces through the courts.

2. We interpret Paragraph 143 of our Discipline as defining and declaring the position of our church to be against divorce except for the one Scriptural cause, and we reaffirm this position of the church.

3. It is not enough that the one Scriptural cause shall exist, but it is essential that the existence of that cause must be shown by the court records.

**COMMITTEE ON EVANGELISM**

Whereas, there is great growth of Florida in population, and whereas, these people need the Gospel according to Methodist interpretation; therefore be it

Resolved, That our presiding bishop appoint a committee on Evangelism of one member from each district that shall plan for a Conference-wide revival.

1st. By appointing days of fasting and prayer, by all the church.

2nd. By arranging a co-operative plan for the pastors to be used by them as far as possible.

3rd. By keeping this matter always before our people, by letters, circulars, and by the Advocate, or otherwise.

**FORMER RESOLUTION RESCINDED**

Whereas, the conditions giving rise to the former action of this Conference relative to its attitude toward the International S. S. Association in Florida have now passed away; therefore be it

Resolved, That the resolution passed by this Conference two years ago, relating to this Association, be, and same is hereby rescinded.

prevented from attending this session of the Conference, therefore be it

Resolved, That the Florida Conference hereby extend to Bro. ### ON COLPORTAGE

Whereas our Conference colporteur did a most excellent business last year selling a large quantity of the products of the Publishing House and thus contributing to the dissemination of good literature within our Conference territory, therefore be it

### REPORT NUMBER TWO—COLLEGE TRUSTEES

Whereas our Secretary and Agent in preparing our report could not afford to say anything commendatory of his own work as Agent;

Therefore, We the members of the Board of Trustees hereby express our hearty commendation of his labors. With a consuming zeal

### REPORT OF THE CONFERENCE BOARD OF CHURCH EXTENSION

For information regarding the work of our general board of Church Exentesion, we refer the Conference to the admirable Handbook published by that Board, which has been mailed to every pastor, and which gives a most complete account of this work.

Your Conference Board has had before it this year twelve applications for aid, ten from churches, two from parsonages, asking for donations amounting to \$2,675.00, and loans aggregating \$1650.00.

We have found it possible to make the following appropriations:

Churches	Donations	Loans
<b>Live Oak District:—</b>		
Newberry .....	\$200.00	\$300.00
Wesley Chapel .....	75.00	.....
<b>Ocala District:—</b>		
San Antonio .....	200.00	200.00

<b>Bartow District:—</b>

<b>Tampa District:—</b>		
Wimauma .....	200.00	.....
Terra Ceia .....	100.00	400.00

<b>Miami District:—</b>

	\$1875.00	\$1650.00
<b>Parsonages</b>		
<b>Live Oak District:—</b>		
Cedar Key .....	\$150.00	\$300.00
<b>Miami District:—</b>		
Fort Lauderdale .....	100.00	100.00
	<hr/>	<hr/>
	\$250.00	\$400.00

We regret to learn that our Conference paid in 1912 but seventy per cent. on its assessment for Church Extension as against seventy-seven per cent. on an assessment of the same amount the year before. In view of the urgent and increasing needs of our State in this direction, your Board insists that every effort ought to be made to pay this assessment in full.

The General Board informs us that our Conference Loan Fund now has a capital of \$2,671.55, to which will be added the amount of this year's collection \$534.00. The amount available from this source alone made possible the unprecedented appropriation of the present year.

The assessment for the coming year from the General Board is \$5,693.00. The assessment for the J. C. Ley Loan Fund remains at the established figure of \$100.00 for each Presiding Elder's District. These assessments are combined in the apportionment and the receipts will be divided pro rata. The apportionments to the several Districts are as follows:

District	Assessment
Bartow District .....	\$957.00
Gainesville District .....	679.00

Jacksonville District .....	795.00
Miami District .....	666.00
Ocala District .....	815.00
Palatka District .....	808.00
Tallahassee District .....	821.00
Tampa District .....	952.00
<b>Total .....</b>	<b>\$6493.00</b>

Again we urge the brethren to encourage their people when asking aid, to ask for loans instead of donations, wherever it is possible to meet the needs of the Church involved by so doing. Loans made return again to the Treasury of the Board and become a means of perpetual help. While donations, once expended, afford no further help.

Our Executive Committee will meet not long after the first of March to consider applications to the General Board for aid. All such applications should be in the hands of the Secretary of this Board not later than March 1st. Blanks for making such applications can be obtained of the Secretary at any time free of cost.

We recommend the appointment of Rev. H. Dutill as Conference Secretary of Church Extension, as provided for in the Discipline.

Respectfully submitted,

J. B. MITCHELL, President.

J. EDGAR WILSON, Secretary.

To the Bishop and Members of the Florida Annual Conference:

Dear Brethren:—Your Committee on Laymen's Missionary movement, beg leave to submit the following report:—

### REPORT ON DISCREPANCIES

To the Florida Conference, M. E. Church, South:—

At your session held in Tampa, Florida, December 18th, 1912, you appointed the undersigned as a committee "To report at the next session of Conference on discrepancies between the secretary's report and that of the statistical secretary."

If some plan could be inaugurated whereby an examination and comparison of these parallel reports might be made by a committee charged with authority to correct discrepancies, in advance of publication of the reports, the beneficial result would be plainly apparent.

What practical benefit, however, if any, may be hoped for from having your Committee point out inaccuracies in statistical tables which have become permanent records is not apparent to the mind of your Committee.

Furthermore, your Committee feel hardly justified in burdening your records and adding costs to, by increasing the bulk of your Minutes with voluminous details of bygone errors which, at best, have no corrective value, and where no malfeasance exists to justify the report as a foundation for recovery.

Obedient to your mandate, we illustrate the class of errors which occur to the extent named below:

#### Jacksonville District

In table 3, of the Minutes, Church Extension column amounts reported from pastoral charges, if correctly added would be.....\$558.60  
The column footing intended to show the aggregate seems to

indicate the amount to be .....	531.60
Error in addition is .....	27.00

Published Minutes indicate a return from Estelle Street Church, for Church Extension, \$25.00. While treasurer's books show \$8.82.

Published Minutes do not show anything for Educational Fund, while Treasurer's account shows that he received \$25.00 for that cause.

Published Minutes show a payment by Riverside, of \$65.00 for Church Extension, while the treasurer's books show the payment to have been \$80. Under the item of Education these amounts are exactly reversed, seeming to indicate that the same were incorrectly reported to the Statistical Secretary.

The aggregate difference between the Treasurer's report and the report of the Statistical Secretary, is \$1050.73. One error in the addition on the aggregate for Church Extension payments in the Tampa district, amounts to \$1007.50. The collections reported, if correctly

added, would be \$815.50, while the published footing of the column in table 3, seems to show it to be \$1823.00. Error, \$1007.50.

We have tabulated the aggregate differences as is below shown:

**Jacksonville District:—**

Name of Charge	Treas. Books Show	Min. Show
South Jacksonville .....	\$ 7.75	\$11.75
Fernandina .....	27.85	33.35
Estelle Street, Jacksonville .....	8.82	25.00
Riverside .....	80.00	65.00
Parker Street .....	3.00	5.00
Kingston .....	5.00	5.50
	<hr/>	<hr/>
	\$131.42	\$145.60

Total difference, \$14.18.

Note:—The minutes for this district are incorrectly added up showing \$531.60; should be \$558.60. Treasurers books for this district total up \$544.42. Difference as above, \$14.18.

**Bartow District:—**

Fort Meade .....	\$52.12	\$57.00
Pearce .....		1.00
	<hr/>	<hr/>
	\$52.12	\$58.00

Total difference, \$5.88.

**Ocala District:—**

Crystal River .....	9.20	.....
Melrose Circuit .....		10.00
	<hr/>	<hr/>
	\$31.85	\$69.65

Total difference, \$37.80.

Note:—Melrose Circuit is also reported in Live Oak District.

**Tampa District:—**

Note:—The items for each charge agree exactly with the Treasurer's books, but the minutes are incorrectly added. The correct total for Tampa District is: \$815.50, while the minutes show a total of \$1823; difference, \$1007.50.

Aggregate difference as above, \$1065.36.

**Miami District:—**

Sparks Chapel .....	\$35.00	\$30.00
Balance in favor of district, \$5.00.		

## Tallahassee District:—

Fenholloway .....		\$3.00
Carrabelle .....	15.68	6.25
Difference in favor of District, \$6.43.		

## Live Oak District:—

McClenny .....	\$4.20	.....
Jennings .....	8.00	9.00
Difference in favor of District, \$3.20.		

Total in favor of the three districts as shown above, \$14.63.

Total differences against the four Districts as shown on Sheet

No. 1, \$1065.36.

Less the amount in favor of the three Districts as shown on Sheet

No. 2, \$14.63.

Total difference, \$1050.73.

Total amounts for each District as shown by the minutes and the

Treasurers books:

	Treas. Books	Correct Amt.	Difference
Jacksonville Dist. ....	\$544.42	\$558.60	\$ 14.18
Bartow Dist. ....	831.12	837.00	5.88
Ocala Dist. ....	704.65	742.45	37.80
Tampa Dist. ....	815.50	1823.00	1007.50
Miami Dist. ....	591.48	586.48	\$5.00
Tallahassee Dist. ....	462.68	456.25	6.43
Live Oak Dist. ....	451.57	448.37	3.20
Totals .....	\$4401.42	\$5452.15	\$14.63
Less .....	4401.42		14.63
Correct difference .....	\$1050.73		\$1050.73

The difference between the Treasurer's books and the Annual Conference Minutes is, \$1050.73. This is embraced in the table above which seeks to set forth errors in addition, as well as errors in reporting to the Statistical Secretary, both for and against the districts.

In the Ocala District, Williston charge, published minutes show for church extension \$51.00 while the Treasurer's books show \$15.00. Yet the Treasurer's books shows a credit for \$51.00, on account of Domestic Missions funds, not shown by the published minutes, probably indicating another incorrect report to the Statistical Secretary.

Respectfully submitted,

CHARLES W. WHITE.

R. H. JOHNSON.

F. PASCO.

Committee.

## MEMOIRS—DR. ANDERSON

Doctor Josephus Anderson was born in Hanover County, Virginia,

October 7th, 1829, died in Leesburg, Florida, August 11th, 1913.

Thus briefly is recorded the span of life, born, died, with a significant blank between. However, the record of Doctor Anderson's life is not thus indicated, for between those dates there lies a biography of a high life and noble service.

In January, 1848, he was licensed to preach, and in the same year joined the Virginia Conference and became, according to the custom in those days, Junior Preacher on Lancaster Circuit. Then followed his itinerant career of so many years serving Hampton, Farmville and Richmond, being transferred to the Florida Conference in 1854, and stationed at Tallahassee. Other appointments in our Conference were Quincy, Presiding Elder of the Tallahassee District, a supernumerary relation at Monticello, 1860.

Left effective the following year he served Monticello, Thomasville, and Jacksonville, Leon Circuit, and other charges in Middle Florida. In 1875 he was transferred to the White River Conference and was in 1886 transferred again to the Florida Conference, serving that year at Orlando. In 1887 he was appointed Editor of the Florida Christian Advocate, remaining editor and publisher for fourteen years. In 1912 resigning the editorship, he took a superannuated relation, worn with toil and the burdens of years, to spend the evening tide of life like Abraham, looking for that city, whose builder is God, while the Kingdom of God was forming itself gloriously within his soul.

Doctor Anderson was married December 11th, 1851, to Miss Virginia L. Venable. They together walked the path of a united life and she was taken home to God, July 4th, 1904.

From this time Doctor Anderson was a lonely old man, and yet not alone, for God was always consciously with him. This God Consciousness, the witness of the Spirit, the assurance of Sonship, the sweet privilege of a Spirit-born son of God and marks of a divine parentage, was, all in one, the measure of his attainment in Grace; in nature much like the loving John, he was spiritually minded. The one supreme purpose and dominant passion of his life, being to "Know Him," and to enter into the "Fellowship of his sufferings," and thus as an imitator of Christ, to perfect for himself a character so like that of his ascended Lord, that it would admit him to the citizenship of heaven.

His spiritual perceptions were clear; he saw the supreme value Christ placed on the affections, and gave his love, saw that mighty works were wrought by men whose hearts God had touched, rather than their intellects; that divine recognition was based on conditions of the soul and not mighty works. That the meek, the pure in heart, were the blessed ones of God; that what a man does is little, what he is, all important.

Doctor Anderson was a scholarly man, a life long student and able expositor of the Doctrines of our church and a defender of the faith.

He wrote much and well, his pen reaching where his voice could not go to spread Scriptural holiness over these lands.

Our young men had in him a wise counsellor and firm friend. The children loved him, because he loved and always noticed them. No man has left more friends to sorrow; no man in our State has left greater influence for good. His name will not perish, his works do follow him, and he being dead, yet speaketh. God will establish the works of his hands, while in heaven the beauty of the Lord shines upon him.

Made perfect through sufferings, should be his epithet, for he was not "Carried to the skies on flowery beds of ease," but learned obedience by the things which he suffered, and being made perfect, God gently said "It is enough, enter thou into the joy of thy Lord."

### JOINED THE IMMORTALS

Mrs. Nannie Alderman Mitchell was born in Georgia, November the 1st, 1849, and moved with her parents to Hillsborough County, Florida, when a small child. She entered into rest in the spring of this year 1913, from her home at Green Springs, Florida, and her body sleeps beside those of her husband and son awaiting the resurrection of the just.

She became the happy bride of Rev. George W. Mitchell, of the Florida Conference, M. E. Church, South, in Tampa, Florida, in the year of 1866. Her husband, whose memory is still fragrant among us, preceded her to the mansions of the blessed about eighteen months.

Sister Mitchell gave her heart to Christ and her life to the church in the morning of life, while the dews of youth were fresh upon her cheeks and her future was bright with the promise of a long life. She felt that there was nothing too good for her Saviour, and therefore, withheld nothing from him.

A little later in the bloom of young womanhood, the war having just ended leaving our southland in waste and ruin, when she was invited to take her place beside a manly young Methodist preacher with all the hard conditions of our itineracy in Florida, forty-nine years ago. She consulted not with flesh and blood, but unhesitatingly she laid her young life on the altar of consecration as a living sacrifice.

Too great honor cannot be bestowed on her and the princely women of the Heavenly Kingdom composing her class, whose heroism and self denial made possible the achievements of our ministry.

It can be truthfully recorded that in all the relations of life, as daughter, wife and mother, she was faithful. She was a saintly woman.

She knew what it was to bear the burdens of others, to weep with those who weep, and rejoice with those who rejoice.

Up to her last illness she did what she could in her humble sphere in the interest of the kingdom of God in teaching a class of small girls in the little Sunday school at Green Springs.

There remain to revere her memory and follow her beautiful ex-

ample, a devoted daughter, Mrs. Bert. L. McMullen, of Bayview, Fla., and Thos. J. Mitchell, a loving son of Kansas City, Mo. I have no doubt that her life made a substantial contribution to the advancement of the cause of Christ and has added to the enriching of the Kingdom of Heaven.

#### MRS. NORTON

Mrs. S. E. Norton (nee Cassidy) was born in 1844 at Lawrenceville, Ala., and passed to her home on high, Friday night, October 11th, 1913.

When a child of nine years she joined the church, and at sixteen she was genuinely converted. In 1865 she was married to Rev. W. F. Norton, then of the Alabama Conference. In 1876 they came to the Florida Conference, and were appointed to the Gadsen Circuit, living at Mt. Pleasant. Sister Norton was a genuine Christian, measured by any rule. She had a living experience of salvation. As she would put it herself, she was "Born of the Spirit." Religion was not a matter of "hope" only, but she knew that she was accepted of God. And so she lived daily. She so impressed her children with her Godly life, that she was able to lead each one to accept Christ and to so live as to meet divine approval. Not one of her children is unsaved. All six are now faithful to Christ and the Church. Two, Clarence and Marvin, being honored members of our Conference and successful soul winners.

Sister Norton was firm in her character, taking a stand, which she always did when right and wrong were involved, she held her position, regardless of opposition. So that in the administration of affairs in bringing up her family, they had a firm, but religious government. And this may in a large degree account for the religious body of boys and girls that she has left behind to bless the world.

As a preacher's wife she was a model. Her husband had in her a true helpmeet. Whether he was serving a mission, or district, she put him in his work ahead of other things. She would leave everything, no matter how insistent the call for her time, and go to him, and give her assistance to him, when she could be of service. There is little wonder that he was a good preacher, and a successful leader of the cause. Had he not had natively the elements of success in himself, she would have supplied them. In the church activities, as a member of it, she was as true as at the other points before mentioned.

It was true of her that she made the Bible the man of her counsel. It was her plan to go through it annually. Daily she studied it. In it now are seen the marks made by her as she progressed along its chapters and pages, studying its truths and learning its precepts. Hers might be termed "the open Bible," for such it was.

Much could be said of the touching devotion of the children and children-in-law to the old saint of God. And if it were possible to be more so at one time than another, which is hardly possible, yet they were so tender and kind as she neared the gates and passed out from

this world, and took her last flight to her eternal home, in the city of God, where she shall be appointed to her parsonage, never more to pack up and move.

## REPORT OF BOARD OF TRUSTEES OF FLORIDA METHODIST ORPHANAGE.

Dear Brethren: Our orphanage has had a year of prosperity and increased privilege in serving humanity. We are grateful for God's blessings and favors upon this work. The average number of children kept in the home during the year has been nearly seventy, thirty-two having been admitted and three having left this year.

We wish to emphasize the fact that our orphanage is a home in the strict sense of the word, that we have the continual care, the training, feeding and clothing of these children. They do not simply pass through our hands, remaining a few days at a time, as in a clearing house. Though we do have some applications for children to adopt, that particular kind of work is so thoroughly done and widely advertised by another organization, that we do not have much business of this character. This fact should bring a more liberal support to our home, especially in view of the fact that so large an interdenominational support is given to this other organization.

A very large per cent. of our children are dependent half orphans. Some are half orphans whose surviving parent can not make a home and give care to them, but can pay a small amount for such privileges—for such we are making a real home. The income from this source has been less than \$900 this year. We mention this because some exaggerated and false reports have been scattered over the state to the effect that we are conducting a boarding home and do not need the support by the

church. According to our constitution and bylaws, and because of the real need for such work in behalf of many children who otherwise would have no home and would be neglected and left to become delinquent, we feel that we should continue this form of work, even at the risk of misrepresentation. However, we most earnestly request the aid of our pastors in securing accurate information concerning any applicants from their charges. For this purpose blanks will henceforth be sent to pastors, which they are asked to fill out after a careful personal investigation. We must rely on the brethren to save us from imposition. We desire as far as our resources permit to minister to all such as really need our intended services.

#### **Location.**

Early in the year that great friend of the fatherless and motherless children and of our orphanage, Brother C. Brinkley of Jacksonville, offered to the board of trustees a fine tract of land of about thirty-six acres, worth from \$15,000 to \$20,000, very advantageously located for our work near the city of Jacksonville, for the the orphanage. This magnificent offer was accepted by the board after it had in a body visited the tract and carefully studied the situations and conditions. The offer is made on the very reasonable condition that the conference raise in cash and bona fide subscriptions \$10,000 by the 15th of December, 1915; all subscriptions to be secured by regular promissory notes and to be acceptable to Brother Brinkley.

#### **Building Fund.**

The board of trustees wishes the acceptance and endorsement by the conference of a method it has planned for the raising of this fund, to-wit: Organize the social service of every congregation in each district to secure pledges and cash, and to enlist the co-operation and support of our entire membership. For this purpose a preacher and a layman in in each presiding elder's district has been selected to visit the various charges to start such movement as well as to secure contributions for the fund; said committee to serve without pay, only traveling expenses to be allowed by the board. As the chief organizer of this work, as a field agent, the board has gratefully accepted the tender of services, without pay, of Brother Thomas Griffith. We ask the conference to endorse the field agent and give permission for him to travel over the state and to solicit in our various charges.

This offer and plan seem to put us at the beginning of a realization of our hopes and aims to make our orphanage not only a home but also to equip our boys and girls by manual, domestic, and agricultural training to go out into the world to be producers and good citizens of the commonwealth.

#### **Income and Expenditures.**

While it appears that the assessment has succeeded in increasing our income, having realized about 85 per cent, which is considerably

more than last year's income, there has been a detrimental feature in the plan. Very many pastors have waited until the end of the year to make remittance, so that during a large part of the year we have been compelled to strain our credit, and to borrow money for the current expenses. Just half of the total income for 1914 has been paid since Dec. 1. This hurts our credit and embarrasses our workers. Such negligence as this is almost inexcusable in view of the fact that the fifth Sunday offerings are used in paying the assessment. We most respectfully urge that all money raised for the orphanage be sent at once to the treasurer. All our accounts are payable monthly.

While our income has been increased about 25 per cent the number of inmates of the home has been increased nearly 50 per cent, consequently, though we have run on a more economical management than ever before, we will just about break even. See the treasurer's report for the figures.

### Health.

The general health of our children has been good, no serious illness occurring except an epidemic of diphtheria early in the year. During this epidemic the home was quarantined and we had to have additional trained nurse and physicians daily. We are grateful to record that no death occurred and we came safely through the siege, thanks to the efficient nursing and management by the new superintendent and matron, who had just taken charge.

### Religious Life.

Twenty-four children are members of our church. All of them are in Sunday school and attend religious services each morning. Twenty-seven of the children are members of the Epworth League. Great good was accomplished among the children in a revival in the first part of the year. Brother Bartlett, the pastor of the charge, has been faithful in his ministry to the children with the other members of the church at Enterprise.

### Superintendent and Matron.

We count ourselves fortunate in securing Mr. and Mrs. H. B. Leach for superintendent and matron, respectively. They are rendering splendid service and have greatly increased the efficiency of the home. Both have had good training in actual orphanage work, both have experience and theoretical qualification, and their hearts seem to be in their work. Mrs. Leach's training as a nurse makes her peculiarly valuable in the home. Every one of the children loves the superintendent and matron.

### REPORT OF BOARD OF EDUCATION.

Papers have been placed in our hands concerning the condition and varied activities of our church schools.

Among the notable events of the conference year has been the practical passing of Vanderbilt University from the patronage and control of the church, and the inauguration of two new university enterprises, one in the western and another in the eastern territory of that section of the United States under the direction of Southern Methodism.

Concerning these institutions we quote from the report of our Southern educational commission in its paper recently issued to the church at large:

"For the university west of the Mississippi river the Southern Methodist University at Dallas, Texas, has been adopted, provided its board of trustees and the annual conferences controlling it meet the conditions prescribed by the general conference for the ownership and control of the institution. This we are assured will be done, and the university for the region west of the Mississippi will be opened in September, 1915.

"The commission is glad to be able to report to the church the auspicious founding of a great university for the territory east of the Mississippi river.

"Atlanta has been selected as the location for it. A gift of \$1,000,000 from one member of the commission, and \$25,000 from another member, and a subscription of \$500,000 from Atlanta assured by the Chamber of Commerce of the city, all aggregating \$1,525,000, were made on the day the location was fixed. On the day following smaller subscriptions were made by members of our church, not residing in Atlanta, which amounted to \$3,000. In addition to these gifts the use of the Wesley Memorial Hospital, an institution worth \$200,000, is given for the school of medicine, and the Wesley Memorial building for the school of theology. The latter property is worth \$300,000."

Thus it will be seen, contrary to all rules of the mathematician, nothing minus one equals two.

The awakening along higher educational lines is making itself felt, until no longer is it possible for the church to conduct her educational work as a sort of side issue and in a haphazard fashion. Education must be given a place in the very center of her progress.

In its legislative policy, the last general conference set a new pace for the conduct of conference boards of education. Note the following:

1. It is made the duty of "each annual conference board of education to nominate for appointment by the president of the conference a secretary of education."

2. It is made the duty of the conference board of education "to co-operate with the general conference board of education in securing educational statistics and information from the schools under its care and in classifying its schools."

3. The board of education is requested to give careful study to the problem involved in the presence of a large number of Methodist students in state institutions; that said board, in co-operation with the conference boards of education, assist the local churches in the important matter of the religious development of their students and in holding them to Christ and the church."

The truth of the old saying, "It's an ill wind that blows no good to any one," was no more fully exemplified than in the unfortunate Vanderbilt matter, since in the future "the boards of trustees, which are charged with the oversight and management of all our schools and colleges, will see to it that all our institutions are firmly fixed in the ownership and control of the church, and that their religious character is in keeping with the pious motives which impelled consecrated men and women to make gifts by which they were established."

We may only refer to the work of the department of ministerial training and help. Here again the church has taken advanced ground, and under provisions adopted by the last general conference "it is made the duty of pastors to report the names and addresses of any such candidates to the quarterly conference for permanent record, and the duty of the presiding elders in turn to report all such names and addresses.

together with the names and addresses of all who have been licensed to preach during the year, to the department of ministerial supply and training. In this way individual attention can be given to every young man looking to the ministry, and he can be furnished such inspiration and direction as may be needed. We ask special attention to these provisions and urge the importance of their proper observance.

"The general conference also heartily indorsed our ministerial educational loan fund for the assistance of young men preparing for the ministry in the schools and colleges of the church and instructed the board of education out of its funds to make such appropriations to the loan fund as might be possible."

Wesleyan College for Women at Macon, and Emory College at Oxford, deserve more emphasis and consideration than the scope of this paper permits. It is noted with pleasure that these great institutions have maintained their enviable record, and added new evidences of virility with the passing year, matriculations having been gratifyingly large.

Referring briefly to our own conference school, Southern College, we wish to report that in spite of the handicap of meager resources, the school is making a worthy name for itself, and under the inspiration of a new administration and greatly improved physical conditions, has promise of moral and material support which prophesys well for its future.

With the end in view of furnishing material aid to meet a present crisis the board requests the conference to authorize:

1. An increase of \$1,910 on our regular conference educational assessment, making the assessment for 1915 \$7,500.
2. The placing of an educational special of \$1,000 on each district to be raised by the presiding elders, they being given the privilege of adopting any plan which may most surely promise success.
3. We recommend to Bishop Morrison the appointment of Rev. George F. Scott to be conference secretary of education.
4. We recommend W. O. Rencher for appointment as instructor in Madison Normal Institute.
5. We recommend the appointment of Rev. R. H. Alderman as president of Southern College.

**REPORT OF ADVOCATE PUBLISHING COMMITTEE.**

Dear Brethren: Finding that the Advocate was carrying a large number of delinquent subscribers who seemed to regard their obligations to the paper with indifference, an effort was inaugurated this year by our editor to weed out those who would not pay, and to put the paper on a cash basis. In this effort the circulation of the paper has been cut down to 3,500; not more than 500 of whom, probably are in arrears, and practically none of whom owe for more than a year. If the conference receipts are what we have reason to expect we shall close the year out of debt.

We wish to record our hearty appreciation of the co-operation extended by a number of our pastors, at the same time expressing our regret that this co-operation is not more general. If the entire body of our preachers would heartily act as our agents for their conference organ to the same extent as some have done, we would have no trouble in pushing our circulation far beyond what it has ever been, to the infinite advantage of every phase of our work and of every interest of the conference.

We recommend that a board of trustees be elected for the Florida Christian Advocate, to hold such property as the paper may now have or may acquire; that said trustees be nine in number; that they be elected quadrennially, as other boards, on nomination of the presiding elders, and that said board shall conduct the business of the paper instead of the publishing committee heretofore doing so; that the trustees be given full authority to publish the paper according to their best judgment, as to style, size, frequency of issue, etc., make all contracts, employ needed labor, and do all things necessary to carrying on the business.

As there has been some talk concerning the consolidation of our Advocate with the Wesleyan Christian Advocate, your committee deemed it wise to secure all the facts in the case that the matter might be given thorough consideration. To this end we solicited a proposition from the Wesleyan Advocate. We gave this tentative proposition careful consideration and the unanimous decision of our committee is that such consolidation would not be wise and we decline to enter into such agreement as proposed.

We desire to express our hearty appreciation of the faithful labors of our editor, J. E. Wilson, and respectfully recommend him for reelection to that position and appointment by the bishop.

We recommend that January of each year be designated as Advocate month and that the last preaching Sunday in January at each appointment be especially designated as Advocate Sunday, and that during this time a vigorous campaign be conducted for the purpose of putting the Advocate into all our homes and that an effort be made to pay the Advocate assessment during this period. An effort of this sort will count tremendously in the support and development of the work during the year.

We further recommend that an assessment of \$2,000 be levied upon

the conference, this assessment to be paid as heretofore in new subscriptions, 10 per cent on renewals or in cash.

In conclusion, we recommend that this conference pledge itself anew to our Advocate, which is an indispensable agent for spreading information regarding the work of God, for inspiring intelligent interest and enthusiasm among our people for the church and its many activities, and for promoting those reforms and religious movements for which the church stands, as well as for combatting heresies and other evils that threaten the wellbeing of our church and its people.

The Advocate is of fundamental importance. If it prospers, every interest of the church is helped thereby; if the Advocate suffers, every other interest suffers with it.

Let us put it into the homes of all our people and educate them to appreciate and be loyal to it. We can do it if we will. Both our interest and our honor demand that we do it and that speedily. No man among us has vision enough to prophesy the blessed results that will follow.

D. B. Sweat, Chairman.

J. E. Wilson, Secretary.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The printed page, as well as the living voice, is an essential factor in the building of the kingdom of our Lord. The word that is preached must be from the Book of books, and this Book must be the daily source of information and inspiration to the child of the kingdom. So the great doctrines of the Word as held and taught by our Methodism from its pulpits and in its schools, must be kept before the mind and find a lodgment in the heart of our preachers and people, through our books and periodicals. No one can be a well informed and well prepared Methodist without the use and study of this source of supply and medium of training. One can not be in full sympathy with a great cause without keeping informed as to its movement. Hence every Methodist family should have the church paper and read it; and in our homes there should be brought and used the books that establish us in the "faith of our fathers," enlarge our spiritual vision and feed our souls with "convenient food."

The man who wishes to be thoroughly prepared, be he preacher or layman, should avail himself also of the aid furnished in the reviews and books from men of thought and vision. It is also true that, as the handful of corn scattered on the mountain multiplies and produces a hundred fold, so the booklet and tract, cheap in price but often rich in thought and truth, furnish seed corn for abundant future harvests.

Our publishing house at Nashville, with its large and varied list of good books, is an exhaustless storehouse of food for brain and soul, and under the present efficient management of Smith & Lamar, is proving a great blessing to the church. The Christian Advocate edited by Dr. Ivey is sound in theology, loyal in policy, rich in spiritual manna and interesting in its varied contents and deserves a large patronage from the whole church.

Our own Florida Christian Advocate is a potent and essential factor in our work in Florida under the efficient editorial management of Rev. J. Edgar Wilson, backed by an interested and faithful publishing committee, deserves the approval and practical support of every Methodist family in Florida and should be in every home.

The Quarterly Review by Dr. Gross Alexander provides for the preacher and laymen desiring and needing fuller and better equipment for their work, a splendid help.

These we believe to be statements of fact, and we annually "resolve" about them; but they are worth nothing to us unless the pastors mainly and the people generally put them into operation. Let us purpose what we "resolve" by vote and work for practical results.

Therefore be it resolved.

First—That we pledge ourselves to a thorough canvass of our charges early in the year for subscribers to the Florida Christian Advocate; and that we bring to the attention of our people the merits of the Christian Advocate (at Nashville), urging them to subscribe for it where two papers can be taken.

Second—That as far as possible we will avail ourselves of the valuable aid of the Quarterly Review.

Third—That we try to induce our people to buy and read our Discipline, and other good Methodist books; and endeavor to place at least one good book in every family every year. Also that we make use of the large supply of booklets and tracts issued by our publishing house by a systematic and persistent distribution of them.

Edward K. Denton, Chairman.

H. E. Partridge, Secretary.

### REPORT OF BOARD ON LAY ACTIVITIES.

To the Bishop and Members of the Conference:

Dear Brethren: In accordance with the requirements, under legislation enacted by the last general conference, your conference lay leader begs leave to report as follows:

I am pleased to report that the district lay leaders desire to work in connection and in harmony with their respective districts, giving assistance wherever they can to the best interests of the conference.

From the best information to be obtained, less than 50 per cent of the churches have active missionary committees. Less than this number have made an every-member canvass and use the duplex or any form of envelopes for raising the claims.

It is very gratifying to report that wherever the church lay committees have been properly organized and the every-member canvass made and the duplex envelope system used, it has proven to be successful and in many cases the success was beyond expectation of those who put it into effect. The most gratifying results have been achieved from the every-member canvass, as it not only looks after the financial end of the church, but also brings the officers into direct contact with the entire church membership, getting a true report of the spiritual welfare and

condition of each member, which enables the pastor to more effectively do his pastoral work, know his congregation, their needs, and where his attention is most needed.

Where the financial plan for Methodists has been put into effect in a majority of cases we have only praise for its successful working. First, it nearly always raises the needed funds; second, it gives the laymen of the church something to do, brings them into contact with the church and develops them as church workers; but the greatest benefit received therefrom is the spiritual uplift—giving them a new vision and new knowledge of the work of our Lord. Therefore, we earnestly request that every minister in the Florida conference take into his confidence the laymen of his church or charge and encourage them to assist him in the uplift and upbuild of the church, it being the desire of this board on lay activities, during the coming year, to thoroughly organize the laymen in church work throughout the entire conference.

A. W. McLaren of Wellborn, Florida, has been duly nominated conference lay leader for the ensuing year and the following is a list of the district lay leaders as elected at the last sessions of the district conferences:

Name of district.	Lay Leader	P. O. Address
Jacksonville	E. A. Pabor	So. Jacksonville, Fla.
Tallahassee	J. H. Perkins	Monticello, Fla.
Gainesville	F. B. Godfrey	Alachua, Fla.
Tampa	R. H. Johnson	Bradentown, Fla.
Ocala	J. C. Carter	Dade City, Fla.
Miami	J. B. McDonald	Stuart, Fla.
Bartow	C. H. Mitchell	Arcadia, Fla.
Palatka	A. R. Chapell	Sanford, Fla.

We ask the prayers and co-operation of every member of this conference that we may have the light and wisdom necessary to carry on this work. Respectfully submitted.

A. W. McLaren, Conference Lay Leader.

## ANNUAL REPORT OF TRUSTEES OF ANASTASIA METHODIST ASSEMBLY.

Dear Brethren: It is a pleasure to be able to report that our conference assembly has been started on a higher plane materially than any one of the other eight like institutions of our church except one, and it compares very favorably with that one.

The unanimous comment of visitors is that success is already assured by our unusually fine location, superb beach, good bathing, first class hotel, artesian water, electric lights and transportation.

The hotel is of Spanish design, has forty bed rooms, a magnificent court and large verandas. Two thousand five hundred dollars will finish it and an additional three thousand will be required for furniture.

Six cottages have been built by lot owners at a total cost of \$12,500. Our total indebtedness is \$8,250.11. Our assets in notes, amounts due on contracts and balance of a \$10,000 subscription of the St. Augustine

Board of Trade, aggregates \$9,192.84. Our receipts for the conference year have been \$11,502. Disbursements have been \$11,293.14.

Deed has just been executed to us, through the St. Augustine Board of Trade, for an additional fifty-eight acres of land. This completes the land obligation of that body to us. We call special attention to the tabulated report on lots.

We recommend the re-appointment of Rev. W. G. Fletcher as assembly agent.

Ira S. Patterson, President.

W. G. Fletcher, for the Trustees.

### REPORT OF EPWORTH LEAGUE.

It is with great pleasure that we report the work of the Epworth League during the year. It has been in every way a year of progress. We have made a gain of 600 members and forty new leagues. The state organization held a conference in St. Petersburg in June which had more than two hundred delegates in attendance. The sessions were enthusiastic and inspiring. Four hundred subscriptions were pledged by the state conference to the Florida Christian Advocate; these have been largely secured, about 75 per cent being paid for up to date. For the African missionary special \$1,100 was pledged, the largest contribution made by any single annual conference of the Epworth League. The state conference also pledged a scholarship of \$200 for Southern College. President Alderman was asked to select the scholarship student; Rev. O. E. Rice was selected.

We occupy one page each week in the Florida Christian Advocate; Mrs. M. B. Little is the editor of this department. We desire to thank the Advocate editor and board for this generous contribution to our work.

We confidently expect the Epworth League to become a larger factor still in the life of our conference. Four district conferences have been held this year; two others are being planned.

We implore the more diligent assistance of the pastors. We note, however, a lamentable carelessness on the part of many.

Committee.

### ANNUAL REPORT OF BOARD OF TRUSTEES OF SOUTHERN COLLEGE.

Bishop and Brethren: The board of trustees begs leave to submit the following as its annual report:

First—Disposition of college lands:

On Dec. 1, 1913, there were due two notes by the college, one to the Exchange National Bank in the sum of \$12,000, and one to the Bank of Clearwater in the sum of \$6,500.

To meet these notes and sundry other outstanding obligations the board of trustees was compelled to ask the Florida conference to allow it to sell such college lands as could be spared from college purposes. This land was sold to the Sutherland Development Company under a resolution of this body authorizing such sale, a record of which will

be found in 1913 Year Book, page 40, signed by J. A. Hendry and L. N. Pipkin, the price agreed upon being \$38,500, of which \$18,500 was paid in cash and the college taking \$20,000 in the stock of the company. The cash realized was used to pay the two notes above mentioned.

**Second—Improvements to buildings and furniture:**

At the conclusion of the school year 1913-14 the board took a careful survey of the college properties to find them in sad need of immediate repairs and improvement. It determined upon a policy of expenditure which it felt would be adequate to put the properties in such condition as to command patronage. President Alderman was by former resolution authorized to proceed with said repairs up to an amount not to exceed \$4,000. Soon after the work had been undertaken, however, it was seen that such a sum would be entirely inadequate to accomplish the end sought, and under advice of the president of the board and other members of the executive committee, \$12,355 were expended. The nature and extent of these improvements are such as to put the institution in rank with the best of our Southern colleges and command the highest praise of appreciative patrons. It is not the design nor is it within the scope of this paper to go into details of the work accomplished. This will be outlined to you by our president.

**Three—Present condition of the school:**

(a) Faculty—The present faculty consists of twenty professors and assistants, all competent, acceptable and efficient instructors, and among whom the utmost harmony prevails.

(b) Attendance—Attendance as the fall term is very gratifying under present conditions, while the outlook for a much larger matriculation at the opening of the spring term is exceptionally good. Present enrollment is 136. The personnel of the student body is equally gratifying.

(c) General Interest—That there is an awakening interest and concern in behalf of the school is very manifest even to the casual observer. This is well and it is none too soon in coming if this important branch of the church is to succeed.

(d) Finances—The board begs leave to state that the school now owes in round figures, as per schedule below, something over \$20,000. Some of this must be raised at once in order that the interest be not jeopardized.

**Fourth—Present indebtedness:**

Exchange National Bank, Tampa, pay of teachers for 1913-14...	\$5,000.00
Money for improvements, Bank of Clearwater.....	5,000.00

Total .....	\$22,919.57
Notes receivable .....	2,072.72

Fifth—We recommend that the board of education be instructed to apportion to each district the sum of \$1,000 special for education, to be raised by the presiding elders and that at least one-half of said amount be raised by May first.

Sixth—We recommend that the board of trustees make such sale or other disposition of the college stock in Sutherland Development Company as in their business judgment may conduce to the best interests of the institution.

John B. Ley, Secretary.

**REPORT OF COMMITTEE ON TEMPERANCE.**

We, the ministers and lay members of the Florida annual conference, united to publish the gospel of glad tidings, rejoice to announce the good news that the accursed liquor traffic is doomed, not only in our fair land, but in the whole world. We have special reason for rejoicing in the fact that the end of this business in our own government is so near at hand. With our present chief executive in the chair, surrounded by a God fearing cabinet, supported by a law making body committed to the overthrow of this great evil, together with the state legislatures so largely prohibition in sentiment and determined in purpose, and encouraged by the many brilliant victories of the recent past, in which many counties and four whole states have passed into the dry column, we can clearly see that this, the greatest enemy of God, the church and the home, is now in the relentless grip of death, and will soon be buried beneath the intelligent vote of this great nation.

Therefore, be it resolved by this body here assembled:

First—That we recognize as the leading agency in God's hands for the destruction of this evil, the church of God in co-operation with the Anti-Saloon League and the Woman's Christian Temperance Union. And that we give them our full endorsement, and pledge them our hearty support and co-operation, opening to them our houses of worship whenever possible, and giving them any other assistance we can.

Second—That we urge the voters of Hillsboro county to go to the polls next Tuesday and add that great county to the forty already dry counties in the state of Florida.

Third—That we instruct the secretary of this conference to wire our delegation in Washington to support the Shepherd-Hobson bill.

Fourth—That we urge our state legislators in both houses to take such action as will submit to the voters of Florida at the earliest possible time a vote on state-wide prohibition.

Fifth—That we rejoice that the European nations now at war have recognized the weakening and otherwise evil effects of strong drink and have banished it from their armies.

Whereas, Secretary Daniels, through his loyalty to the right and the courage to carry out his Godly convictions, has banished intoxicants from our navy, thereby deserving the thanks of the God serving people of the nation, he is resolved

Sixth—That this conference hereby express its appreciation of his manly course.

Whereas it has been repeatedly shown that the use of tobacco is both filthy and injurious, and whereas our last general conference passed a law binding the committee on admission to require the candidate for admission into an annual conference to agree to abstain from the use of tobacco, be it further resolved by this body that we insist that our members and especially all of our preachers abstain from its use.

B. F. Sheffer, Secretary.

### REPORT ON SABBATH OBSERVANCE.

Dear Fathers and Brethren: Since God in His wisdom has set apart the Sabbath day wherein man should rest from his labors and render special thought and service to Almighty God, and since by reason of man's physical, mental and spiritual constitution he stands greatly in need of such day, we therefore advise that as pastors and laymen we use our utmost endeavors to maintain the sanctity of this blessed Sabbath day. To this end we ask you to discourage the common and growing practice of the people in using this day to discharge their social functions one to another. Also, to register your emphatic protest against Sunday excursions, and Sunday pictures shows. Furthermore, to use your influence against any and all practices that tend to socialize or secularize the holy Sabbath of God.

We recommend that every pastor be requested to insist from his pulpit upon the proper observance of this day. And all the more since it is very largely from the pulpit that sentiment is created and convictions formed. Respectfully,

R. L. Honiker, President.

W. J. Palmer, Secretary.

### REPORT OF THE BOARD OF MISSIONS.

The purpose of the church is to go into all the world and carry the gospel to every creature. The membership of our church is beginning to feel that it is their duty to either go or send the gospel to all men. Our people are studying our missionary needs and praying for our missionary work as never before. We appreciate the hard and laborious work of our general board of missions at Nashville and pledge it our hearty co-operation in all its efforts to further our Lord's kingdom.

The conference board has under its care all the home missionary work in the territory embraced in the Florida conference—that is from the Apalachicola river to Miami and Key West.

In our conference there are many sparsely settled country districts, small, but growing towns, that must have the gospel preached to them, but cannot have it without assistance from the conference. In addition to this there is the city problem and the foreigners in our midst. Your conference board is endeavoring to supply the need with its limited means as best it can. The board could use much more that it has; but we regret that our domestic and foreign missionary assessment was not raised in full the past year, but trust this year every dollar of it will be raised. The progress of our Lord's kingdom demands that we raise every dollar of this assessment.

We would urge upon our pastors the importance of early collections for missions, for the board is dependent upon the year's collections to pay the missionaries their salary. Delayed collections mean suffering to our faithful men and their families who are serving these mission charges.

Let us see to it that our people are supplied with missionary literature in abundance; that we make an honest effort to place the Missionary Voice in every home.

We would recommend "The Financial Method for Methodists," a joint policy of the board of missions, the board of education and the church extension board.

We also recommend "The Every Member Canvass" in line with the plan set forth in the "Financial Method for Methodists" and would set as a goal for Florida Methodists an offering equal to 75 cents per capita.

We also recommend the appointment of Rev. W. F. Allen as conference evangelist.

**REPORT OF SUNDAY SCHOOL BOARD.**

Dear Fathers and Brethren: In view of the great work accomplished by our field secretary in past years, and the fields yet uncultivated which can not be done without this office, therefore we recommend

First—That an assessment of \$1,900 be levied on conference to be raised by the Sunday school during the ensuing year.

Second—That we ask for the appointment of Rev. A. H. Cole as field secretary for the year.

**Report No. 2.**

It gives us peculiar pleasure in submitting to you our fourth annual report.

During the past quadrennium the Sunday school work has had unprecedented success throughout the entire church and especially in our own conference, bringing the Sunday school work in Florida to a high state of efficiency.

Much of the credit for this growth belongs to our retiring faithful secretary, Rev. C. W. White. The report of his work is attached hereto.

There have been held under the direction of the board, four divisional institutes at the following places, viz.: Monticello, Jacksonville, Fort Meade and Ocala. We engaged as speakers the best available talent. These meetings were highly beneficial to the general work. The expenses were largely defrayed by those in attendance.

We regret to report that from such information as we have Children's day has not been as generally observed as heretofore, nor as much so as the interest of the church demands.

The report of the treasurer of the board for the year up to today is as follows:

Total receipts from all sources.....	\$2,622.53
Disbursements as follows:	
Traveling expenses .....	\$ 39.60
Printing .....	17.00
Postage .....	6.00
<hr/>	
Total incidental expenses.....	\$ 62.60
Expenses of board representative to meeting of conference	
chairmen .....	\$ 66.00
Divisional institutes .....	243.52
By the general Sunday school board.....	354.14
By western Sunday school work.....	50.00
By missionary literature .....	15.72
By salary field secretary.....	1,812.21
By cash on hand.....	14.34
<hr/>	
Total disbursements and cash on hand.....	\$2,622.53

We have had no report up to date from the conference treasurer.

Reports from the general officers indicate that the forward movement throughout the church continues, notably the enlargement by the last general conference of the powers and work of the general and conference Sunday school boards: the creation of new periodicals; namely, the special edition of the magazine for teachers using graded literature; the Workers Council, designed for pastors and Sunday school officers; the Missionary Messenger, a monthly leaflet containing information and program for use on Missionary day in the Sunday schools—the subscription price is only two cents per copy per year; also the change and enlargement of the Visitor.

The department of teacher training continues to grow numbering now 2,550 training classes with 22,000 students enrolled. Yet it has reached less than one-fourth of the teachers in the church.

We desire to call especial attention in this department to a special correspondence course for pastors that they may become examples and leaders to their workers in definite Sunday school ways.

In the department of church extension where the Sunday schools are establishing a loan fund to assist in building modern Sunday school churches, our conference is doing but little. There are only eleven birthday jars in use and there has been raised thereby only \$73.61 during the past year in Florida. The total Sunday school loan fund is now \$7,012.92.

The Wesley class work has made marvelous progress in the past quadrennium. There are now more than 4,300 classes with a membership of 130,000, 55,000 of these being added last year.

We ask that you accept the resignation of Rev. A. H. Cole from the board and that Rev. J. L. Moon be placed on the board in his stead.

Organization for the quadrennium: G. S. Roberts chairman, C. F. Blackburn secretary, F. E. Steinmeyer treasurer.

Respectfully submitted,

G. S. Roberts, Chairman.

A. W. McLaren, Secretary.

---

Your board has, during this session of the conference, instituted a movement looking to the organizing of a Florida Sunday school conference of our church analagous to the Florida state Epworth League Conference, the object of which is to federate into a state organization primarily the Wesley classes, teachers' training classes and organized adult Bible classes, etc., etc. The officers of above conference are to be elected by and under the direction of the annual conference Sunday school board. Provision is made for district organizations under departmental superintendents.

Your board has taken initial steps to this end to the extent of drafting a constitution and bylaws for same and has elected Brother S. D. Harris of St. Petersburg as state president of Florida Sunday school conference for the year of 1915.

This movement seemed to be imperative to keep our Sunday school workers from being entirely absorbed in an interdenominational organization.

#### REPORT OF SUNDAY SCHOOL FIELD SECRETARY.

Have attended three missionary institutes and made talks on Sunday school work; attended seven district conferences and represented Sunday school work.

Visited and addressed twenty-four high schools; attended women's missionary meeting in Jacksonville and represented the Sunday school work.

Have held seventy-two Sunday school institutes, speaking many times on the work. By the assistance of the pastors, I have organized

twenty-five new Sunday schools; fifty-two teacher training classes have been organized; sixty-eight Wesley classes have been organized and registered.

Over five hundred circular letters and many personal letters have been written in the interest of the Sunday schools. The Sunday schools have made very marked advance on standard of efficiency, as was shown in the state institutes.

Have assisted in three meetings. Forty-six joined the church on profession of faith.

Received on Sunday school assessment, \$89.43.

The spiritual and inspirational part of the work, which is the most important, can not be tabulated. For itemized report, see monthly report to Sunday school board. Yours truly,

C. W. White,  
Field Secretary, Florida Conference.

#### REPORT OF CONFERENCE BOARD OF CHURCH EXTENSION

Your conference board of church extension, after careful and prayerful consideration of the applications for aid, has made the following disposition of the funds in hands:

	Donation	Loan
Palatka District—Howe Creek.....	\$150	\$...
Bartow District—Prospect .....	200	250
Jacksonville District—McClenney .....	500	...
Ocala District—		
Homasasso .....	100	...
Dunnellon .....	100	...
Elfus .....	100	...
Tampa District—Edgewood .....	150	...
Parsonages—		
Miami District—		
Homestead .....	150	...
Titusville .....	...	200
Tallahassee District—Appalachicola .....	100	200
Total .....	\$1,550	\$650

The assessment for the ensuing year, including an assessment of \$100 on each district for the John C. Ley loan fund is as follows:

Bartow district .....	\$ 933
Gainesville district .....	862
Jacksonville district .....	880
Miami district .....	921
Ocala district .....	925
Orlando district .....	967
Tallahassee district .....	826
Tampa district .....	1,087

We regret the very great decline in amounts raised on the assessments for the past year and enter our protest against the practice of

discriminating against the church extension fund when assessments are not in full. This claim should be put on a parity with all other claims. Great numbers of people are coming in to our state and great demands will be made upon us for caring for these people religiously. Let us rally to this great work and make full collections our aim for 1915.

Respectfully submitted,

J. B. Mitchell, President.

Howard Dutill, Secretary.

## MEMOIRS

### I. A. VERNON.

Rev. Isaac Asbury Vernon, the subject of this appreciation, was born of godly parentage in Charleston, Mo., July 26, 1846. He was born again in early manhood and immediately felt called to the Christian ministry, and when I became his pastor in Charleston, Mo., in 1872, I found him resisting the call and consequently a restless and unhappy man. In the fall of 1878 he became obedient to the heavenly vision and was admitted on trial into the White River conference, Arkansas. From that time till the close of his life, his supreme purpose was a cry, "Behold, the Lamb!"

After ten years of service in the White River conference he was transferred to the Florida conference in 1888, and finished his life and min-

istry in Tampa, Fla., in the home of his son, Baker, April 18, 1914.

Brother Vernon, natively, had a high order of intellect and would have reached the high places had he not been handicapped by the want of early training. At the age of 16 he enlisted in the Confederate army at Walnut Ridge, Ark., and being small of stature became the mascot of his company. He was mustered out of service at the close of the war, having passed through several battles and much hard service. As may be seen, the years that would have naturally been devoted to study were given to the defense of his country.

At the age of 20, a ragged, penniless young man, with only his musket and knapsack, he set his face toward the hard tasks that were before him. He was a man of strong convictions and fiery earnestness. No one ever went to sleep under his preaching. He was often eloquent and always entertaining. His ministry was effective and many were slain of the Lord as he wielded with much force the sword of the Spirit. He was never a misfit, he always left his charges in better condition than when he entered upon the work. For more than thirty years on what is generally termed hard works he bravely went forward until physical infirmities forced him to retire from active service. For several years his sufferings have been greivous, often painful in an extreme degree.

Brother Vernon was thrice happily married. The three noble women who shared the hardships of his ministry were all my personal friends. He was married the last time at Hawthorne, Fla., Sept. 29, 1896, to Miss Willie Martin, who with two of his children, Baker G. Vernon and Mrs. Fannie R. Gatlin, remain to cherish his memory.

He was related to some of the choicest people of southeast Missouri, viz. the Moores, Goodins and Haws, to whom Methodism in that country owes so much.

I feel personally bereft, being honored in an uncommon degree by friendship, as he often said, "You are my best friend." A few days before he went away he said, "I believe that God will take care of me," so I hope after the mists have cleared away to meet him again in that land

"Where everlasting spring abides,

And never withering flowers."

### W. A. WIER.

William A. Wier, son of the late Robert O. Wier and his wife, Laura F. Grant of Noxubee county, Mississippi, was born near Macon, Miss., May 15, 1870.

At the early age of 14 he was left an orphan, both father and mother dying in 1884, his deprived him of educational advantages, but being a boy of ambition and perseverance he dug out, almost unaided, a fair English education. He attended school for a while, prior to his parents' death, in Pickensville, Alabama. After struggling for some time, he met Captain Wright, who was conducting a school for boys in Livingston, Ala. He secured a place and taught in this school and pursued his studies under the direction of Captain Wright.

He was always of a religious turn of mind and was never seen in

bad company nor heard to use bad language. He was converted at an early age and united with the M. E. Church, South, at Pickensville, Ala., under the ministry of Rev. D. S. McDonald of the North Alabama conference. He came to Florida in 1866 and stayed a while in Sumpter county with his brothers, the late Thomas A. Wier, and Rev. Robert O. Wier, then a member of the Florida conference, but now of the Texas conference. While living with the latter he was licensed to preach at Stewart's chapel, Webster, Fla., in 1889, when only 19 years of age. After this he returned to Alabama and it was then that he taught with Captain Wright in Livingston.

He returned to Florida in 1893 and taught school in Gadsden and Polk counties. In 1893 he was recommended to annual conference by the Bowling Green quarterly conference, Rev. A. E. Householder, P. E., and Rev. R. O. Wier, P. C. He was admitted on trial at Palatka, Fla., in January, 1894. He was sent to the Fort Bassinger mission. While on this charge he was married in 1894 to Miss Lulu Odom, daughter of the late Ebenezer Odom, near Plant City, Fla. He was true to his convictions and lived without a blemish on his character. He leaves behind him to mourn his going away, a wife and five children, three boys and two girls; three brothers, Rev. R. O. Wier of the Texas conference, J. S. and J. W. Wier of Bessemer, Ala., and four sisters, Mrs. B. Wier of Birmingham, Ala., and Mrs. C. O. Hilton of Atlanta, Ga., Mrs. A. H. Rummen of Princeton, Fla., and Mrs. J. J. Neylaus, Jr., of Tampa, Fla., and a host of friends wherever he has been.

Will was a noble boy. He wouldn't do a little mean thing. He was a true man. He was consecrated to his work. He loved the work. He had a hard time but he bore it bravely, and God has said, "It is enough, come up higher." Our hearts are bowed in sorrow but we sorrow not as those who have no hope. We will meet him again where sorrow never comes and they never say goodbye.

May our Heavenly Father take care of his loved ones left behind. May they all meet him in the Father's house above.

### MARY C. COLLIER.

Mary C. Collier, nee McCollum, was born in Anderson county, South Carolina, in 1844; married to Rev. J. S. Collier in Micanopy, Fla., 1870, and died in Tampa, Fla., April 1, 1914.

Her life was beautiful, her death triumphant, her resurrection will be glorious. She was quiet in disposition, not impulsive, but thought well over all that was to be done in her home and elsewhere. It was very remarkable how faithful she was to her Christian duties. Her love for her Master and His cause was continuous. She was consistent and very punctual in the service of God; ever present in the house of the Lord when she could be. Her times of prayer were frequent.

It was a marked fact that she first considered the comfort and pleasure of others. Kind and accommodating, she was a woman of a gentle spirit, forgiving and tender; a strong character and impressive

personality. A fine itinerant, loving the church and its work; she never murmured but went to the work uncomplainingly.

The Word of God always had pre-eminence with her. No one could ever gainsay her piety. The doctrines of Jesus were exemplified in her consistent and patient living. The Lord's will was her will.

How fitting the language of the apostle to her life. "I am crucified with Christ; nevertheless, I live; yet not I, but Christ liveth in me and the life which I now live in the flesh I live by the faith of the Son of God, who loved me and gave Himself for me."

### MRS. S. A. COLLINS.

Mrs. S. A. Collins, widow of the late Rev. W. C. Collins of the Florida conference, died at the home of her brother at Miccosukee, Fla., Nov. 28, 1914, and was buried the following day by the side of her sainted husband in the cemetery at Tallahassee.

Sister Collins united with the Methodist church in early life and lived a consistent Christian life until she was called to her reward. She was a faithful helpmeet to her husband in his long and useful labors in the itinerant ministry. Their home was a charming Christian home, and their children were carefully trained in the nurture and admonition of the Lord.

Sister Collins was the mother of four children, three sons and one daughter, all of whom are faithful members of the church of their parents. After living to a ripe age our sister has heard the Master's call, "Enter thou into the joy of thy Lord."

### MARTHA SMITH LEY.

The subject of this obituary notice was born in St. Mary's, Ga., Dec. 25, 1829, and departed this life at the home of her eldest son, Rev. John B. Ley, on Aug. 24, 1914, having lived eighty-four years and seven months, lacking one day. Between her age and that of her husband, Rev. John C. Ley, there was seven years and five days' difference. She survived him by seven years and five days, so that their span of life was identical.

From a child, she had "known the scriptures," and they had made "her wise unto salvation." From the writer's earliest recollections she had read the Bible through twice each year, a practice she continued till failing eyesight and recently failing health made the joyous task no longer possible.

While a life long sufferer from nervous affliction, which was greatly aggravated by a fall she received in 1861, yet her love for her Saviour and faith in His atoning merit was a pronounced characteristic of her beautiful life. Generous almost to a fault, deeply sympathetic, all suffering appealed to her and none ever was too unworthy to share her interest or prayers.

She was a devoted wife, standing hard by the man of her choice through fifty-four years, sharing cheerfully the hardships of his pioneer ministry in Florida. She was a loyal little worker. No boys ever had a

better, a nobler, a sweeter, a more self-sacrificing mother than she.

Her end came at the close of weeks of weary waiting and weakening, and having drawn her three boys to her bedside, placing their hands together, she breathed a blessing upon them. Just a little later, shaking hands with each who stood around she said "Goodbye." Then a moment afterward she waved her wan, thin hand to all and said "Farewell." After a few subsequent hours of semi-consciousness she fell asleep without a struggle, surrounded by her sons and many loved ones and friends who follow on, for we know where mother has gone and how to find her.

### MRS. NORA E. BARR.

Mrs. Nora E. Barr, wife of Rev. T. L. Z. Barr, was born in White Springs, Fla., Feb. 21, 1879, and passed to her heavenly reward from the Methodist parsonage in Apalachicola, Fla., at 2:45 o'clock in the morning, Aug. 10, 1914.

She was converted and united with the Methodist Episcopal Church, South, in White Springs, Fla., at the age of about 21 years, under the ministry of Rev. W. C. Norton.

She married Rev. T. L. Z. Barr of the Florida conference, Feb. 1, 1905. This union was blessed with two bright little boys. She was a very effective worker in the church until she lost her health some two years ago, and even since that time she did many things for the souls of those around her. Having been a successful teacher for some years before marriage she was intellectually prepared for great usefulness in the Master's vineyard. She leaves her parents, Mr. and Mrs. H. C. Roberts of White Springs, Fla., and seven brothers and one sister to mourn her departure. Her husband and two step-children will miss her presence and wise counsel.

She greatly appreciated what her many friends in Apalachicola did for her during her last illness. She often spoke of her friends in other places, and her dying words were "Tell them all to meet me in heaven."

Sister Barr was among the many invalids whose experience deepened their convictions, strengthened their faith, and brightened their hopes. She suffered with Christ in the discharge of her duties to her family and fellowmen, only ceasing when the voice from on high, "Good and faithful servant come up higher." The funeral services were similar to a spiritual revival. "Tell them all to meet me in heaven," was still resounding. Though dead she yet spoke.

Sister Barr's influence still lives and will be felt for years to come through husband, boys, relatives, friends and acquaintances. She has gone to her reward, "A far more exceeding and eternal weight of glory."

May her dying request be a prayer and be answered!

## Report of Sunday School Board

Dear Fathers and Brethren: Our work has made splendid advancement during this year, in every department. We need to continue the aggressive policy we have instituted, and desire to make provision for this movement. We ask, therefore,

First—That the assessment, known as the Sunday School Extension Assessment, be continued and be fixed at \$2,100.00, to be raised in the Sunday Schools.

Second—That Rev. A. H. Cole be appointed Field Secretary for the year.

Respectfully submitted,

G. S. ROBERTS,

C. F. BLACKBURN.

### *Report Number Two*

From the Sunday School Board to the Florida Conference:

With gratitude to our Heavenly Father for His guidance and presence we render our report of the work of the year.

This has been a year of great increase of interest in the work we have in hand, and a deeper, clearer conception of the splendid opportunity before us. To this opportunity our people are responding nobly.

The General Board has carefully considered the work before us and made plans for advancement. These plans include district organization, district institutes, improvement of the elementary divisions of the schools, increase in teacher training classes, and other lines. It is the fixed purpose of this board to co-operate with the General Board, and we commend them to all our schools and workers.

The improvement in the publications issued by our publishing house is gratifying. Especially would we mention the enlargement and improvement in appearance of the Workers' Council; and the new cover design for the adult student renders it more attractive. The variety and merit of our literature is sufficient for all our needs; therefore, let us use them in all our schools.

We urge our people to attend the summer conferences for Sunday School workers at Lake Junaluska, when possible, thus coming in touch with our leaders of the movement.

In our own field there have been a number of new schools organized by the pastors and Field Secretary. From the information available these number about forty, which greatly increases our enrollment.

In the Wesley Bible Class Department we have seen largest results. One hundred and nine classes have registered at the central office.

The Wesley Bible Class Federation, organized at Orlando in October, is a forward step in this department that is very promising.

The progress in the Teacher Training Department has not been so marked; but, we are forging ahead in this work to some extent. We ask for hearty support by pastors and superintendents in this work, as it is very important, indeed.

We heartily commend the work of our Field Secretary through the year just closed, and ask your co-operation with him in the work next year. We look forward to even greater achievements the coming year.

Thanking you for your loyal support in the past, and asking for a continuation of your assistance in the future, this report is

Respectfully submitted,

C. F. BLACKBURN, Secretary.

G. S. ROBERTS, Chairman.

## Report of Board of Church Extension

Bishop and Brethren: Your Conference Board of Church Extension, beg to submit the following as their report:

First—They have carefully and prayerfully considered all applications coming before them for aid. A few had to be turned down because papers were not properly made out, and a few for other reasons.

Second—In most cases, even when help was granted, amount asked for could not be supplied, however necessitous and urgent, because of lack of funds. The following grants were made (see supplement); following are assessment by districts for 1916 (see supplement). We respectfully beg leave to urge that the full amount be apportioned the various charges by the district stewards.

Third—In a number of instances where the board has granted loans, said loans are past due and not even the interest kept up. We urge pastors to insist that these arrangements be properly made.

Fourth—We recommend that all our Sunday Schools use birthday jars for increasing our Sunday School loan fund. Jars may be had for the asking.

Fifth—We recommend that our presiding elders provide special church extension features and give special emphasis to the church extension work in their district conferences.

Sixth—We recommend that this conference shall, in lieu of the one hundred dollars assessed on each district, for the J. C. Ley loan fund, observe March 4th or the nearest Sunday thereto, as Asbury Centennial day, and that we secure an equivalent of at least ten cents per member. The same to be added to the aforesaid conference loan fund, and that when said collection shall have been taken, it be at once sent to our Conference Treasurer and marked "Loan Fund Special."

J. B. LEY, Secretary.

The conference to furnish entertainment to said representatives.

All interest accruing from the monthly balances, or otherwise, from the account with the Florida Annual Conference, shall be credited to the account of said commission, to apply on such expenses that may arise in carrying out the plans of this resolution; provided, however, that this is not to prevent said commission from providing for the necessary funds to operate this plan, in any way that they may think best.

He shall also furnish to said Depository a list showing the names and post office addresses of the several presiding elders, and chairmen and treasurers of the several boards.

All remittances to the Depository, shall be accompanied by a deposit slip showing: Date, name of remitter, name of district and charge, item remitted for, and amount of each item, and total of the remittance.

A pad of deposit slips shall be mailed by the Depository to each pastor in the conference, as early after conference as possible, and thereafter, upon request of the pastor.

#### *Report Number Two*

We beg leave to report as follows: Pursuant to your order we have employed an auditor to audit the books of our Conference Treasurer. We have also asked the various boards to have their Treasurer's books audited.

We approve assessments as follows: For Orphanage, \$7,000; for Florida Christian Advocate, \$2,000; for Church Extension, \$6,600; and for education, \$12,500. We recommend that \$2,100, instead of \$2,200, be the assessment for Sunday School work.

You will notice that, in view of the fact that the General Conference has fixed the assessments for the superannuate Endowment Fund at 1% of ministerial support, we have increased our Conference assessment \$521.00, making a total increase of \$1,000.00 in our Conference claimants assessment.

Since the claimants should receive their checks quarterly, we earnestly recommend that the pastors raise the Conference claimants money early in the year.

W. P. BUHRMAN, Chairman.

C. E. EARNST, Secretary-Treasurer.

## Report of Board of Education

We note with pleasure the continued interest manifested throughout our church in our two connectional universities, the one in Atlanta, Ga., and the other in Dallas, Texas. The report of Dr. C. R. Jenkins, President of

Wesleyan College, Macon, Ga., shows that this historic institution for the higher education of young ladies, continues to improve in equipment, and to receive annually a larger patronage.

As there is throughout our connection an awakening interest in the cause of higher education, so in our own State there is a growing confidence in the wisdom and efficiency of the present administration at Southern College. The indications are, that our preachers and people are becoming more generally concerned in the welfare of our college, than ever before.

We predict that with the continued support of our church, such as we are at present securing, the future of our college will in a very few years cease to be problematic.

The report of the General Board of Education, calls attention to the fact that in some of our conferences, a discrimination is made against the cause of education in the distribution of the funds raised on the assessments. The per cent collected on the assessments in 1914 for missions, church extension, and education, was seventy-eight, while the per cent collected on the assessment for education, was only sixty-six, making a difference of twelve per cent, and causing the Board of Education to suffer a loss of forty-two thousand dollars. In our own conference eighty per cent of the assessments for foreign missions, and seventy-two per cent for home missions, was raised, but only sixty-eight per cent for education. We urge that such discrimination be discontinued. The total amount raised this year for education is \$6,818.58.

The World's Student Christian Federation has set apart the fourth Sunday in February, as a day of prayer for colleges. We recommend that the same date be observed in our conference as Educational day.

We request the preachers to comply with the requirements of our Discipline, by preaching at least one sermon a year, in each church in their charges, on the claims of the Christian ministry; we also urge that Vocation day, in the Sunday School, be observed. The General Board will furnish literature to be used on these occasions.

We recognize the urgent need of providing religious instruction for the pupils in our public schools. There are some plans in operation in certain States, which are meeting successfully this need. We ask this conference to authorize the Board of Education to take such steps as may be necessary to secure the following:

(1) Academic recognition by public school authorities, for academic work done, in Bible study outside of school hours.

(2) A statement from public school authorities of the conditions under which academic recognition may be given for academic work done in Bible study.

(3) The co-operation of the churches and Sunday Schools, as far as practicable, in giving academic work in Bible Study, to Methodist students in the High Schools, for which studies students are to receive credit toward graduation.

(4) We recommend that the notes amounting to two thousand five hundred dollars, held by this board against Southern College, be cancelled.

We recommend that the assessment for education for the year 1916, be fixed at twelve thousand and five hundred dollars. We recommend that the Hon. T. L. Wilson, of Bartow, Fla., be confirmed as a trustee of Wesleyan College; that Rev. R. H. Alderman be appointed by Bishop Morrison as the President of Southern College; that W. O. Rencher be appointed instructor in Madison Normal Institute, Madison, Florida; that Rev. G. F. Scott be appointed Conference Secretary of Education, and that Rev. W. G. Fletcher be appointed as Commissioner of Education.

(5) We have had under consideration the report of the Trustees of Southern College, referred to this board by the conference in executive session Saturday morning, and we recommend the adoption of the report.

L. D. LOWE, Secretary.

BE IT RESOLVED:—That the Chairman of Board of Education and the Trustees of Southern College, together with President of College and Commissioners of Education, be appointed a committee to select men from the various districts to act as assistants to Commissioner of Education in executing whatever plan may be formulated for the raising of money for the college.

(Signed)

I. C. JENKINS and J. B. MITCHELL.

## Report of Board of Epworth League

DEAR BRETHREN: The Epworth League Board rejoices to report a decided upward movement, in the work of the League, this year. We notice that the brethren report new Leagues in many places, and a new interest in old Leagues. The work of the League is distinctively that of training in the best methods of Christian activities, and we confidently believe that the League can, in a large measure, supply efficient workers for all the departments of church work, including the Sunday School, the Boards of Stewards, and the standing committees of the congregation required by the discipline. This is therefore a work of real value, and we urge the constant support of the pastors in behalf of their Leagues.

The State Epworth League Conference was held in Lakeland in June; a large body of delegates and visitors gathered at that place and the enthusiasm aroused at that League Conference is manifest in many quarters

until this day. Next June the State Conference will be held at Sutherland, in Southern College. Every pastor and presiding elder is a member, and we urge as many as possible to attend. The presence of the pastors is at once an inspiration and a steadying force.

We are glad to note that a special commission of nine, has been appointed from the members of the General Boards of the Sunday School, Epworth League, and Woman's Missionary Council, to meet this winter, and consider the co-relation of the work of these three great organizations. We heartily approve this, because there is great need for conserving all our energies, and for avoiding duplication of machinery and effort.

The Leagues in this State propose to observe Anniversary day, in each chapter, hold district institutes in each district, and raise one thousand dollars, on the Africa Special. We implore the members of this conference to give all the assistance in their power, to these matters. The young people are working hard, and with our guidance and assistance, what might they not do? Let it be noted that the anniversary collection is divided, one-half to go to the General Board, and one-half to the Conference Board, this is our only source of income. All Epworth League funds should be forwarded to C. W. Dudley, 612 Atlantic National Bank Bldg., Jacksonville.

The State League is also proposing to join with the ten eastern conferences in employing a Field Secretary, for these conferences, who will devote all his time to the development of the League interests. If this should be done we urge the pastors to open the way for him wherever possible.

We request the addition of the name of Garfield Evans to the Epworth League Board.

Respectfully submitted,

J. L. KILGORE, Chairman.

L. F. CHAPMAN, Secretary.

C. W. DUDLEY, Treasurer.

## Report of Board on Lay Activities

*To the Bishop and Members of the Florida Conference*

DEAR BRETHREN: Your Board on Lay Activities beg leave to submit the following report:

We are pleased to note the recognition of the General Conference in enacting much legislation in the interest of our organization, thereby making it much more effective.

We urge our pastors and laymen to put these laws into effect, thereby increasing our usefulness and the interests of the church.

We find that a majority of the churches elect the committees and lay leaders as provided for, but in most part the activity ceases with this, and the work is neglected. About ten to fifteen per cent use the plans as provided and suggested, and where this is done and the every member canvass is made, excellent results follow.

We most earnestly urge the adoption of our disciplinary plans in all the work of the church, and also the every member canvass, and the duplex envelope system.

These are no longer experiments, but in all cases where properly used, have been a success.

We recommend the active co-operation of our district lay leaders, with all the missionary efforts by way of institutes and otherwise in promoting the cause of missions and other interests of the church.

While our work has been slow, some headway is being made, and much good has been accomplished. We hope to have increased enthusiasm, by the entire church, during the coming year, and as laymen pledge ourselves to this end.

With much sorrow we note the death of our General Secretary, Dr. C. F. Reid, who was always active, and whose visits to us were truly a benediction. Our loss is his eternal gain. We bespeak for his successor, Dr. E. H. Rawlins, the same cordial relations.

We hereby recommend for re-election, A. W. McLeran, of Wellborn, as Conference Lay Leader.

Respectfully submitted,

A. W. McLERAN, Chairman.

T. M. STRICKLAND, *Secretary*.

## Report of the American Bible Society

DEAR FATHERS AND BRETHREN: "The entrance of the word giveth light." We cannot too strongly emphasize that the Bible, the word of God, is the basis of the entire work of the church, both in Christian lands and in all of our missionary operations.

No one denomination is equal to the great task of publishing the Holy Scriptures in all the varied languages of the earth and circulation of the same, hence the birth of the American Bible Society a century ago, a co-operative organization composed of and supported by the different Protestant churches of America. Besides furnishing Bibles at cost of publication, and in many instances for free distribution at home, it has sent her product along with the pioneer missionary to all lands, and greatly made possible and facilitated the conversion of the heathen and the enlightening of the nations. Many millions of copies, or portions of the Scriptures, are being distributed yearly by this society.

Indeed, so great has been the growth of its work, and the demands on it, that its resources have not kept pace with her present opportunities, and its present indebtedness is so great that unless the churches speedily respond to its pressing needs, it will have to retrench in its annual expenses and output, and of all poverties, we can the least afford a poverty or dearth in the world of the Holy Scriptures.

We very much regret to be forced to state that our conference is doing very little for the support of this society, many of the charges paying nothing to it, and many others doing only a little better.

To liquidate the present indebtedness of the society, it is planning a nation-wide centennial celebration throughout America next year, during the month of February, and is already sending out literature for same.

We respectfully recommend all of our pastors to use said literature as best they can adapt it to their needs and observe the celebration, emphasizing to their congregation the great work and needs of the society. The stations using the Sunday, or as near thereto as possible, set apart by the society, and the other charges in like manner observing the celebration in all their churches during the month of the nation-wide celebration.

We further recommend this collection to be raised in accordance with the disciplinary plan of a public collection in each church and forwarded at once to our Conference Treasurer or Depository.

We further recommend said collection to be taken in connection with the centennial celebration where that celebration is observed.

Respectfully submitted,

J. C. JONES, Chairman.

F. L. CROWSON, Secretary.

## Report of Board of Trustees of the Florida Methodist Orphanage

December 20th, 1915.

DEAR BRETHREN: The Orphanage has been enabled by the favor of God, and the hearty support of our loyal and liberal people, to render another twelve months of splendid service. We have much to be grateful to God for, in the way of good health among the children, harmonious co-operation among the workers and the trustees, liberal support by the church, and many spiritual blessings.

For the larger part of the year we had a larger number of children than ever before, but during the months when we were so badly cramped for funds, which came in, however, later in the year, we were compelled to refuse many applicants admission, besides sending some half-orphans back to destitute homes, simply because we could not meet the bills. However, the pastors and people responded most liberally to the appeals of our President and Treasurer, and now, thanks to this response, our bills have all been met, and we shall be able to meet our expenses until the next fifth Sunday.

The larger number of children, over eighty, the most of the year, and some large bills coming over from last year consumed the increased income. The Treasurer's report shows that a considerable amount of income went for accounts and loans of 1914.

The Home has been conducted as usual with economy. There has been no increase in the numbers of workers, nor in salaries. The additional expense has been due to a larger number to clothe and feed, and some extra expense in equipment and maintenance of buildings, a part of the year we had to rent a neighboring house to provide decent room for the older girls.

*Children:* There were eighty children in the Orphanage at the beginning of the year, nine have been admitted during the year; twenty-six have been returned to parent or guardian, and three placed in good homes by legal adoption (those returned were returned for different reasons; refusal of parent or guardian to pay agreed price; the marriage and consequent ability of the mother to care for them), today there are sixty children in the home, and the Committee on Admissions has accepted eight more.

*The Jacksonville Site:* The board regrets to report that we have failed to raise the proposed building fund, by which we would be able to accept Brother Brinkley's offer of a site for the Orphanage. This failure was due to the very great financial depression which has so hampered all our collections this year, and the serious sickness of the Field Agent, Brother Griffith, in the first of the year; to the discouragement we met with from some of our pastors, who felt that a collection in their charge would not be wise, and to the fact of largely increased assessments and several other specials before our people.

*Bequests:* The Orphanage has received its first bequest this year, Miss Mamie Glass, of Sanford, left us four hundred dollars in her will, and Mrs. L. A. Davis made a donation of twenty-five dollars. This sum has been placed in savings deposit to draw interest, as a nucleus for fund for buildings.

*The Character of Work:* Brethren, the Orphanage is a home for the children you send to us for our care. As a home it does for homeless and destitute children, as nearly as possible, what our homes do for our own little ones. Added to this are the features of school, and industrial training, as far as is possible with our equipment and present force. So far this training is principally in housekeeping, cooking, sewing, gardening, and farming.

*Religious:* Family worship, Junior League, Sunday School, and regular church services, are the means employed in religious training and development of the Christian character of the children. The older children also attend the annual Bible Conference, which is held at Epworth Inn.

*Assessments and Fifth Sunday Offering:* The board fixes the assessment for the support of the Orphanage for 1916 the same as for 1915, \$7,000, and recommend the continued observance of fifth Sundays as Orphanage day in the Sunday School, and also in the congregations in all the charges. The board also recommends the observance of annual Work day, the last Saturday in October, and Harvest day, the last Sunday in October.

# Report of Trustees of Anastasia Methodist Assembly, Incorporated, to the Flor- ida Annual Conference

HOTEL AT ANASTASIA

Tampa, Fla., Dec. 16, 1915.

BRETHREN: At the close of the three years of our labor under your instructions in the development of your Assembly Grounds on Anastasia Island, St. Augustine, we beg to submit financial statement as follows:

*Assets*

Hotel and bath house.....	\$41,422.93
Unsold lots, estimated at.....	40,000.00
Contracts .....	3,733.00
<b>Total .....</b>	<b>\$85,155.93</b>

*Liabilities*

Mortgage .....	\$10,000.00
Open accounts .....	3,720.75
<b>Total .....</b>	<b>\$13,720.75</b>

The hotel, a beautiful building of Spanish design, was opened on June 22nd of this year, and despite the sore financial depression, has made expenses. It will be peculiarly gratifying to you to know that a Methodist resort, absolutely free from the objectionable, yet alluring, features of the ordinary summer resort, has met with the approval and endorsement of others than those called Methodists.

Our work in the Assembly development has been on a purely business basis. No donations have been sought or received. The purchasers of lots have gained financially. The comment of visiting preachers of our church to this institution of Florida Methodism has been most gratifying. Dr. Ira S. Patterson is recommended for Manager.

Respectfully submitted,

W. G. FLETCHER, Secretary.

## Report of Trustees of the Advocate

DEAR FATHERS AND BRETHREN: With sincere gratitude to Almighty God, we, your Publishing Board, record a good year for our conference paper, the Florida Christian Advocate. Despite the stringency of the times we close another year free of debt. This has been made possible by the assessment placed upon the conference for the maintenance of our paper, this assessment proving to be the saving clause in our publishing work.

The small assessment placed upon each presiding elder's district to aid the paper in meeting its obligations, is in the judgment of your Trustees, a very wise provision and should be continued.

We recommend that an assessment of \$2,000 be placed upon the conference, the same as last year, pastors and churches having the privilege of paying the assessment in new subscribers, allowing also a credit of ten per cent on all renewals sent in by pastors.

We would lay the full responsibility for this important institution of the church upon the heart and consciences of the brethren. Push the Advocate and you help every institution and enterprise of the church. In this connection we record our hearty appreciation of the faithful pastors who have given us their co-operation during the year.

The circulation of the paper at present is 3,200 copies, probably 500 of which are short-term subscriptions, expiring with the closing of this year. We urge the brethren to increase the circulation of the Advocate until it reaches every home in their charges, as far as possible.

We commend the faithful work of our esteemed editor and publishing agent, J. Edgar Wilson, and respectfully recommend him for appointment by the Bishop to the same position for another year.

Where Advocate month was properly observed this year it produced good results and we recommend that March be observed as Advocate month. During this month let a special effort be made to place the paper in every home. We suggest this as a good time to raise your Advocate assessment.

Finally, brethren, let us rally to our editor in furnishing regularly and promptly news notes from our charges, thus assisting him in creating a demand for the paper in our homes.

Our Advocate is on a safe basis and by giving it the attention it deserves you will receive a greater reward in the extension of your work

than the same time and effort devoted to any other agency of the church, for it will build up and strengthen every other interest of the kingdom.

Respectfully submitted,

S. W. LAWLER, Chairman.

D. B. SWEAT, Secretary.

## Report of Board of Trustees of Southern College

BISHOP AND BRETHREN: The Board of Trustees of Southern College beg leave to submit the following as their annual report:

*First*—Relative to disposition of college stock, in the Sutherland Development Company:

Recently a tentative sale by said company of all its holdings, including the twenty thousand dollars college stock, has been effected. The terms and conditions of the said sale, are such, however, that no immediate help to the school can be expected from that source. There is an embarrassment of five thousand dollars against this stock.

*Second*—In addition to the very extensive improvements and repairs, made a year ago, an account of which was embodied in our last report to this body, there have been additional expenditures on these accounts, only, however, as were required to meet emergencies, or to prevent loss.

*Third*—Present condition of the school:

(a) A carefully chosen, harmonious and capable faculty, directs the various schools of instruction.

(b) The attendance is much better than we were able to report a year ago, there being an increase in the boarding department alone, of thirty-six pupils.

*Fourth*—Finances:

While income has been augmented by increased attendance, such has been the demands upon us, that we find ourselves still seriously embarrassed for lack of resources. The present net outstanding indebtedness, as shown by the bursar's report, aggregates about twenty-five thousand dollars.

*Fifth*—To aid in clearing this embarrassment, and further the success of our college enterprise, we have asked the Board of Education to make the assessment for 1916 twelve thousand five hundred dollars. This sum will include the two thousand and ninety dollars assessed by the General Board.

*Sixth*—We recommend also the appointment of a Commissioner of Education, who shall act with the President of the college, in the interest of a great publicity campaign, and the soliciting of patronage and funds, as he may be directed.

*Seventh*—We recommend that Hon. W. E. Martin, of Orlando, be elected to fill the vacancy on this board, caused by the death of our esteemed brother and fellow-member, Hon. J. E. Hendry, of Fort Myers, and Mr. Frank D. Jackson, of Tampa, to fill the vacancy caused by the resignation of Dr. W. S. Richardson.

*Eighth*—Whereas, it is noted that several of the districts did not raise their district special, we respectfully request that deficits be reassumed and collected as early in the new year as possible, through the same channel, that is, the presiding elder.

*Ninth*—We recommend that the fourth Sunday in February be observed as Southern College day, this to be in line with the General Board's recommendation that said day be observed as a day of special prayer for colleges, and that we, on that day, endeavor to raise our Conference Educational Assessment.

*Tenth*—The Board of Trustees wish to express their gratification that Mr. D. F. Conoley has undertaken the development and sale of the surplus land at Sutherland, in which our college is interested, we feel sure that by his well developed plan we may not only receive at an early day, from the sale of these lands, the money with which to further improve our institution of learning, but by the sale of these lands, in small parcels, we are assured of the continued building of homes, from which our college will draw an ever increasing patronage. We heartily commend his work, to our people, and wish to assure him we will do all in our power to further his and our interests.

*Eleventh*—We respectfully request the Bishop to appoint a Commissioner of Education, in accordance with the resolution above.

#### *Amendment*

**RESOLVED:** That the presiding elders be constituted visitorial members of the Board of Trustees.

Respectfully submitted,  
J. B. LEX, Secretary.

## Report of Trustees of Preachers' Relief Fund

### *Report Number One*

**DEAR BRETHREN:** Your board has considered carefully the offer of Rev. A. Preston Boyd, of the New Hampshire Conference, M. E. Church,

of certain valuable property in Bradentown, Fla., and elsewhere, to the Florida Annual Conference for the benefit of superannuated ministers and the widows and orphans of ministers, and

Whereas, The board cannot now, in the absence of Brother Boyd, and without correspondence with him, report definitely to this conference.

Therefore, be it, Resolved: First—That the whole matter be placed in the hands of the Trustees of the Preachers' Relief Fund and its agent for final settlement, with the understanding that if the property be received that nothing be done that shall in anywise embarrass this conference.

Resolved: Second—That the thanks of this conference, for his generous offer, be communicated to Brother Boyd by the Secretary of this board.

A. M. MANN, Chairman.

A. M. DAIGER, Secretary.

### *Report Number Two*

DEAR BRETHREN: We, the members of the Board of Trustees of the Preachers' Relief Fund, acting under the charter of said board, beg leave to submit to the Florida Annual Conference the name of C. T. Curry as a nomination to fill a vacancy on this board, caused by the resignation of J. W. Rast.

Second—We respectfully request the appointment of B. K. Thrower as the agent of this board for the ensuing conference year.

Third—In view of the wholly inadequate provision that has been made for the support and comfort of our superannuated preachers and our other conference claimants, this board recommends for your endorsement the plan of raising by voluntary offerings through its agent and your co-operation, an average of one dollar for each member of our churches in the Florida Conference, during the five years. After the necessary numbers of superannuate homes has been secured, the balance shall be added to the endowment fund now in the hands of this board, the interest of which shall be applied to the support of our conference claimants.

Respectfully submitted,

A. M. MANN, Chairman.

A. M. DAIGER, Secretary.

## Report of Committee on Sabbath Observance

DEAR FATHERS AND BRETHREN: Since God, who gave us all our days gave us the Sabbath day also, and rested on that day Himself from common labor, and kept it holy and commanded us to do the same; and as the Christian ministry largely creates and maintains moral sentiment, it devolves in a special manner upon us to maintain the sanctity of the Christian Sabbath.

To this end we urge upon you to discourage, both by precept and example, all kinds of Sunday excursions, Sunday picnics, Sunday picture shows, and all other forms of Sunday amusements or business that tend to socialize or secularize the holy Lord's day.

Our answer to those who object to so-called Sunday laws in that they are seeking to unite church and state by seeking to compel the sacred observance of the first day of the week, is that we are only asking protection in the sacred observance of that day.

As the Sabbath is the only opportunity of the church to reach the people generally with the gospel, it is especially incumbent upon us, the dispensers of this great gospel, to so observe the Christian Sabbath as not only not to lessen the sanctity of this holy day in the minds of the people, but to deepen and broaden that sentiment.

Therefore, resolved: That we, as pastors, and presiding elders, of the Florida Conference, will abstain from the use of all public conveyances to reach our appointment on the Sabbath day, except in cases of necessity; and we express the hope that our pastoral charges can be so formed that our pastors will not be compelled to habitually use public conveyances to reach their regular appointments on the Sabbath day.

Respectfully submitted,

A. M. DAIGER, Chairman,

W. H. FUNK, Secretary.

*For the Committee.*

## Report of Committee on Temperance

*Whereas*, Being fully persuaded that the beverage liquor traffic is an unmitigated evil, being the greatest foe to the nation, the church and the home, we, the members of the Florida Annual Conference of the M. E. Church, South, in conference assembled, do rejoice in the onward march of prohibition throughout the United States, as shown by the fact that nineteen States of the Union have adopted State-wide prohibition, and that fifty-two millions of our people now live in dry territory, and that on January 1st, 1916 eighty per cent of the area of the United States will be covered by prohibitory laws; and we rejoice that in Florida two more counties, Franklin and Marion, have voted out the saloons this year, leaving only eight of the fifty-two counties of Florida in which intoxicating liquors may be legally sold, namely, Escambia, Pinellas, Hillsboro, Monroe, Palm Beach, St. John's, Duval and Nassau Counties.

And recognizing that this rapid advancement of the cause is but a challenge to the prohibition forces for greater effort, and for the occupation of advanced ground and new territory,

*Therefore, Be It Resolved:*

First—That we urge our National Congress to prohibit the granting of United States revenue licenses in dry territory, and to enact the Hobson Resolution, or some similar measure, referring the question of National Prohibition to a vote of the States.

Second—That we petition the Legislature of 1917 of the State of Florida to enact more stringent laws against the illicit sales of intoxicating liquors in the forty-four dry counties of the State, and to enact the Submission Measure for State-wide prohibition.

Third—That we urge our people to enforce the laws of the church against drunkenness, or the drinking of spiritous liquors, and to support men for public office who are opposed to and will vote against the licensed liquor traffic.

Fourth—That we commend the arduous labors of the Woman's Christian Temperance Union in their work for the complete elimination of the liquor traffic, and we pledge them our co-operation by opening to them our houses of worship and in every other possible way.

Fifth—That we endorse the work of the Anti-Saloon League, pledging our hearty support and co-operation, and opening our houses of worship to the representatives of the League.

Sixth—That we appreciate the earnest and effective work done by Rev. C. W. Crooke, Superintendent of the Anti-Saloon League of Florida, and recommend his reappointment by our Bishop as Superintendent for the ensuing year.

(Signed)

J. D. MURRAY, Secretary.

S. GRADY, Chairman.

## Report of Committee on Books and Periodicals

It is gratifying to note the enlarged business and the increased prosperity of our Publishing House, under the efficient management of Smith and Lamar, Book Agents. Among the recent books published by the house is one of high order, "The Ethical Life," by Rev. C. W. Mathison, of our conference, for which we wish, as it deserves, a large circulation and a careful reading.

The death of Dr. Gross Alexander, Book Editor and Editor of the Review, was a great loss to the church. We believe, however, his place will be well filled by Dr. H. M. DuBose, who has been appointed by the Book Committee. The Methodist Review maintains its high standard of excellence; and deserves from preachers and laymen a larger patronage.

The Christian Advocate is rich, full, and strong, as an exponent of the thought and life of our church; and the conference should endorse the splendid editorial management of Dr. Ivey by an increased subscription list in Florida.

z

We commend the faithful efforts of the Publishing Committee of the Florida Christian Advocate in behalf of this, our own home paper. Rev. J. E. Wilson, its editor, is giving the earnest labor of a well-trained mind and loyal heart, to making the paper worthy to enter every home and helpful in building up the Kingdom of Christ among us. The subscription list should be 5,000, rather than 3,200. We urge an early canvass for the Advocate and the securing of new subscriptions in each charge, to pay the Advocate assessment.

It is the opinion of the committee, after consultation with the editor, that the paper would be more helpful and interesting, if the separate departments were abolished and the various interest treated therein, committed wholly to the Editor-in-Chief.

EDW. K. DENTON, Chairman.

HENRY E. PARTRIDGE, Secretary.

## Report of Committee on District Conference Records

We have examined the records of all the districts, except Tallahassee District, whose records we did not receive. We find the records all well kept, and especially the record of Jacksonville and Ocala Districts. We recommend the records of the Jacksonville District as a model for others. It is excellent in every respect.

J. L. GRIFFITTS, Chairman.

W. G. STRICKLAND, Secretary.

## MEMOIRS

*Rev. Thomas Barone*

Rev. Thomas Barone was born in Balermo, Sicily, in 1872, and died in Tampa, Florida, Nov. 24, 1915.

He became a doctor of laws of the Palermo University and practiced law in his native land for thirteen years.

He was converted while he was engaged in the practice of law and joined the Waldensian Church of Italy. He became an active worker in this historic Martyr Protestant Church of Italy. He afterwards immigrated to New York and became a member of the M. E. Church, and later received into the ministry of that church, became an elder, and served in the Italian missions of that church for seven years, while in three important Italian missions in the City of New York his health became affected because of the cold climate, and he was advised to seek a Southern climate. On the first of October, 1913, he came to Tampa to take charge of the Italian Mission on Ninth Avenue and Seventeenth Street, of Ybor City. Here he labored valiantly in this difficult field for two years. His health, on coming South, did not improve; he struggled against his weakness until he fell at his post.

He was a truly converted man, and loved the church with all his heart. He was a true and faithful son in the Methodist itinerancy. He leaves a wife and three children, who have returned to New York.

J. D. LEWIS.

*J. W. Bigham*

James W. Bigham was seventy years of age, having been born near Marion, Crittendon County, Kentucky, on May 7th, 1844. In early youth he was educated for the law profession, and practiced in his native county until he reached the age of thirty years. He was clerk of the court of Crittendon County when he resolved to abandon that office and the practice of law for the ministry, and labored in the Louisville Conference until he came to Florida, about twelve years ago, except three years, which he spent in the evangelistic work, laboring with the late Rev. Sam P. Jones.

His first work in the Florida Conference was the pastorate of the Tallahassee church, where he remained two years. He next served the Bartow District two years, then was pastor of the First Church of Jacksonville two years and at Ocala one year. His next appointment was that of Conference Temperance Evangelist, in which capacity he was regarded as a power of no small ability. At the time of his death he was entering upon the fourth year as presiding elder of the Gainesville District.

He was married on October 20, 1869, to Miss Martha E. Hughes, at Marion, Kentucky, who, with five children—one son and four daughters—survive him. The children are: Mrs. Hattie B. Heston, Gainesville, Fla.; Mrs. G. B. Skipper, Bartow, Fla.; Mr. James W. Bigham, Jr., and Mrs. W. J. Parker, of Jacksonville, Fla., and Mrs. J. H. Vidal, of Gainesville, Fla.

Brother Bigham was one of the most widely known and most beloved ministers of our conference, and besides his power as a minister of the

gospel, was considered one of the ablest temperance lecturers of the South. He was nominee for Governor of Florida on the prohibition ticket a few years ago. He possessed extraordinary gifts as an impersonator, and thousands have been made to look upon the bright side of life through his ministry.

He was buried in the family lot in Gainesville, Fla., the funeral being conducted by Bishop H. C. Morrison, who for many years has been a warm personal friend to the family.

He was presiding over the meeting of the District Stewards when stricken with apoplexy, and died in a short while. As he was in life, so he was in the hour of death. He passed away shouting and praising God.

C. H. SUMMERS.

*Thomas Coke Bradford*

Thomas Coke Bradford was born of religious parents (Harrison Bradford and Rachel Asbury Reams), in East Feliciana, Louisiana, January 29th, 1841, and departed this life in the faith of the gospel, September 4th, 1915, in Live Oak, Fla.

He was educated at Old Centenary College, of Louisiana, completing the course with the class of 1861.

He at once entered the Confederate Army, and took part as a non-commissioned officer in the battles of Shiloh, Farmington, Perryville, Murfreesboro; the siege of Jackson, Miss., Chickamauga, Missionary Ridge, and New Hope Church, where he was seriously wounded and disabled for active service, during the remaining months of the war.

He was happily married, Dec. 21st, 1865, to Miss Martha Ellen Thompson, and after a varied life as farmer, merchant, and school teacher, in 1876, while principal of a large school at Beauregard, Miss., he was "called to preach." The call was unmistakable, and signal, and the response prompt and cheerful. He was "admitted on trial" in the Mississippi Conference shortly afterward, December, 1876, and appointed to serve the Beauregard and Wesson charge. In the fall of 1881 he was called to the Presidency of Fort Gibson Female College, where he served for six years.

He was thence appointed by Bishop Galloway, and commissioned by Secretary L. Q. C. Lamar, to the Superintendency of Chilocco Industrial School for Indians. Here he served less than two years, as his health had somewhat failed, and was transferred by Bishop Galloway to the Florida Conference, February, 1889, and stationed at Lake City. He was delighted to be returned to the regular pastorate once more, when suddenly a great bereavement fell upon him, in the loss of his wife.

He served the following charges in Florida: Lake City, two years; Monticello, four years; Gainesville, two years; Live Oak, two years; Jasper, two years; Leesburg, one year; Inverness, one year; Madison, two years; and having lost his voice partially, was superannuated in 1904. He most happily married, the second time, Miss Anna Newkirk, of Western North

Carolina, December, 1890, who has lovingly administered to him throughout his long illness. He was the father of thirteen children. These are some of the condensed facts of a life of more than seventy-five years, forty-five of which were vigorously and efficiently spent in the service of God and his fellow-men. In all the record, there is not one mark of selfishness or self-seeking. In the service of his country, he was prompt, brave, and persevering, ceasing only when so wounded as to be unable to do more. When Christ "called him," he was just as prompt, brave and persevering, retiring from the front only when so wounded by disease as to make service impossible. And yet he did not cease to serve.

His presence breathed the "gentleness of Christ," and was a benediction to those privileged to enjoy it. In all the relationships of life, he was true, courteous and considerate. He was a "gentleman of the Old School," with the spirit of which Christian martyrs are made.

It needs not be recorded here that many loved him, as one of whom I count myself. As his presiding elder, I first learned to value his character at its true worth, his deep and broad culture, his uncomplaining fortitude under afflictions, and his unselfish consideration of his brethren.

He has suffered much, but no word of doubt has marred the perfection of his faith in Christ, and "the Father's love."

He has left us. The world is not so rich as it was! Time has lost one more treasure, but Eternity has garnered him. He, after a long life of loving, diligent service, has left loved ones without earthly treasures; but they are rich in the incarnated influences, the Christly deeds, and the honored name he never sullied. "A great man, and a prince in Israel, hath fallen 'into the arm of his Lord' this day."

Servant of God, well done!

Thy glorious warfare's past;

The battles fought, the race is won,

And thou are crowned at last.

IRA S. PATTERSON.

Live Oak, Fla., Sept. 6, 1915.

### *Henry Hice*

Rev. Henry Hice was born in Syracuse, New York, January 2, 1849, and was sixty-six years old when he fell asleep in Jesus, at Coleman, Florida, where he was serving his appointment by the Bishop.

He was converted at the age of twenty-one, and began his Christian activities in connection with the Young Men's Christian Association in Chicago, and in New York City. In this congenial service, for one of his tastes and temperaments, he gave several years of active service. In severing himself from this work, he came South, and having received a license to preach the gospel, he spent seven years as a member of the South Georgia Conference.

From this conference he later transferred to the Florida Conference, to which he gave twenty-three years of unselfish service.

During these years he served charges in Fernandina, Bradentown, Brooksville, Jasper, First Church, Key West; Hyde Park, Tampa; and Coleman, from which he was recently transplanted.

In all of these charges there was given the most careful and painstaking service, by the pastor, counselor and friend. Being of an optimistic spirit, his life gave courage and inspiration to all with whom it came in touch. With unswerving faith he pushed forward in his work, and mountains of difficulty were removed from before him.

And while in a large measure successful in all of his charges, peculiarly was he blessed in his work in Fernandina, Key West, and Tampa, where, through his untiring efforts, the first chapel for the Hyde Park Methodist congregation was erected.

After having spent a few years in Florida, Brother Hice was called to sustain the loss of his companion, but several years later, while pastor of First Church, Key West, he was again happily married, and in this instance to Miss Park, of this city, who proved a help-meet indeed, and who has cheerfully shared with him in all the duties and responsibilities of the itinerant system.

Always ready to toil and sacrifice for the Master, he set an example before the younger members of his conference, that is highly worthy of their imitation.

Not only was Brother Hice an interesting speaker, but as a singer he often carried the message of salvation to his hearers through his devotional songs.

A peculiar thing connected with his going away was that he had prayed that he might die just as the sun was rising over the hills, and as an indication that his prayer was heard, he fell asleep just as the high places were catching the first light of a new day. And doubtless in his awakening he saw the glory-lit hills of the celestial life.

Left to mourn his departure are his companion and Roy C. Hice, their only son, who will have the prayers and sympathy of the brethren of the conference.

ED. F. LEY.

*Mrs. A. L. Hope*

Mrs. A. L. Hope was born in Wilmont, Ohio, February 27, 1870; was married to Rev. A. L. Hope, April 27, 1891; and was converted and received into the church, under her husband's ministry, in the fall of the same year.

She was a loving companion and true help-mate to her husband, a tender mother to her children, and an earnest worker in the church, especially teaching and helping the children.

The last years of her earthly life were marked by failing health and pain. As the shadows gathered around her, her soul cried out for fuller light and deeper love. Earnestly she sought, and, in June, 1915, entered the experience of perfect love. Her soul rested calmly on God; and though she passed "through the valley of the shadow of death," she feared

no evil. Under the tender ministrations of husband and friends, she awaited her release; and on August 16, 1915, entered into the final rest of the faithful.

H. E. PARTRIDGE.

*E. C. Hudson*

Edward Clark Hudson was born at Fayetteville, Tennessee, August 28th, 1861, and was stricken February 7th, in his pulpit at Green Cove Springs, and passed away at 5 o'clock p. m., without regaining consciousness.

He graduated with highest honors from Hiwassee College, Tennessee, May, 1881. Later he took his Ph.D. from Columbia, and M. D. from the university in Washington, D. C. He was one of the best educated men in the State. He spent a good many years in educational work,—twice filled the chair of Languages in Southern College. He was ten years in the employ of the Government at Washington. It was there he met Miss Emily S. DeVeir, whom he married in Roanoke, Va., August, 1904.

Dr. Hudson was modest and retiring in his nature, and never thought of himself more highly than he ought,—not as highly as the friends that knew him well.

He was a student from boyhood, and as is often the case, he preferred books to social life, and for a number of years the social side of his life was somewhat neglected, but after entering the ministry his contact with the preachers, whom he loved, and his pastoral work, developed most remarkably the social side of his life, and it is doubted if the conference has had a more universally popular pastor among the people whom he served.

He was a close student of the Bible, and his daily reading was mostly from the Greek and Hebrew. This with his deep piety and reverential spirit, made him a clear and forceful preacher.

He was a clear, logical thinker; he loved and sought the truth; he recognized it as an eternal principle upon which all things worth while must rest, and he honored it wherever found. I never knew a man with greater detestation for shams or pretense. Falsehood in any form found no place in his speech or life, and his heart was grieved when men seemed to hold truth and justice in light esteem. While retiring in disposition he was a man of pronounced convictions and desired good-fellowship with all men, but would make no compromise with principles of high integrity.

He kept open house, loved his friends, and was never disappointing to them.

From boyhood he was clean, strong, noble, and has given his life back to God, unstained by the sins which mar so many.

He came as near being an ideal husband as anyone could hope for; the home life was beautiful, with the thoughtful kindness of each. No children came to the home and the wife is left very lonely. A good, pure and devout man has gone from us.

S. W. LAWLER.

*Mrs. Lucina C. McCook*

Mrs. Lucina C. McCook, nee Williams, was born in Pike County, Alabama, June 15, 1836, her father being a local preacher. At the age of ten years, she was converted, and joined the Methodist Church, this beginning a life of earnest, faithful, loving service for the Master and her fellow-man.

Moving to Florida in 1857, her parents settled in Hernando County, where, on October 18, 1854, she linked her fortunes to those of Rev. Samuel A. McCook, of the Florida Conference. It took a brave heart in those days of hard work and small salaries to marry a preacher; but she did not shrink from the privation of this life, for love led the way and made it sweet. Nor did she shirk its duties, for faith made the call. In the home life she illustrated the religion she professed and in the church cheerfully performed her part of its work. Her husband found her a help-mate indeed, in his struggles and labors. Of six children in this preacher's home, two became preachers—Rev. M. K. F. McCook, formerly of this conference and some years since deceased, and Rev. S. A. McCook.

In the lonely years of widowhood and the feebleness of old age, the pure gold of her Christian character shone forth and she proved indeed a vessel of grace fitted for the Master's use. Her faith grew stronger, her hope brighter, and her love more tender. Patiently she waited the last call; and on July 8, 1915, fell sweetly "asleep in Jesus;" and went up to rest and wait.

H. E. PARTRIDGE.

## EDITOR'S NOTE

Elected at a late hour, the Editor of the Minutes had little time for preparation. Hence incompleteness and a few inaccuracies. The goal has been to get available matter into the hands of the preachers, rather than take time to verify and collect. According to positive promise to the secretaries the statistical tables are printed according to copy. The editor is not responsible for omissions or inaccuracies.

With pre-conference preparation there is no reason why the minutes might not be out in twenty days after conference.

The editor wishes to thank Rev. J. Lawton Moon for assistance.

THE EDITOR.

In this service, J. P. Hilburn, an elder in the church of God, read the epistle.

Immediately after ordaining the deacons, and assisted in the laying on of hands by the elders named above, and also by R. H. Barnett, F. R.

Bridges, and J. L. Kilgore, all elders in the church of God, I ordained each of the following traveling preachers to the office of elder in the church of God, each one having been elected to that office by the same Annual Conference of the same Church: William Arnold Fischer, James Desso Murray, James Everett Shepherd, and Daniel Dulaney Dieffenwierth.

In this service, R. H. Barnett, the elder named above, read the gospel.

## Board of Missions

We desire to call attention to the following facts:

1. That on an assessment of \$16,000.00 we will not realize more than \$10,000.00.
2. That many charges report less than 50% raised on the Conference Assessment.
3. That the Every Member canvass is mandatory by the Discipline.
4. We would recommend that the Presiding Elders get monthly reports from the preachers as to progress being made on collections.
5. We would urge that the brethren begin early in the year to raise the Mission Collection.
6. We regret to note that some charges reporting in full on pastor's salary show very little on claims.
7. We would discourage the budget system and call attention to the same as a violation of the law. We would recommend the use of the Duplex Envelope system.

The Board recommends the appointment of Rev. Ira S. Patterson as Conference Missionary Evangelist, and endorses as evangelists the following local preachers: J. B. Culpepper, H. L. Ezelle, T. J. Norsworthy, S. A. McCook, W. H. McLeod, F. P. McCall.

C. W. WHITE, For Committee.

## Sunday School Board

There is advance in every department of Sunday School work.

The sale of literature, uniform and graded, reached 110,349 copies over the previous year.

We commend the "Worker's Council" as a publication necessary to every officer; we recommend the use of graded literature wherever possible; we urge our own assessments in full before contributing to Interdenominational work; we ask the same assessment for our work as last year, namely \$2,100.

We note with pleasure that the total Sunday School enrollment almost equals the enrollment of church members in our conference, but we note with regret that only twenty-five per cent of the schools observed Children's Day.

The Wesley Bible Class Federation at Ocala was a great success, and we report an increase of 70 Wesley classes during the year. The number of Teacher Training classes has increased also.

We recommend the appointment of A. H. Cole as Field Secretary, and commend him to our schools. The Committee is planning district organizations and district institutes, for which we bespeak the co-operation of Presiding Elders and pastors.

F. E. STEINMEYER, Chairman.

C. F. BLACKBURN, Secretary.

## Board of Church Extension

Ocala, Fla., December 9, 1916.

We beg leave to submit the following report:

*First.* We have had before us this year 18 applications for aid; for parsonages, 3; for churches, 15. The total amount asked aggregates \$6,000. Manifestly, since our collections are only about \$4,200, as compared with \$4,608.48 last year, and as only one-half of this sum is subject to conference disposal, it has been impossible for us to respond to all calls, and even when appropriations have been made, they have generally fallen far below the amounts desired.

But we have done the best we could with the money at our disposal.

The assessment made for 1917 on the Florida Conference by the General Board is \$6,600.00, to which we have added \$800.00, for our conference loan fund, making \$7,400.00. This does not represent any increase over the past two years.

We have granted donations as follows:

## Report of the Joint Board of Finance

We beg leave to report that, in obedience to your order of last year, we employed an auditor to audit the books of our Conference treasurer, and that auditor's report, handed to us, is as follows:

"Rev. W. P. Buhrman, Chairman, Joint Board of Finance:

"I beg to submit herewith my report as to the condition of the books of the Conference treasurer, Mr. R. H. Johnson.

"I find them well and correctly kept and all data relative to his accounts for the year 1915 well recorded and easily checked, and the only criticism I would make is that in the case of nearly all the various claims remittance was not promptly made, but by the close of the Conference year an accounting has been made for all collections made by him.

"In connection with the record of previous years will say that I was unable to make an intelligent audit on account of the fact that all duplicate copies of receipts given the various pastors had been destroyed, as they were considered of no value after the Auditing Committee had made their report at the Conference session; but I verified the amounts as shown by his books with those of the various treasurers' books, and found them correct.

Respectfully submitted,

"EDGAR A. PABOR, Auditor."

We approve assessments as follows: For Sunday School work, \$2,100.00; for Orphanage, \$7,000.00; for Education, \$12,500.00; and for Church Extension, \$6,600.00. And we recommend that the Advocate assessment be \$2,000.00, instead of \$2,400.00.

The following resolutions were passed:

(1) Resolved, That we request the Conference to endorse the budget system of finances and to ask those churches adopting this system to provide an equitable distribution of the funds as collected.

(2) Resolved, That the executive committee of the Joint Board of Finance be instructed to employ an auditor to audit the books of the Conference Depository.

W. P. BUHRMAN, Chairman,

C. E. EARNEST, Secretary-Treasurer.

## Board of Education

We are pleased to report that last year there was an increase in the per cent of the Educational Assessment collected over the previous year throughout the entire Church. We suggest as a slogan for 1917, "Educational Collections in Full."

The Department of Ministerial Supply and Training calls to our attention anew the need of a greater number of ministers for both the Home and Foreign fields. This fact makes it important that the Annual Sermon ordered by the Discipline be preached in every pulpit on the claims of the ministry, the proper observance of Vocation Day in every Sunday School, the distribution of literature on the ministry, and the personal search by our pastors for young men whose hearts are moved upon by the Holy Spirit to devote themselves to this high calling. For these uses, the Department of Ministerial Supply and Training will furnish literature without cost.

We present to you the need of helping young men to secure educational equipment for the ministry when they look to this work as their life calling.

The Correspondence School reports an enrollment for the past year of 2,407 students. We urge our under-graduates to take the correspondence course.

The Report of our Educational Commission states that our Southern Methodist University, located at Dallas, Texas, has assets amounting to the sum of \$2,650,000.00. In all the departments this Institution has an enrollment of 750 students, which number does not include 156 students enrolled in the Summer Normal School. Its report shows also that Emory University has three departments in operation with a total enrollment of 761 students, not counting students attending the School of Theology during the summer term. The total assets of this University now approach the sum of \$3,000,000.00.

We recommend that our preachers and people co-operate with the Educational Commission in securing one million dollars for Emory University from the Georgia and Florida Conferences.

We have had submitted to this Board a detailed financial report from Rev. R. H. Alderman, President of Southern College, dating from the time when his administration began up to the present time. During this period

of time, the equipment of Southern College has been greatly improved, the number of students increased, and greater interest has been awakened in our Church in Florida in behalf of the success of this Institution. We recommend that the Campaign for raising \$30,000.00 to pay off the indebtedness on Southern College be continued during the coming year, and that the month of February, 1917, be fixed as Educational Month. We recommend that Rev. R. H. Alderman be appointed President of Southern College; and that Rev. L. F. Chapman be appointed as Conference Secretary of Education; and that Rev. G. E. Summers be recommended for appointment as Student in Emory University.

Our attention has been called to a plan to have a two days Pastors' Conference at Southern College at the time of the Commencement. We recommend that our preachers heartily endorse this plan, and that as many as possible attend the Conference.

Respectfully submitted,

Ocala, Fla., Dec. 8, 1916.

L. D. LOWE, Secretary.

## Epworth League Board

We submit four items of interest:

1. The State Conference which convened in Sutherland at Southern College in June was indicative of enthusiasm for League and College alike. The attendance was large and there was unanimous vote for return to Sutherland in 1917.

2. Our League is among the largest contributors to the African Special, the goal for 1917 being \$1,200, besides which the League proposes to raise \$300 for Latin work in the State.

The State Treasurer handled \$1,288.65, which was applied as follows: Dues, \$319.95; African Special, \$821.80; Chapter fees, \$73; Southern College Scholarship, \$67.50; Anniversary Day Fund, \$6.40.

3. A plan is under contemplation whereby a Field Secretary will work in Florida and contiguous conferences, the entire expense to be paid by the State Conference. Should this be undertaken we request the pastors to co-operate with the Secretary.

4. We re-affirm the belief that the League will always be of aid to any pastor who will wisely employ it, planning sympathetically, labors adapted to the limited experience and the new enthusiasm of his young people.

J. L. KILGORE, Chairman,

L. F. CHAPMAN, Secretary.

## Board of Lay Activities

We are pleased to report some progress; but regret that there are still evidences of lack of interest and neglect in most charges.

The quarterly conference appointments are usually made, but the committees called for are neglected. The every member canvass and the

duplex envelops are meeting success and growing in favor. We urge these plans in both city and country.

Any plan to get results must be worked. Among the things that we can do are, to put our papers, especially the conference organ in every home, and to do some evangelistic work.

Concerning the latter we recommend that laymen hold services on circuits at churches when the pastor is elsewhere, regular monthly appointments wherever possible. We suggest that at such services the layman leading take an offering and sent to the Depository as a fund to be known as "Layman's Special for Conference Missions." This plan is endorsed by the Board of Missions. The Conference Leader is asked to submit this proposition through our organization, and through the pastors.

We recommend A. W. McLeran for re-election as Lay Leader of the Conference.

A. W. McLERAN, Chairman,  
J. H. BUNCH, Secretary.

## Bible Board

The American Bible Society deserves special attention just now because of its hundredth anniversary, which is to be celebrated next year in an appropriate manner.

The century of the history of the society has been full of service. It has printed and circulated 117,687,591 volumes in more than a hundred and fifty different languages. It now works in almost every part of the world, employing 2,167 colporters, and has printing houses in nine great world centers. For this work it is largely dependent upon the contributions of the people.

Appropriations already for 1917 reach \$652,300, but in order to keep out of debt the appropriations have been cut \$7,000. Yet to maintain the work it must ask from the various churches \$262,300.

Mission fields, war zones, and every part of our own country are calling for Bibles. The society needs a million dollars sorely.

It is with pleasure that we have with us Rev. H. C. Tucker, American Bible Society agent from Brazil, who has given us most inspiring information.

The reports from our conference last year were most discouraging, only fifty charges reporting anything, and the total amount being only \$149. Two districts reported only \$3.00 each.

We urge that our pastors follow the discipline by taking the collection ordered in each congregation, and that wherever possible March be made the time of celebrating the centennial of the society, and the raising of the amounts for the same.

J. C. JONES, Chairman.  
F. L. CROWSON, Secretary.

## Orphanage Board

The term of office of the Trustees of the Florida Methodist Orphanage expires with this conference, according to our constitution, we therefore submit the following nominations for the action of the conference: Clerical—J. R. Cason, T. J. Nixon, S. Hardin, W. J. Carpenter, J. M. Gross, R. I. Barnett, C. W. Inman, J. Lawton Moon. Lay—T. Griffith, C. Brinkley, L. R. Phillips, C. E. Howard, F. M. Hudson, E. D. Anthony, W. T. Hendry.

We submit a brief report of the year's work:

*Change of Policy*—It was found necessary and unanimously agreed to discontinue the boarding of half orphans, and to receive only full orphans, or destitute children fully surrendered to the Institution. This has reduced the number of children in our care, boarders having been returned to their guardians. Of course the receipt from boarders has been cut off.

*Change in Management*—Mr. and Mrs. H. B. Leach resigned the first of September, and Mrs. H. G. Brooks has been made superintendent, and under her management the work is being carried on successfully.

*New Property*—Under Mr. Leach 17 acres of land had been obtained and used to advantage in trucking. Later it was found that this very fine tract of land could be bought at a bargain. It lies upon Lake Monroe, has, besides other buildings, a three-story house, and some of the best land for raising truck. A committee was appointed and the place secured. Here an industrial home and farm may be maintained, eventually self-supporting.

For the paying of this the assessment must be slightly increased, or there must be a fund beyond the assessment. The Board makes appeal to stronger charges to bring in a surplus next year for these special needs.

*Bequests*—Our second bequest came to us this year. Mr. J. C. Ver-trees, Jr., of Palatka, left a gift of \$500.00 for the Orphanage. This has gone with the bequest of \$400.00 from Miss Glass into the new home.

*Improvement*—During the year an electric lighting system has been installed.

Two of the older girls, having finished the public schools, are at Southern College. This opportunity for the girls was made possible by three Sunday School classes, the pastor at Sutherland, and Southern College. The classes are: Philathea class, of Gainesville; "The Daughters of Wesley," Sanford; and the Wesley Philatheas, Fort Myers.

All religious services of the week, and religious instruction are carefully maintained. All but two children are in school. Health conditions are excellent.

*Support*—Churches, through the Sunday Schools, have done well toward the Orphanage, which is shown by the attached report of the Treasurer.

*Assessment*—The Board requests an assessment of \$7,000 for 1917.

*Officers*—The officers for the ensuing quadrennium are: President, T. Griffith; Vice-President, J. R. Cason; Secretary, J. Lawton Moon; Treasurer, C. Brinkley; and C. W. Inman, member of Executive Committee.

The conference is asked to receive Brother Griffith as the representative of the Board and to co-operate with him in every way possible.

J. R. CASON, Chairman.

J. LAWTON MOON, Secretary.

## Florida Christian Advocate Trustees

We record another year of progress for the Advocate, in spite of serious hindrances owing to the unusual cost of publishing material. The financial showing made by our editor and publishing agent to the Board is as good as that of last year, and perhaps a little better.

Early in the year your Board of Trustees entered into a contract with Editor J. Edgar Wilson for publishing the paper, instead of renewing contract with former publishers.

The paper is being printed now by the Methodist Publishing Company, of Lakeland, of which Brother Wilson is manager. This arrangement gives many advantages over the former plan of publication, as the paper and its interests are always given preference in the office.

We desire to express our appreciation of the faithful service rendered by Brother Wilson, in the effort he is making to place the Advocate on a solid and permanent foundation. In this commendable work he is succeeding to a marked degree, and we feel that as a conference we are due him our active support and co-operation.

Owing to the increased cost of the paper on which we print the Advocate, and other material used in its publication, we have found it necessary to either reduce the size of the paper or increase the subscription price. We decided on the latter, and beginning with the month of December the price was advanced to \$2.00 per annum, this rate to apply to all, except in the case of Conference Claimants.

We recommend that our assessment be placed at \$2,000, and that as heretofore, pastors and churches be allowed to pay this assessment in new subscriptions to the paper.

The present circulation is 2,650 copies, and these are bona fide subscribers.

We recommend that March be designated by the conference as Advocate month, and that during that month special effort be made to place the paper in every home.

We recommend J. Edgar Wilson as editor and publishing agent and request his appointment by the Bishop.

Respectfully submitted,

S. W. LAWLER, President.

D. B. SWEAT, Secretary.

## The Board of Trustees of Southern College

We have carefully considered all the interests of the Institution and used our utmost endeavor to conserve its well-being and foster its development.

The action of the conference in the last two years in its liberal planings for the school's support is bearing a wholesome fruitage in the increased patronage and greater confidence.

Under Dr. R. H. Alderman's third year of faithful and efficient administration, it is becoming more and more manifest that the work done is real college work, and he is also impressing the importance of the Institution on representative business men with whom he has become affiliated.

The matriculations for the fall term of the present school year have been very gratifying, there being 180 to date, without counting doubles, 139 of whom are boarding in the Institution. This increased enrollment has lessened materially the prospects of the usual annual deficit from operating expenses.

In regard to our finances, however, it should be borne in mind that the present administration was met with an indebtedness of \$13,433.93, and that this indebtedness has been augmented during the past two and one-half years by \$15,844.22 expended for absolutely necessary repairs and refurnishing. To this there must also be added an interest expense amounting to \$4,429.17; also a deficit in running expenses for the past two years of \$6,037.27; and \$6,500, by which we get \$15,400 in Sutherland Dev. Co. Thus it comes about that at the present time we face a crisis of accumulated obligations aggregating \$36,446.97, which can be offset by very little that may be regarded as assets immediately convertible into cash.

It was reported at the last session of the conference that we had

effected a sale of the College interests in the Sutherland Development Company. Later in the year certain stockholders, in said company, members of your Board, who held \$8,900.00 stock, agreed that if the College would acquire \$6,500.00 of treasury stock by lifting a loan in a similar sum thereon, they, the stockholders, would present to the College the amount of their holdings. This was done, and now the College has augmented its holdings by such sum as will make its present interest in the company amount to \$35,800.00, which sum is drawing 6% interest.

According to Mr. A. C. Clewis, a banker and prominent business friend of the school, this stock is worth 100 cents on the dollar. But for certain valid reasons it is not at present convertible into cash and is therefore not available to meet the emergencies that present themselves for our consideration.

At our last conference you adopted the policy suggested by this Board of putting a Special Commissioner of Education in the field, and requested the appointment of Rev. W. G. Fletcher to act as such commissioner. It was agreed that an effort be made to secure the sum of \$30,000.00, which, coupled with certain available resources, would, we felt, entirely clear the school of debt.

Owing to general financial stringency, the canvass put on at this time was only partially successful. Notwithstanding this fact we feel that our commissioner's excellent work in creating sentiment in favor of, and securing patronage for the College, fully justified his selection and the additional expense incurred thereby.

A commendable beginning was made in the work of securing the \$30,000.00, however, and the Board has decided, with your endorsement, to push it to a satisfactory conclusion. With this end in view, they ask the conference to authorize an educational special of \$24,000.00. They recommend a Special Educational Committee consisting of the President of the College, the Chairman of this Board, the President of the Board of Education, and the Presiding Elders of the several districts, that this committee be put in charge of the campaign to raise the amount we have asked, and that they be requested to meet as soon as convenient after the adjournment of the conference to enterprise the work, and arrange its details.

H. D. Bassett having resigned from the Board of Trustees of Southern College, L. W. Duval has been elected to fill the vacancy; and we recommend that J. P. Hilburn, S. W. Lawler and J. Edgar Wall be added to the campaign committee.

J. B. LEY, Secretary.

Ocala, Fla., December 9, 1916.

Board of Trustees, Southern College,  
Ocala, Fla.:

GENTLEMEN—We, your special committee, appointed to investigate Bursar's report of Southern College from June 16, 1914, to December 1, 1916, beg to submit the following:

We have carefully examined the detailed information furnished, which includes an itemized statement of salaries paid, also an attached statement from your special committee, consisting of A. C. Clewis, J. M. Harvey and I. C. Jenkins, as to the expense of operating College, which statement is hereto attached, and we concur in their statement that we see no evidence of extravagance. In fact, we believe the College has a superior corps of teachers for the amount of salary paid each.

We beg to call attention to the fact that the deficit on operating expenses has been materially reduced, showing only a deficit on the current term up to December 1st of \$53.60.

We consider that the statement of the Bursar as to the assets and liabilities of the College is correct, but we believe that the valuation placed on the physical property of the College is excessive. We would suggest that the Board recommend to the management that certain economies might be effected in making future contracts with teachers in the special departments.

After carefully considering the mass of detailed information furnished, we consider the President has handled the entire problem of operation and finance in a manner that should be satisfactory to the entire conference.

Respectfully submitted,

J. P. HILBURN, Chairman,  
F. D. JACKSON,  
J. E. WALL,  
Committee.

## Committee on Sabbath Observance

The Sabbath is not of human origin or dictation. Man would not have thought it out. It was God, who knew man better than man knew himself, that said "six days shalt thou labor, but the Sabbath is the Lord's; in it thou shalt do no work."

It is man's day for rest—a rest which God saw that His creature needed. To disregard this provision for rest is to sin against Divine authority, and the physical and mental constitution of our being. Thus the individual is bound by both Divine authority and his obligation to himself. The same principle applies to a collection of individuals—companies or corporations. They are bound by the same necessity for rest, and have no inherent right to demand service of employees on the Sabbath.

It is also the Lord's day. It is His special day to talk to human hearts, and address Himself to man's spiritual nature and needs. It is the one day of all days when the gospel's joyful sound and study of God's word is to have uninterrupted right of way. To this provision and its observance in the past is to be attributed in very great measure our Christian civilization; and in proportion as the day is desecrated by the growing social, and

commercial greed and unrest for gain and pleasure, will our civilization swing backward.

In view of the fact that our people are yielding to the temptation to unduly employ the increased facilities for travel on the Sabbath day, and many instances using the Sabbath day for travel in the interest of secular business, it is now imperative that our pastors shall preach more frequently and fully on the subject, and by precept and example lead our people to a more sacred use of the Lord's day.

L. W. MOORE, Chairman.

F. L. CROWSON, Secretary.

## Committee on Temperance

Never before have the signs of the times been so favorable for the complete extermination of the beverage liquor traffic. The war in Europe has demonstrated that strong drink must be denied both officers and men in the field. England, France, Germany and Russia have taken steps in that direction. In our own land, for the sake of efficiency, factories have closed their doors against John Barleycorn; banks demand sober cashiers; schools have turned tipplers out, and railroads demand the sober man in their effort for "Safety First." Secretary Daniels has issued a decree that the tempting bowl be banished from the ships that guard our shores.

One by one the States are coming into line for statewide prohibition: Maine in 1846, Kansas in 1880, North Dakota in 1889. There was a pause for eighteen years, then Georgia and Oklahoma in 1907, a little later Mississippi and North Carolina followed; then Tennessee in 1909, West Virginia in 1912; Colorado, Arizona, Washington, Oregon and Virginia in 1914. In 1915 came Idaho, Iowa, Arkansas, South Carolina and Alabama; and this year South Dakota, Nebraska, Montana and Michigan.

There are now but 355 wet counties in the United States to 2,238 dry. Twenty-three States are dry, while 57% of the population and seven-eighths of the territory are under dry regime.

Let us, therefore, thank God and heartily resolve:

1. That we favor the speedy enactment of a National prohibition measure, and pledge ourselves to labor for an amendment to the constitution prohibiting manufacture for sale, transportation for sale, importation or exportation for sale of intoxicating liquors for beverage purposes in the United States according to Joint Resolution of Senators Sheppard and Gallinger and Representatives Webb and Smith.

2. Resolved, That this Conference hereby petitions the Legislature of the State of Florida, at the session of 1917, to pass a submission measure, granting to the people of Florida a vote on a state-wide Constitutional Amendment at the fall election of 1918. And, that a copy of these resolutions be sent by the Secretary of this Committee to each member of the coming Legislature.

3. Resolved, That this Conference hereby petitions the Governor-elect to recommend in his message to the Legislature the passage of a Submission Act for Constitutional Prohibition. And, that a copy of these resolutions be sent by the Secretary of this Committee in due time to the Governor-elect of the State of Florida.

4. Resolved, That with great sadness we note the present status of the Anti-Saloon League of Florida, and recommend that this Conference direct its Temperance Committee, through its Secretary, to co-operate with like committees of other church bodies of Florida in a call for a Convention at the State Capital to organize a "Dry Florida Federation" to push the battle for state-wide prohibition without cessation.

5. Resolved, That C. W. Crooke, Secretary of the Temperance Committee, be directed to devise ways and provide means for the greater and more effective temperance activities of the churches within our connection, for the advancement of state-wide prohibition, and to this end, Resolved, that we request our church members and friends to turn to this Committee their contributions for prohibition work in Florida, so that the Methodist Episcopal Church South shall do her full duty in crystalizing sentiment and turning votes into the ballot box for Florida Dry in 1918.

Respectfully submitted and signed for the Committee,

W. H. FUNK, Chairman,

C. W. CROOKE, Secretary.

## District Conference Records

We have carefully examined the Records of each district Conference and have found them neatly and correctly kept, with the following exceptions:

Miami District Conference Records are not signed by the presiding elder.

The Jacksonville record does not contain the roll of charges and preachers constituting the district.

Tampa District records are not properly signed, the names of Secretary and Chairman being typewritten. Also the loose leaf form used by the Tampa District is hardly safe. We recommend the loose leaf form used by the Jacksonville District, which we deem perfectly safe.

W. R. EVANS, Chairman.

W. A. FISCHER, Secretary.

## Committee on Books and Periodicals

The business of the Publishing House shows a net increase of \$36,770, and a net balance added to the capital of \$85,715. From the proceeds \$15,000 have been appropriated for the conference claimants fund. All branches of the House have shown gains and profits. Our publishing house is worthy of every patronage.

The Circulation of the Sunday School Literature shows steady increase. The Christian Advocate has a subscription list of 15,000 names; the Methodist Review, 3,800; the Epworth Era, 21,000; all three being published at a loss. There can, and should, be an increase of circulation.

Our Florida Advocate has 2,650 subscribers, and is indispensable to our Florida Methodists. Owing to increased cost of production it seems necessary to increase the price of all our periodicals. What the result will be remains to be seen.

Your committee recommends:

1. A hearty expression of appreciation to Rev. J. Edgar Wilson for his services as editor of our Advocate.
2. That early in the year—preferably January—the claims of the Conference organ be presented by a thorough canvass, and that the presiding elders press this matter further at district conferences.
3. That we exert ourselves to extend the circulation and promote the reading of good books; and thus increase the reading habit and further the interests of our Publishing House.
4. That we endeavor to introduce The Christian Advocate in all charges, and urge preachers and laymen to subscribe for the Methodist Review.

H. E. PARTRIDGE, Secretary.

E. K. DENTON, Chairman,

*Rev. John R. Taylor*

John R. Taylor, son of John J. and Mary V. Taylor, was born in Westmoreland County, Virginia, January 24, 1838; and peacefully "fell asleep in Jesus," May 15, 1916.

Between these two dates lays the history of a loyal, loving and useful life, which only the records of eternity can fully portray. The family moved to Missouri while he was a child; and the lad grew up in a home where the itinerant Methodist preacher was a frequent guest, and which was often used as a preaching place. In this home there was an atmosphere of genuine piety. His father is described as "a man of fine mind, broad wisdom and lofty faith in God;" his mother as "a woman of intellectual gifts and serene piety." It is not surprising that the boy was taught in the Lord, and "soundly converted" at home, when thirteen years old; nor that three of the sons became preachers. He joined the Methodist Church in 1851. He was licensed to preach in 1858; and in the fall of that year was admitted on trial into the Missouri Conference, where he labored until transferred to the Florida Conference in 1883.

On August 9, 1865, he was married to Miss Andromache Porter, who linked her life, her labors, and her love with the faithful itinerant, until called to her reward, March 5, 1891. To this union seven children were born, five of whom survive, holding most precious the memory of sainted parents, and giving witness to their Christly influence.

Later in life Brother Taylor married Mrs. Ellen Brantley.

Brother Taylor was truly a man of God and given to the one work of saving souls and building the Kingdom. He loved the Bible, loved God, loved the Church, loved the brethren and loved souls. He was patient, tender, uncomplaining and untiring in his ministry. He did not have the easier places; but toiled faithfully and cheerfully in fields that demanded self-sacrifice, and often suffering. His service was a work and labor of love; his joy was in doing good; his reward was in the approval of his Master and the confidence of his brethren. It is not surprising that failing strength and declining years found him mellowing for the harvest time of life. For some years he was a superannuate; but still rejoiced in preaching, and being with and helping the brethren.

A beautiful sunset was granted him, full of patient-waiting and cheering hopes of glory; while loving hands ministered to his comfort. During the morning of the last day on earth, he exclaimed, "I feel so peaceful, 'Glory to God in the highest; on earth, peace, good will to men'." That afternoon the end came. A little before 3 p. m., he said, "I feel better;" smiled sweetly; repeated the words; then gently "fell on sleep."

"Blessed are the dead which die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labors." H. E. PARTRIDGE.

*Rev. A. L. Woodward*

Rev. A. L. Woodward was born at Marianna, Fla., Nov. 26, 1841, and died at Tallahassee, Fla., Dec. 22, 1915. He moved to Tallahassee in 1849, and there he grew up to manhood. When the war broke out he entered the Confederate Army and did faithful service as a soldier. In 1863 he was married to Miss Mary E. Scott, of Newport, Fla., with whom he lived happily until his death.

After the war Rev. Woodward engaged in railroad business. While living at Live Oak he was converted under the preaching of the presiding elder, Rev. H. B. Frazer. He soon felt the call to preach and was licensed by the Quarterly Conference of Live Oak Station. He was ordained Deacon by Bishop Galloway on Dec. 18, 1896, and was ordained Elder by Bishop Wilson in 1903.

Brother Woodward did good service as a local preacher and as a supply, and in December, 1905, he was admitted on trial by the Annual Conference held at Ocala. During his time in the pastorate he served the following charges: Waldo, Palatka, Kissimmee, Mayo, Perry, Waukeena, Aucilla, Boulevard and Cedar Keys. At the latter place, in August, 1912, his health broke down completely and he returned to his home in Tallahassee, where he lived until God called him to his reward.

Brother Woodward was a preacher and writer of more than ordinary ability. Many of his sermons were truly eloquent and powerful. He loved the Methodist Church and the Florida Conference with all his heart. During the last three years of his life he never failed to be in his place at the house of God unless prevented by illness. Although too feeble to preach himself he used every means to help his pastor in the Lord's work. His public prayers were gems of spiritual beauty, showing the earnest devotion of a man who walked with God.

He sent a message of love to the Bishop and the brethren at Tampa a year ago. Two days after the Conference adjourned the messenger came suddenly and our Brother departed to be with Christ. He leaves a wife and son, to whom we extend our sympathy and prayers. T. J. NIXON.

*Mrs. Sarah Anna Eaddy*

Sarah Anna Curtis was born in South Carolina, of Godly Methodist parents. At an early age she was soundly converted and united with the Methodist Church, in which she continued a happy and useful member until her death.

She was married to Rev. Oliver Eaddy when a young lady, and with him, was transferred to the Florida Annual Conference.

As the wife of a pioneer Methodist itinerant preacher she endured bravely the many privations that fell to her lot, and did it without complaint.

She was the mother of seven children, the youngest of whom was born after the death of his father. With the youngest son, Oliver Eaddy, she

made her home through the years. At his home in St. Petersburg, Florida, she died on February 22, 1916, in the full assurance of faith, the faith in which she had lived and served all the long days of her three-score and ten years. For many years she had been a great sufferer, and for four years had been bed-ridden. But she did not complain. Rather, she rejoiced always in the Lord, and waited for His coming.

W. F. DUNKLE.

*Mrs. I. N. Morris*

Mrs. I. N. Morris, wife of the late, Rev. W. J. Morris, of the Florida Conference, was called to her reward on June 26, 1916, at the home of her son-in-law, Dr. Joe Boring, at Waldo, Florida. Sister Morris leaves to mourn her loss, three sons and one daughter. Sister Morris was reared in the Presbyterian Church in the State of Georgia, but after her marriage to Brother Morris, she joined the Methodist Episcopal Church South.

As a wife, she was faithful and true. As a mother she was loving and kind; as a Christian, her life beautiful. Her devotion to her church and her Lord could not be surpassed. She was the most deeply pious, and wholly consecrated minister's wife it has ever been the writer's privilege to know. She was never absent from her church except when it was impossible for her to be there.

Sister Morris was always to be found at the bedside of the sick, regardless of who they were. She would carry flowers to them, and help in any way it was possible for her to help. Sister Morris was always her pastor's friend. The very day her Lord called her from labor to rest, she visited her pastor, the last visit she ever made on earth, and carried nice presents to his family. But she is gone. No more words of encouragement will she speak to sad hearts, and no more acts of love will she perform. But we know where to find her.

B. T. RAPE.

*Mrs. Louise H. Tydings*

Mrs. Louise H. Tydings (nee Bryant) was born in Jacksonville, Florida, September 3, 1842; was married to Rev. R. M. Tydings, of the Florida Conference, May, 1860; and died in Ocala, Florida, September 21, 1916.

There are perhaps few vocations in life so full of responsibility, so exacting of best effort or so rich in gracious privilege as that of the itinerant preacher's wife. To this our sister gave her beautiful young life; and on this altar of loving sacrifice to God and her beloved husband, she kept her gift without reserve or withdrawal. Her untiring thoughtfulness and efforts made the parsonage, however humble, a real "home." Her sincere sympathy and cheering faith strengthened the Christian soldier as he went forth to fight the good fight of faith; her maternal devotion, full of Christly love, and her sincere piety laid deep and well in the characters of her children, the foundations of true living; while her unselfish thoughtfulness of others and active co-operation with her husband in his work, made her a blessing to the people to whom they were sent. To her was given the heavenly distinction of being wife and helpmate of one of God's most saintly

preachers, and the mother of a consecrated woman, who, with marked success, has devoted her life to the mission fields in Mexico. Incalculable is the value of such a character and life as was Sister Tydings'.

Through the years of widowhood and failing strength, the pure gold of her character shone forth; and the vessel was fitted and beautified for the Master's use. To the Church she leaves the aroma of a useful life; to her children, the precious legacy of a Christian mother's devotion; and to the world an example of the blessedness of service for Christ.

She feared not to walk through the dark valley; and talked as if she were simply going on a visit. During her illness, the other world seemed very near, and she seemed to feel the presence of one whom she so loved, and with whom she had walked so long. In her dreams heavenly music rejoiced her heart. "The silver cord" was loosed; "the golden bowl" was broken; and the pure spirit returned to God, who gave it.

H. E. PARTRIDGE.

## Bishop Alpheus Waters Wilson

---

Bishop Wilson was born in Baltimore, February 5, 1834; educated at Columbian (now George Washington) University; married Susan B. Lipscomb, of Baltimore, March 4, 1857. He was received on trial in the ministry in 1853, in the Baltimore Conference of the Methodist Episcopal Church, and in 1866 joined the Church, South, when the Baltimore Conference was organized.

He became Secretary of the Board of Missions in 1878, and was elected Bishop in 1882. His episcopal tours in the Orient are familiar to the older brethren. His labors in the Ecumenical conferences of London, Washington and Toronto created for him more than a national reputation.

Early in the morning of November 21st, at Baltimore, our beloved chief pastor heard the voice of our Lord calling his spirit away. He had been absent from home for more than three weeks, attended the meeting of the College of Bishops in Atlanta, then the North Alabama Conference at Bessemer, where he preached and delivered the address to the class admitted into full connection.

From Birmingham he went to South Carolina, spending several days at Greenwood, where, on Sunday, he preached a great sermon from Colossians I:24-27. Of this sermon the president of Lander College said: "I have missed no chance of hearing him since 1878, and he never preached anything but great sermons, but in this sermon, strange to say, at the age of eighty-three, he excelled the deliverances of the past. It was the greatest sermon that I have ever heard from him."

His life has ever been, and will continue to be, an inspiration to the whole Church. His memory will abide with us, and the Church is richer for his life. In the Church Triumphant we shall meet him again.

E. F. LEY.

C. H. SUMMERS, Secretary-Treasurer.

According to paragraph 412 Book of Discipline, we respectfully recommend the following named brethren for your endorsement as evangelists for the ensuing year:

S. W. Walker, Frank McCall, W. H. McLeod, J. B. Culpepper, M. M. Lord, Sam McCook.

J. F. BELL, President.

C. H. SUMMERS, Secretary.

Miami, Fla., December 10, 1917.

Florida Conference M. E. Church, South:

The Board of Missions respectfully request that I. S. Patterson, D. D., be elected to be Conference Missionary according to paragraph 417 Book of Discipline, to be appointed by the Bishop for the coming year.

C. H. SUMMERS, Secretary.

We submit the following for your consideration and adoption for the work of our conference during the conference year 1918:

(1) Co-ordination of the work of the Church Extension Board and the Board of Missions.

(2) The continuance of the "Three-fold Objective:"

(a) An every member canvass in each charge.

(b) A "win one" campaign in each charge.

(c) At least one service in each church every Sunday.

(3) Holding normals in each district in connection with the "Preacher's and Laymen's Institutes."

(4) That the month of April be designated as a month for the study of "Christian Stewardship" insisting that each pastor use the entire month in presenting this subject to our people.

(5) A campaign of missionary information throughout each district, under the direction of the presiding elder and the district missionary committee, in each church.

J. F. BELL, President

C. H. SUMMERS, Secretary.

## BOARD OF CHURCH EXTENSION

Miami, Fla., December 6, 1917.

We beg leave to submit the following report:

*First.* We have had before us this year 14 applications for aid. For parsonages, 1; churches, 13. The total amount asked for aggre-

gates \$4,236.00. Manifestly, since our collections are only about \$4,172.00, a slight increase over last year, and as only one-half of this sum is subject to conference disposal, it has been impossible for us to respond to all calls. But we have done the best we could with the money at our disposal.

The assessment made for 1918, on the Florida Conference by the General Board is \$6,600.00, the same as last year.

We have granted donations as follows:

*To churches—*

Seffner .....	\$ 150.00	
Memorial, Key West .....	200.00	
Wesley Memorial .....	100.00	
New Augustine .....	200.00

Vero .....	250.00	
DeSoto City .....	200.00	
Bunnell .....	186.00	
Terra Ceia .....	100.00	
Sumatra .....	100.00	
		—————\$1886.00

*To parsonages—*

New Augustine .....	\$ 200.00	\$ 200.00
---------------------	-----------	-----------

*Loans to churches—*

Memorial, Key West .....	\$ 500.00	
Hastings .....	500.00	
New Augustine .....	500.00	
Orange Mills .....	100.00	
Okeechobee .....	200.00	
DeSoto City .....	100.00	
		————— \$1900.00

*To parsonages—*

New Augustine .....	\$ 500.00	\$ 500.00
---------------------	-----------	-----------

We recommend that each Presiding Elder secure an adequate supply of tracts, leaflets and other literature from Dr. McMurry to sow down his district with Church Extension information and that he also secure Church Extension charts for each pastor in his district and each pastor is requested to prepare and preach a sermon on church extension from the charts given him by the presiding elder and this sermon to be preached during the first quarter of the year.

We further recommend that articles be written on Church Extension to be published in the Florida Christian Advocate, by W. J. Carpenter, J. B. Mitchell, H. Dutill and W. F. Jones.

We further recommend that a Committee on District Represen-

from it we receive our due proportion of aid; and it is able to translate the Scriptures into the varied languages, and furnish them far more cheaply than we could do it. Mission fields, war zones, and every part of our own country are calling for Bibles. To accomplish this great work millions of dollars are sorely needed.

We regret to report that our own Conference is not only falling far short in its opportunities in this work, but is also failing to comply with our own disciplinary plan of taking a collection once a year in each congregation. For, of our own 148 charges last year, only 59 made contributions to the American Bible Society, leaving 89 that reported nothing. Those 59 charges paid only \$298.00. However, that is just twice the amount paid the previous year. \$395.53 was paid this year. We are glad to report this increase; but we need to recognize that we are still far short.

We recommend an assessment of a sum equal to 1 per cent of the pastor's salary to be placed on each charge by the presiding elders and the District Board of Stewards; and, that our pastors follow the disciplinary plan in the raising of said assessment by receiving a free-will offering from each congregation.

Signed,

J. C. JONES, Chairman.

F. L. CROWSON, Secretary.

## ORPHANAGE BOARD

We, yours and Christ's servants, respectfully submit our annual report concerning the Conference Orphanage. The year just past has been marked with some degree of prosperity, and advancement, which is shown by the reports of the Treasurer and of the Superintendent included in this report.

Under the good management of Mrs. Brooks and Miss Cason progress in the direction of self-support has been made. The new property has given good returns to the farming work, having produced the following items: Tomatoes 3400 lbs; cabbage 1500 lbs; peas 200 lbs; beans 1000 lbs; Irish potatoes 65 bu; field corn 100 bu; carrots 50 bu; onions 25 bu; sweet potatoes 150 bu; sweet corn 75 bu; pumpkins 100 lbs; squash 100 lbs; celery 8 crates; watermelons 2000; peppers 15 crates; cucumbers 30 crates; eggplant 15 crates; lettuce 20 crates; rutabagas 500 lbs; turnip greens 1000 bunches; peanuts 5 bu; hay 3 tons; beets 200 lbs.

From this there were canned 602 cans of beans; 350 cans tomatoes; 100 cans beets; miscellaneous vegetables 75; preserves 85 qts; jelly 60 glasses; orange marmalade 198 qts; orange juice 36 qts; tomato chowchow 30 qts.

*Children, Conditions, etc.*—There were 42 children in the Orphanage at the beginning of the year, 6 have been admitted, 7 returned to guardian, 1 dismissed as past age, and one supporting herself, leaving

39 in the home at present. All but four of these are in school. The religious training as reported previously is consistently kept up.

The boys and girls are taught to work and are being trained to self-support. The health conditions have been unexcelled. Though during the epidemic of Trachoma this summer it was necessary to have fifteen of the children treated, which was successfully done and all are now well.

*Support.*—The people and pastors have loyally supported this work, and have paid up fairly well on the assessment; and many valuable donations of clothing and food stuff have been received.

For the maintenance of the work, we place the assessment for 1918 at \$7000.00.

And we most earnestly urge the payment in full, because, while our farm products very materially reduce our grocery bill as compared with quantity previously bought, the great increase in price of groceries, and the annual payment on the new place will require every dollar of the assessment.

### FLORIDA CHRISTIAN ADVOCATE TRUSTEES

Despite a year of unusual difficulties the Advocate closes the year with a report comparing favorably with that of last year.

While final returns are not yet available, it is believed that the year will close without indebtedness. The circulation is somewhat larger than at this time last year.

This encouraging showing is due largely to the cordial co-operation of a number of the pastors, more general this year than heretofore. Whenever this co-operation becomes general, the Advocate will enter upon a period of sustained prosperity.

The printing arrangements entered into last year have yielded improved service, and our thanks are due to our printers, the Florida Methodist Publishing Company, for the prompt and careful service rendered.

We wish to express our appreciation of the faithful and efficient service rendered by Rev. J. Edgar Wilson in the editorial work and business management of the Florida Christian Advocate, as the organ of our Conference.

We urge all our pastors and members of our Church to greater loyalty to the Advocate and greater effort to increase its circulation.

We recommend Rev. J. Edgar Wilson as Editor and Publishing Agent and request his appointment by the Bishop.

We recommend that the Advocate assessment of \$2,000 be continued, to be paid, as heretofore, in cash or new subscriptions.

We again recommend that March be observed as "Advocate Month," and that during that month special effort be made to place the Advocate in all our homes.

S. W. LAWLER, President.

L. D. LOWE, Secretary.

## TRUSTEES PREACHERS' RELIEF FUND

Dear Brethren:

We rejoice to render you an account of our stewardship in behalf of our aged ministers, and are happy to report that progress is being made through the diligence of our agent, Rev. B. K. Thrower, as will be seen by the report of our Treasurer herewith submitted.

We respectfully request the re-appointment of the same Agent for the ensuing Conference year and would bespeak for him your sympathetic and hearty co-operation in this very important work.

The Trustees hope that in the near future a plan may be perfected whereby some form of Annuity Bonds may be issued in favor of those who desire in this way to be our donors.

## SUNDAY SCHOOL BOARD

Dear Fathers and Brethren:

Your committee is glad to report a year of progress and prosperity in your work. The record for the year will show an increase in membership, districts more perfectly organized, Children's Day better observed than in our history, a successful Bible Class Federation at Sanford, and other evidences of prosperity. We call especial attention to the work done on the Jacksonville District, led by District Secretary J. H. Bunch.

It gives us pleasure to call your attention to the very successful Assembly and School of Methods held at Junaluska this summer, and we would urge our workers, both pastors and laymen, to make a supreme effort to attend same the coming year.

In forward movements your Board is planning this year for two or more Schools of Methods, better District Institutes, and if our plans mature, to put an elementary field worker in the field.

We request the re-appointment of Rev. A. H. Cole as Field Secretary for the coming year and commend him to you for co-operation and ask a deeper appreciation of his services and the importance of the great work he plans to do.

We recommend:

1. The organization of our schools according to the Standard of Efficiency.

2. The organization of all the schools into departments.
3. The organization of Teacher Training Classes.
4. The use of Graded Literature in the Beginner's Department, Primary and Junior, at once, and the other departments as soon as possible.
5. That each Church provide all necessary supplies and equipment for the Sunday schools as provided in the Discipline.

F. E. STEINMEYER, Chairman.

C. FRED BLACKBURN, Secretary.

### COMMITTEE ON BOOKS AND PERIODICALS

We your Committee on Books and Periodicals beg to submit the following report:

We learn from the Publishing House representative, Bro. Smith, that the Christian Advocate, Quarterly Review and Epworth Era, have been published at a loss. The sale of books has been unusually good. The Sunday school literature orders have been larger than any year in the history of the Publishing House.

We would suggest that presiding elders and pastors put forth a strong effort to place the Christian Advocate into the homes of our Methodist people. We commend Dr. T. N. Ivey for his splendid management as editor of the Advocate, which is our Church Official Organ.

In this age of worldly-mindedness we would ask our pastors to urge our young people to buy and read such books as are put out by our Publishing House. We would call attention to some new books that our Publishing House is putting out.

The Florida Christian Advocate has never been more ably edited than now. Brother Wilson has wrought well. Laboring under many disadvantages, he has proven himself to be the master of the situation and is deserving of the confidence, love and co-operation of Florida Methodism. We trust that both the ministry and laity will do their best to put the Advocate into every Florida Methodist home this year. It now has a subscription list of above 2,700.

We note that our Conference only paid this year \$425.00 to the American Bible Society. Inasmuch as a great effort is being made to put a new Testament or Bible in the hand of every soldier boy who has already or shall be called into U. S. service, we, as a Conference, should do our *bit* for the American Bible Society to help make it possible for our soldier boys thus to be supplied.

EDW. K. DENTON, Chairman.

J. C. DIGGS, Secretary.

### DISTRICT CONFERENCE RECORDS

All the District Conference Record Books were placed in our

hands and show painstaking care on the part of those who did the recording.

We heartily commend the loose-leaf forms used by the Bartow, Jacksonville and Ocala Districts which make it possible to record with typewriter and then securely bind for preservation. We recommend that eyelets be secured and pasted on for the safe keeping of the records in the loose-leaf forms used by the Tampa District.

A. C. McCALL, Chairman.

J. H. DANIEL, Secretary.

### COMMITTEE ON SABBATH OBSERVANCE

God commanded man to observe the Sabbath because man needed the Sabbath. The human body requires the rest that the observing of the Sabbath day gives and the mind and the soul stand in essential need of the spiritual life and inspirations that come to it in proper observing the Sabbath day. What man's Sabbath is, so is his relation to God. The people that have no Sabbath, have no Christ. We believe that Sabbath desecration is doing a great deal to hinder our Zion in this age. We lament the fact that many of our citizens regard so lightly breaking the Sabbath State laws, and that many of our members do not regard God's command, "Remember the Sabbath day and keep it holy." We urge our people to see to it that our State laws are in force concerning Sunday sports, Sunday amusements and Sunday business.

Resolved, therefore, that our preachers proclaim from the pulpit the duty, the necessity, and benefits of observing the Sabbath, and also that our Sunday school teachers and all our Christian workers emphasize the importance of the right use of the Sabbath day, that our people may come to use the Sabbath in the way we shall bless and glorify God in the progress of his kingdom thereby.

J. W. AUSTIN, Chairman.

F. P. McCALL, Secretary.

### COMMITTEE ON TEMPERANCE

#### *Report Number One*

*WHEREAS*—The National Prohibition amendment will come up for action in Congress on the 19th or 20th of this month,

Therefore be it resolved that we, the members of the Florida Conference of the M. E. Church, South, give our unqualified endorsement to said amendment and that a copy of this resolution be sent to each of the Congressmen and Senators from this State urging them to do all in their power to secure its passage.

JAS. T. MITCHELL, Chairman.

S. A. WILSON, Secretary.

*Report Number Two*

Brethren:

One year ago your temperance committee reported 23 states dry. Since then Utah, New Hampshire, Indiana and New Mexico have lined up for statewide prohibition. Ohio within one year gained 54,000 dry votes, coming within 1175 votes of winning, and will certainly vote dry next year, accompanied by Florida at the November election.

Thank God our National Capital, Washington City, is dry. Likewise Alaska and Porto Rico are dry and Hawaii will follow soon. Congress has passed the Anti-advertising and the bone dry bills for all dry states. All distilleries are now closed. Power to regulate or prohibit beer and wine is in the hands of the President. The United States Senate passed the National Constitutional Amendment measure with eight votes to spare. Dry sentiment grows everywhere.

When the Florida Legislature passed the statewide Submission Amendment measure we had but 43 dry counties, but we followed up the Legislative triumph with five straight county victories, Liberty, Waukulla, Flagler, St. Johns and Palm Beach, so that now we have forty-eight dry counties, with only six wet as follows: Nassau, Duval, Monroe, Hillsboro, Pinellas and Escambia.

At our next conference session we hope to report our beloved state in the dry column. To this end we are advised that the Anti-Saloon League of Florida will, on February tenth, open a statewide campaign with noted speakers such as National Secretaries, Dr. A. C. Bane, and Marion Swadener, Ex-Governor Patterson, Congressman Hobson, Hon. D. C. McMullen and others, reaching every city and village within the state.

At the same time the state will be thoroughly organized for the fight under the direction of the State Executive Committee, namely: D. C. McMullen, J. S. Blitch, N. C. Bryan, W. G. Tilghman, E. C. Stuart, and Rev. C. W. Crooke, Superintendent of the Anti-Saloon League of Florida. Also the usual strenuous campaign work will be carried on by the tireless Women's Christian Temperance Union, led by Miss Minnie E. Neal, State President.

We note with thankfulness the utmost harmony with which all prohibition work is being carried forward in our state, and we commend our two great prohibition societies, the Anti-Saloon League, and the Women's Christian Temperance Union and bespeak for them the full and hearty co-operation of all Florida Prohibitionists.

We recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League of Florida.

### CONFERENCE RELATIONS

We, your committee on Conference Relations, beg leave to make the following report:

For the supernumerary relation we recommend W. F. Allen.

For superannuated relation T. S. Armistead, J. S. Brooke, J. T.

That we return thanks to the hotels and railroads for reduced rates; and to the F. E. C. Railway in particular for special favors and efficient service; and to Mr. C. W. H. E. PARTRIDGE.  
C. F. BLACKBURN.

## Memoirs

*Rev. John B. Ley*

Rev. John B. Ley, the subject of this tribute, was born in Thomasville, Ga., Sept. 23rd, 1855; while his father, the late lamented, Rev. John C. Ley, than whom Florida never had a more useful and eminent minister, was pastor of the church there.

His father was assigned to ministerial service in Florida while our brother was an infant so that his whole life was spent in this State. He was converted while the dews of youth were still on his cheeks, so all his years were given to the Christ whom he loved and preached. He was licensed to preach in early manhood by the Quarterly Conference at Micanopy, presided over by Rev. Frederick Pasco who became a lifelong friend. At the age of 21, January 6th, 1877, he was received on trial in the Florida Conference at Monticello. After finishing his high school course in Florida he continued his studies at Warrenton, Ga., and West Point, New York. Soon after his entrance upon the ministry at 21 years of age, he married the lovely woman of his choice, who after 37 years of wedded bliss, with one son and four daughters, survives him in broken heartedness.

Our brother, because of his fine natural abilities and his acquired knowledge soon took his rightful place among his ministerial brethren and to the end of his useful life occupied the most responsible places. Brainy, cultivated and consecrated, he used his large resources in his loved employ. Whether on an humble mission or as a Presiding Elder, an Editor or a station preacher, in such important places as Ocala, Lakeland, First Church, Tampa, and Orlando, he was faithful and efficient. Better, however, than those things mentioned is the sublime fact that he was a manly man and an humble follower of the Lamb. He was every inch a man before he was a preacher and now that his ministry has ceased forever he is enjoying a glorified manhood in heaven. He felt that no professional service, no splendid achievements could make up for the lack of a genuine manhood. He was a reputable man. He stood four square among his fellows. His life was stainless, his character exalter, his life devoted to the uplift of manhood and the redemption of the world. In these things he leaves a rich heritage to his family and his church. His soul beat high with the holy passion that he might "finish his course with joy, and the ministry which he had received of the Lord Jesus, to testify the gospel of the Grace of God." This he did—he was permitted to work right up to the last and before there were any signs of physical or mental disabilities, with all his powers in full operation he ceased at once to work and lived forever. He realized from the beginning of his illness that he would not recover and said so to his wife. He then set his house in order and arranged all his business matters and waited calmly the coming of the end.

He had finished his third year at Orlando and was ready to go to Conference with the best report he had ever made, when stricken down with the fatal malady. For forty times his Conference had pronounced him blameless in his character and official administration. Forty times his brethren had answered: "There is nothing against him." When his name was called for the last time it was transferred from the roll of his Conference to the "General Assembly and Church of the First Born, whose names are written in heaven."

The funeral was most impressive. Not only his church but the

whole town was in mourning. The sweet music, the great throng, the floral offerings, beautiful and in great profusion, and the comforting words of the minister encouraged and blessed his stricken family and church, and the beautiful words of trust by the Quaker poet of the "Merrimac" were recalled.

"I sit beside the silent sea,  
And 'wait the muffled oar,  
No harm from him can come to me,  
On ocean or on shore.

"I know not where his islands lift,  
Their fronded palms in air;  
I only know, I cannot drift,  
Beyond his love and care."

His precious body was borne by devout men, officers of his church and laid away for the resurrection of the just in the beautiful cemetery at Orlando, and, as loving hands banked his grave high, with the sweetest and most fragrant flowers, the emblems of immortality, I felt "the memory of the just smells sweet and blossoms in the dust."

B. K. THROWER.

*Rev. Junius S. Collier*

Rev. Junius S. Collier was born in South Carolina in 1848, and passed to his heavenly reward March 26, 1917 from the home of Rev. L. W. Moore, Live Oak, Florida.

His early training was in the home of Christian parents, and his conversion and connection with the Church in childhood became easy and natural.

In young manhood he was licensed to preach and among the first charges that he served was Micanopy Circuit, as junior preacher. While on this charge he was happily married to Miss Clemantine McCollum, who preceded him to the spirit world by only a few years.

For forty-five years he answered the roll-call of the Florida Annual Conference, and until near the close of his life, was in the itinerant ranks, and on the adjournment of the Conference went forth with his brethren into active service.

Blameless in life and consecrated to the work of His Lord he gleaned well in the fields assigned him. Many of these, viewed from a human standpoint were hard and unpromising, but walking by faith and not by sight, he did not doubt the sufficiency of the presence and power of Christ.

Though called suddenly into a higher and more spiritual service, he was ready to go and be with his Lord.

His remains were shipped from Live Oak and placed in Woodland Cemetery, Tampa, to await the resurrection morn.

To mourn their loss are a son and married daughter and one brother who are walking in the foot-steps of their father and brother as he followed Christ.

Besides these, are his brethren of the Conference and a multitude of choice spirits, many of whom were led to Christ through his preaching.

May the mantle of our ascended brother fall upon our younger brethren of the Florida Conference that they may enter fully into his labors.

EDWARD F. LEY.

*Rev. Manuel Dominguez*

Rev. Manuel Dominguez was born and reared in the Island of Cuba. He came to Key West along with hundreds of his people to engage in the cigar industry, which had been transferred there from Havana during and after the great ten year's struggle for "Cuba libre."

The Cuban mission work of the Florida Conference had been undertaken by Rev. Vanduzer, who died in Key West of yellow fever in 1875. His last words were, "Don't give up the Cuban Mission." A few years after a young Cuban was converted there and licensed to preach under the inspiration and direction of Rev. Fulwood, the presiding elder of the district.

This young Cuban, whose name is Enrique Someillan, organized the first Cuban church in Florida, where the present church, La Trinidad, now stands. Manuel Delufeo, one of the brightest converts of that early church, after a time, became pastor of this Cuban church, and the next most promising convert in order was Manuel Dominguez. Bros. Someillan and Deulofeo went to Cuba as missionaries and Bro. Dominguez, for a number of years, served as pastor of La Trinidad Church on Duval and Angela streets, Key West. After this he was transferred to Cuba as a missionary and served there for about three years. Being enfeebled by sickness, he was superannuated about two years ago and during the early part of 1917 he was, for a time, confined to his bed and finally passed away peacefully in faith and hope, and was buried in the town of San Juan de los Yeros, Cuba, where he had formally served as pastor and after his superannuation made that place his home.

It is to be regretted that we have not in our possession more of the facts concerning his life, or the dates of the principal events of his life. Our Cuban brother was a sincere and devoted Christian, and a true Methodist preacher, and servant of Christ.

His portrait we have upon the wall of our San Marco church of Ybor City, and his memory we shall treasure in our hearts, and let us fervently pray that God may call into His kingdom and service many of our Cuban and Latin people during all the years to come.

J. D. LEWIS.

*Rev. Thos. H. Sistrunk*

Thos. H. Sistrunk was born near Perry, Ga., April 26, 1856, and died in White Springs, Fla., Oct. 17, 91,

On Feb. 1, 1882 he was married to Mrs. Mary F. Shuler, of DeKalb county, Ga., who was his close companion and helper through the years of his married and ministerial life.

He was converted at Yalaha, Fla., under the preaching of Rev. Samuel Scott, when about thirty years old; and was licensed to preach Nov. 6, 1887. In January, 1890, he was received on trial into the Florida Conference and appointed to Mansfield Mission. He was ordained deacon by Bishop Granberry, January 10, 1892; and elder by Bishop Haygood, January 7, 1894.

Brother Sistrunk served many new and trying fields in the Florida Conference; and did his work well. He was a good organizer and pastor; preached acceptably; and by his earnestness and many sterling qualities won a high place in the confidence of his people and brethren. He served Mansfield, Lakeland, Pasco and Blanton Missions, and Stewart's Chapel, Hillsboro, Seffner and Micanopy Circuits, and Key West Memorial Chapel and Punta Gorda. His last charge

was White Springs Circuit; where, after a brief illness, he ceased at once to labor and to live, leaving the record of a good man and a faithful and effective itinerant preacher.

H. E. PARTRIDGE.

*Rev. D. Lee Switzer*

Information of the death of Rev. D. Lee Switzer did not reach the Committee on Memoirs until the convening of the Conference, hence it has been impossible to secure the facts that might be of interest to his brethren.

However, until a severe and permanent affliction came upon him, he was a true and loyal Methodist preacher, and won the love and confidence of all of his brethren. But for many years he had been a great sufferer and became incapacitated for the regular work. Through all of his suffering he possessed a spirit of complete resignation, and often showed his submission to the will of Him whose name he bore and commended. In his lucid moments he told of the presence and love of Christ and his faith unfeigned and unshaken.

D. Lee Switzer was a native of Florida, and entered the itinerancy about twenty years ago. He served humble stations with untiring zeal and heroic consecration under great trials and burdens. About six years ago he was forced, by a shattered nervous system, to retire from work; and was sent to the State Asylum for treatment. Most of his stay there he was "at himself" and seemed to retain his faith in Christ and consciousness of the divine presence and favor. News of his death just before conference, reached the Committee too late to give more than this imperfect sketch.

The end came while in a sanitarium where he had received special treatment for several years, and his pastor reports that there was no spiritual decline, and is assured that he is now dwelling where no shadows will again flit across his mental sky.

To the stricken family, the brethren of the Conference would give assurance of their love and sympathy.

EDWARD F. LEY.

*Rev. John T. Waters*

John T. Waters was born in Hart County, Ky., July 2, 1837, in an old-fashioned Methodist home, whose Christian influences gave bent to a long and faithful life. He was converted when nine years old; and joined the Methodist Church. As he grew up he took his place in its activities and was a useful layman. When about thirty years old he was licensed to preach; and not long afterwards was admitted on trial into the Louisville Conference, where he served for twenty years as pastor and presiding elder.

In 1856 he was married to Miss Mary J. Walton and to this happy union were given four children, one of whom, Rev. Bascom Waters of the Holston Conference, still survives him.

In 1891 he was transferred to Florida; and after two years service took the superannuate relation. Through his long life he was faithful to God and loyal to his Church; and ever firm in carrying out his convictions of duty. In his home he was kind and loving; and his ministerial brethren, he sincerely loved. One who spoke at his funeral said: "Here lies the remains of a man seventy-nine years old, upon whose life and character there never has been a stain."

As the end drew near, he called his preacher-son, in whose home he was, and said: "The way is clear; all is well," and fell asleep, Dec. 23, 1916.

H. E. PARTRIDGE.

*Rev. Robert L. Honiker*

Robt. L. Honiker was born in Savannah, Ga., and died in Atlanta, Oct. 16, 1917 at the age of sixty-eight or nine years. He was early converted and became a student in Emory College from which he graduated in 1870.

He married Miss Leila Dougherty of Macon, Ga., a lovely and cultured woman, whose gentle manners and consecrated spirit aided him greatly in his ministry..

December 1870 he entered the South Georgia Conference, and served various charges in this field until in January 1882 he was transferred to Florida and sent to First Charge, Key West. His ministry was spent in all sections of the Conference, including Lake City, Apalachicola, Sanford, Kissimmee, Bartow and Citra. While at Kissimmee he organized the first Epworth League in Florida; and was for several years, president of the Conference League.

Brother Honiker's talents as a preacher were above ordinary. With the soul of a poet he wielded the pen of a ready writer; and his command of words enabled him to clothe his often striking and beautiful thought in attractive verbiage. He was genial in his disposition, courteous in manners, tender in his friendships; and, though naturally shrinking, was pronounced and brave in his convictions of right. Those who knew him best, loved him most.

While serving Bartow station, his sweet wife left him for the better world. He was bereaved indeed and for years the cloud was on his life and heart for her loss.

As he grew older, the places of service grew harder, its burdens heavier, and its earthly rewards were scant. Yet he struggled on with unflinching faith and cheerful courage, looking to "the recompense of the reward." His last years were cheered by his marriage to Miss Miriam Harrison of Monticello, Oct. 7, 1908, who, with their little Leila and two grown sons by his first marriage survive him.

It was at the Conference December 1916 he was forced by his failing strength to ask for a place on the retired list. With sad heart he turned away from the whitening harvests, crying out for more laborers; for still there seemed to come to him the call

"Go labor on. . . .

And falter not; the prize you seek

Is near—a Kingdom and a crown."

And was not this in store for this tried man of God?

H. E. PARTRIDGE.

*Benjamin F. Mason*

B. F. Mason was born in Oglethorpe county, Georgia, January 1, 1856; and died at Gainesville, Florida, September 25, 1917.

He was soundly converted to God in 1876, and joined the Methodist Church at Waldo, Florida. He was married to Miss Gertrude Moye, January 10, 1870; and this union were given three children.

He was admitted on trial into the Florida Conference, January 1889, and during his itinerancy in Florida, served Orange Springs, Wildwood, Sparks Chapel, Fort White, Brooksville, Dade City, Plant City,

Tampa Heights, Arcadia, Alachua and Jasper. To secure the benefits of the Hot Springs water, he was transferred to the Little Rock Conference and stationed at one of the churches in Hot Springs. Afterwards transferred to White River Conference, where while at Salem, Ark., he suffered the loss of his leg through blood poison. In 1912 he came back to his old home conference as a superannuate; and was welcomed by his brethren; and dwelt among us in simple-hearted, cheerful piety until his translation to the Home Above.

Brother Mason was a man of large body, big soul and genial spirit. He was manly, sincere and cordial. Positive in his convictions, genuine in his religious experience, and active in his disposition, his service to the Church was marked by advancement and success; while his preaching and pastoral work gained for him many warm friends. Though in his later years he suffered much from physical ailments, "he was uniformly cheerful and happy, had an encouraging word for every one, and was when able ever ready to preach." The night he died he had an appointment to preach nearby; but heard another call to see "the King in his beauty" whose glorious salvation he loved to proclaim. The world is better for the lives of such men and heaven richer by their death.

H. E. PARTRIDGE.

*Mrs. T. H. Capers*

Mrs. T. H. Capers was the widow of the Rev. T. H. Capers, who was presiding elder of the Tallahassee District at the time of his death, which occurred at Monticello, Florida, in the year 1866.

Sister Capers resided at Crescent City, Fla., where she lived with her daughter, Mrs. M. S. Miller. She was about 80 years old, and was in a feeble state of health for some nine or ten years previous to her death, yet she was always faithful to the Church of which she was a member so many years, and, whenever possible, was in her place at its services. It was at the Fourth Quarterly Conference of the Crescent City charge, in 1910, that the writer first met her.

Sister Capers was an interesting talker, and could tell of many events in the history of the M. E. Church, South, both in Florida and Georgia, and also in the connection generally.

She was a friend of the Methodist preacher, and took an especial interest in the young men of the ministry, being ever ready to advise with and help them in any possible way.

Sister Capers was one of nature's gentle-women, a devoted mother in Israel, and a true Christian lady. Though almost blind and very feeble during the last years of her life, she never complained, but waited patiently for her Lord and Master whom she loved so well, who has now called her to be with Him forever.
